REMEMBERING WHO WE ARE

# Remembering Who We Are Observations Of A Southern Conservative

**John J. Langdale, III**

## **Remembering Who We Are Observations Of A Southern Conservative:**

**Remembering who We are** Melvin Eustace Bradford, 1985-01-01      **The Meanings of Michael Oakeshott's Conservatism** Corey Abel, 2017-03-06 This collection of recent scholarship on the thought of Michael Oakeshott includes essays by both distinguished and established authors as well as a fresh crop of younger talent Together they address the meanings of Oakeshott's conservatism through the lenses of his ideas on religion history and tradition and explore his relationships to philosophers ranging from Hume to Ryle Cavell and others The collection assigns no single or final meaning to Oakeshott's conservatism but finds in him a number of possibilities for thinking fruitfully about what conservatism might mean when it is no longer considered as a doctrine but as a habit or a turn of mind      **Conservative Thought and American Constitutionalism since the New Deal** Johnathan O'Neill, 2022-11-29 An intellectual history of American conservatism since the New Deal The New Deal fundamentally changed the institutions of American constitutional government and in turn the relationship of Americans to their government Johnathan O'Neill's *Conservative Thought and American Constitutionalism since the New Deal* examines how various types of conservative thinkers responded to this significant turning point in the second half of the twentieth century O'Neill identifies four fundamental transformations engendered by the New Deal the rise of the administrative state the erosion of federalism the ascendance of the modern presidency and the development of modern judicial review He then considers how various schools of conservative thought traditionalists neoconservatives libertarians Straussians responded to these major changes in American politics and culture Conservatives frequently argued among themselves and their responses to the New Deal ranged from adaptation to condemnation to political mobilization Ultimately the New Deal pulled American governance and society permanently leftward Although some of the New Deal's liberal gains have been eroded a true conservative counterrevolution was never O'Neill argues a realistic possibility He concludes with a plea for conservative thinkers to seriously reconsider the role of Congress a body that is relatively ignored by conservative intellectuals in favor of the courts and the presidency in America's constitutional order *Conservative Thought and American Constitutionalism since the New Deal* explores the scope and significance of conservative constitutional analysis amid the broader field of American political thought      **The Paleoconservatives** Joseph A. Scotchie, 2017-07-05 Paleoconservatism as a concept came into circulation during the 1980s as a rejoinder to the rise of neoconservatism It signifies a brand of conservatism that rose up in opposition to the New Deal setting itself against the centralizing trends that define modern politics to champion the republican virtues of self governance and celebrate the nation's varied and colorful regional cultures This volume brings together key writings of the major representatives of Old Right thought past and present The essays included here define a coherent intellectual tradition linking New York libertarians to unreconstructed Southern traditionalists to Midwestern agrarians Part I is devoted to the founding fathers of the modern conservative movement Essays by Frank Chodorov Murray Rothbard and James Burnham

attack economic aspects of the New Deal big government in general and high taxes Russell Kirk introduces the cultural paleoconservatism with its preference for social classes and distinctions of age and sex while Richard Weaver explains why culture is more important to a civilization's survival than mere material conditions The second part covers the contemporary resurgence of the Old Right Chilton Williamson Jr sets out the argument against large scale immigration on cultural and economic grounds The divisive issue of trade is covered William Hawkins outlines a mercantilist trade policy at odds with the free trade libertarianism of Chodorov and Rothbard On education Allan Carlson goes further than the Beltway Right in his advocacy of home schooling M E Bradford shows how the doctrine of equality of opportunity inevitably leads to greater and more tyrannical state action The contemporary culture wars are the focus of Thomas Fleming Paul Gottfried Clyde Wilson and Samuel Francis who search for the roots of American nationalism the lessons to be drawn from the past and how they may be applied in the future      *Conservatism and Southern Intellectuals, 1789-1861* Adam L. Tate, 2005      **The**

