Eyesight Improvement was practiced years before Dr Bates discovered it. It is the normal natural function of the eyes hidden from the public by eye surgeons, optometrists, optical businesses for over 100 years because this method works. It is easy; anyone can learn, teach it including children. It produces healthy eyes, clear vision and frees the patient from the need to purchase eyeglasses, drugs, unnecessary eye surgery. Yes, it can and has reversed cataracts. Dr Bates worked his entire life treating people successfully with Natural Eyesight Improvement. When he cured the eyes of many patients, medical students and other doctors in the hospital where he worked with natural treatments without use of eyeglasses, surgery, drugs, and proved his method is fact, that some of the old theories of eye function are incorrect, the eye surgeons that preferred to sell eyeglasses, surgery, drugs became angry and expelled him. Shrouded in mystery, one of these exercises ended in disaster for over 600 young American servicemen as their operation was discovered by a patrol of German e-boats which attacked, leaving two LSTs sunk and one badly damaged. The secret nature of these exercises, some claimed, led to a military cover up and many families were not immediately informed of the nature of the deaths of their loved ones. Over the months that followed D Day came and went, the war ended and there seemed little point in raking over this sorry affair. *Exercise Tiger* became a forgotten chapter in the annals of the Second World War. Using archive documents and images, this book recounts the history and personal accounts behind this tragic event as well as examining the many subsequent conspiracy theories and exploring the evidence behind them.