**Conservative Tradition in America** Charles W. Dunn, J. David Woodard, 1996 This book presents the first full scale survey written since the 1950s of American conservatism from the Founding to the Contract With America      **The Costs of War** John Denson, 2017-07-05 The greatest accomplishment of Western civilization is arguably the achievement of individual liberty through limits on the power of the state In the war torn twentieth century we rarely hear that one of the main costs of armed conflict is long term loss of liberty to winners and losers alike Beyond the obvious and direct costs of dead and wounded soldiers there is the lifetime struggle of veterans to live with their nightmares and their injuries the hidden economic costs of inflation debts and taxes and more generally the damages caused to our culture our morality and to civilization at large The new edition is now available in paperback with a number of new essays It represents a large scale collective effort to pierce the veils of myth and propaganda to reveal the true costs of war above all the cost to liberty Central to this volume are the views of Ludwig von Mises on war and foreign policy Mises argued that war along with colonialism and imperialism is the greatest enemy of freedom and prosperity and that peace throughout the world cannot be achieved until the central governments of the major nations become limited in scope and power In the spirit of these theorems by Mises the contributors to this volume consider the costs of war generally and assess specific corrosive effects of major American wars since the Revolution The first section includes chapters on the theoretical and institutional dimensions of the relationship between war and society including conscription infringements on freedom the military as an engine of social change war and literature and the right of citizens to bear arms The second group includes reconsiderations of Lincoln and Churchill an analysis of the anti interventionist idea in American politics a discussion of the meaning of the just war an assessment of how World War I changed the course of Western civilization and finally two eyewitness accounts of the true horrors of actual combat by      *Black Conservatism* Peter Eisenstadt, 2013-09-13 This volume is the first comprehensive examination of African American conservative thought and politics from the late eighteenth century to the present The essays in the

collection explore various aspects of African American conservatism including biographical studies of abolitionist James Forten clergymen Henry McNeal Turner and J H Jackson and activists A Philip Randolph and Bayard Rustin Thematic essays in the volume consider southern black conservatism in the late nineteenth century and after World War I African American success manuals Ellisonian cultural criticism the Nation of Islam and African Americans and the Republican Party after 1964

**The Rebuke of History** Paul V. Murphy, 2003-01-14 In 1930 a group of southern intellectuals led by John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren published *I'll Take My Stand: The South and the Agrarian Tradition* A stark attack on industrial capitalism and a defiant celebration of southern culture the book has raised the hackles of critics and provoked passionate defenses from southern loyalists ever since As Paul Murphy shows its effects on the evolution of American conservatism have been enduring as well Tracing the Agrarian tradition from its origins in the 1920s through the present day Murphy shows how what began as a radical conservative movement eventually became alternately a critique of twentieth century American liberalism a defense of the Western tradition and Christian humanism and a form of southern traditionalism which could include a defense of racial segregation Although Agrarianism failed as a practical reform movement its intellectual influence was wide ranging Murphy says This influence expanded as Ransom Tate and Warren gained reputations as leaders of the New Criticism More notably such neo Agrarians as Richard M Weaver and M E Bradford transformed Agrarianism into a form of social and moral traditionalism that has had a significant impact on the emerging conservative movement since World War II

The Ninth Amendment and the Politics of Creative Jurisprudence Marshall DeRosa, 2017-11-30 The Ninth Amendment holds that every right not explicitly granted to the federal government by the Constitution belongs to the states or to the individual Further those rights held by the government should not be construed to deny or disparage other rights held by the people As in other areas of contention between federal power and states rights the Ninth Amendment has become subject to activist Supreme Court interpretation whereby the traditional model of federalism in which states had meaningful public policy prerogatives has given way to a model in which states become mere extensions of the U S government In this volume Marshall DeRosa provides a thorough analysis of Supreme Court unenumerated rights policy and offers suggestions toward reestablishing American federalism as envisioned by the framers of the Constitution The book opens with a review and analysis of current debates over Ninth Amendment rights and then utilizes the privileges and immunities clauses as demonstrative of the traditional relationship between the states police powers and unenumerated fundamental rights DeRosa then considers the critical role of academia in shifting public policy away from popular control and toward the judiciary Later chapters include national and state case studies as instances of judicial creativity an examination of the effects of Ninth Amendment jurisprudence on the Second Amendment as it bears on the gun control debate and a comparative analysis of contrasting theories on the status of unenumerated rights In his conclusion DeRosa offers some prescriptive thoughts on how to restore the original constitutional concept of popular consent as a remedy to an

increasingly unaccountable federal judiciary By restoring the Ninth Amendment to the context of American federalism this volume constitutes a major contribution to contemporary scholarship challenging a corpus of commentary that either ignores misunderstands or misrepresents the relevance of popular control in the articulation of unenumerated rights The Ninth Amendment and the Politics of Creative Jurisprudence will be of interest to political scientists historians legal theorists and political practitioners     *A Spreading and Abiding Hope* Jacob Shatzer, 2015-10-13 Every tradition has its surprising voices its thinkers who look at things slightly differently than most Evangelicalism is no exception Many surprising evangelical voices end up being embarrassments of one sort or another everyone can choose their favorite example of this phenomenon Rather than seeking to expose these sorts of negative surprises this book explores the surprising voice of the late evangelical theologian A J Conyers Conyers's political theology is a resource for a robust evangelical theopolitical imagination By learning from Conyers evangelicals can overcome common weaknesses and engage in a more thoroughly Christian biblical and evangelical approach to the modern world and its various institutions and challenges Conyers speaks beyond evangelicalism as well His vision of the modern world including its development and major challenges provides insight into contemporary political theology His work on the nation state free market capitalism and the notions of toleration and vocation speaks into and advances important debates Thus Conyers's evangelical political theology provides both the evangelical tradition itself as well as political theology as a broader discipline with a compelling and challenging vision

**Lincoln in American Memory** Merrill D. Peterson, 1995-06-01 Lincoln's death like his life was an event of epic proportions When the president was struck down at his moment of triumph writes Merrill Peterson sorrow indescribable sorrow swept the nation After lying in state in Washington Lincoln's body was carried by a special funeral train to Springfield Illinois stopping in major cities along the way perhaps a million people viewed the remains as memorial orations rang out and the world chorused its sincere condolences It was the apotheosis of the martyred President the beginning of the transformation of a man into a mythic hero In *Lincoln in American Memory* historian Merrill Peterson provides a fascinating history of Lincoln's place in the American imagination from the hour of his death to the present In tracing the changing image of Lincoln through time this wide ranging account offers insight into the evolution and struggles of American politics and society and into the character of Lincoln himself Westerners Easterners even Southerners were caught up in the idealization of the late President reshaping his memory and laying claim to his mantle as his widow son memorial builders and memorabilia collectors fought over his visible legacy Peterson also looks at the complex responses of blacks to the memory of Lincoln as they moved from exultation at the end of slavery to the harsh reality of free life amid deep poverty and segregation at more than one memorial event for the great emancipator the author notes blacks were excluded He makes an engaging examination of the flood of reminiscences and biographies from Lincoln's old law partner William H Herndon to Carl Sandburg and beyond Serious historians were late in coming to the topic for decades the myth makers sought to shape

the image of the hero President to suit their own agendas He was made a voice of prohibition a saloon keeper an infidel a devout Christian the first Bull Moose Progressive a military blunderer and after the First World War a military genius a white supremacist according to D W Griffith and other Southern admirers and a touchstone for the civil rights movement Through it all Peterson traces five principal images of Lincoln the savior of the Union the great emancipator man of the people first American and self made man In identifying these archetypes he tells us much not only of Lincoln but of our own identity as a people

**Feminism Without Illusions** Elizabeth Fox-Genovese,1991 In arguing that feminism has neither adequately acknowledged its ties to individualism nor squarely faced the extent to which many of its campaigns for social justice are based on the insistence of rights for the individual over good of the community thi

**Lincoln, the South, and Slavery** Robert W. Johannsen,1993-10

In the Great Maelstrom Charles J. Holden,2002 In the Great Maelstrom demonstrates how the state s conservatives adjusted their views at critical times while clinging to other core values through the long decades

BOOK JACKET

New Encyclopedia of Southern Culture, V. 17 Clarence L. Mohr,Charles Wilson,2011 The New Encyclopedia of Southern Culture

*Historical Dictionary of the Old South* William L. Richter,2013-02-28 The South played a prominent role in early American history and its position was certainly strong and proud except for the peculiar institution of slavery Thus it drew away from the rest of an expanding nation and in 1861 declared secession and developed a Confederacy that ultimately lost the war Indeed for some time it was occupied Thus the South has a very mixed legacy with good and bad aspects and sometimes the two of them mixed Which only enhances the need for a careful and balanced approach This can be found in the Historical Dictionary of the Old South which first traces its history from colonial times to the end of the Civil War in a substantial chronology Particularly interesting is the introduction which analyzes the rise and the fall the good and the bad as well as the middling and indifferent over nigh on two centuries The details are filled in very amply in over 600 dictionary entries on the politics economy society and culture of the Old South An ample bibliography directs students and researchers toward other sources of information

**A Defender of Southern Conservatism** Clyde Norman Wilson,1999 Prolific writer and revered teacher M E Bradford holds a unique place in American scholarship During a distinguished career which came to an early end with his untimely death in 1993 Bradford breathed new life into the southern conservative traditions of his predecessors the Vanderbilt Agrarians and Richard M Weaver Trained as a literary scholar Bradford made substantial contributions to the study of southern literature but he also wrote and worked in American history and political thought A Defender of Southern Conservatism M E Bradford and His Achievements is the first full evaluation of this southern intellectual s career Examining his contributions to literary criticism southern and American constitutional history rhetoric and even his controversial writings on Abraham Lincoln these distinguished academics afford an evaluation of this unique and important thinker

**Superfluous Southerners** John J. Langdale, III,2012-11-01 In Superfluous Southerners John J Langdale III tells the story of traditionalist conservatism and its boundaries in twentieth

century America Because this time period encompasses both the rise of the modern conservative movement and the demise of southern regional distinctiveness it affords an ideal setting both for observing the potentiality of American conservatism and for understanding the fate of the traditionalist man of letters Langdale uses the intellectual and literary histories of John Crowe Ransom Donald Davidson and Allen Tate the three principal contributors to the Agrarian manifesto *I'll Take My Stand* and of their three most remarkable intellectual descendants Cleanth Brooks Richard Weaver and Melvin Bradford to explore these issues Langdale begins his study with some observations on the nature of American exceptionalism and the intrinsic barriers which it presents to the traditionalist conservative imagination While works like Louis Menand's *The Metaphysical Club* have traced the origins of modern pragmatic liberalism during the late nineteenth century the nature of conservative thought in postbellum America remains less completely understood Accordingly Langdale considers the origins of the New Humanism movement at the turn of the twentieth century then turning to the manner in which midwesterners Irving Babbitt and Paul Elmer Moore stirred the imagination of the southern Agrarians during the 1920s After the publication of *I'll Take My Stand* in 1930 Agrarianism splintered into three distinct modes of traditionalist conservatism John Crowe Ransom sought refuge in literary criticism Donald Davidson in sectionalism and Allen Tate in an image of the religious wayfarer as a custodian of language Langdale traces the expansion of these modes of traditionalism by succeeding generations of southerners Following World War II Cleanth Brooks further refined the tradition of literary criticism while Richard Weaver elaborated the tradition of sectionalism However both Brooks and Weaver distinctively furthered Tate's notion that the integrity of language remained the fundamental concern of traditionalist conservatism Langdale concludes his study with a consideration of neoconservative opposition to M E Bradford's proposed 1980 nomination as head of the National Endowment for the Humanities and its significance for the southern man of letters in what was becoming postmodern and postsouthern America Though the post World War II ascendance of neoconservatism drastically altered American intellectual history the descendants of traditionalism remained largely superfluous to this purportedly conservative revival which had far more in common with pragmatic liberalism than with normative conservatism

**Loathing Lincoln** John McKee

Barr, 2014-04-07 While most Americans count Abraham Lincoln among the most beloved and admired former presidents a dedicated minority has long viewed him not only as the worst president in the country's history but also as a criminal who defied the Constitution and advanced federal power and the idea of racial equality In *Loathing Lincoln* historian John McKee Barr surveys the broad array of criticisms about Abraham Lincoln that emerged when he stepped onto the national stage expanded during the Civil War and continued to evolve after his death and into the present The first panoramic study of Lincoln's critics Barr's work offers an analysis of Lincoln in historical memory and an examination of how his critics on both the right and left have frequently reflected the anxiety and discontent Americans felt about their lives From northern abolitionists troubled by the slow pace of emancipation to Confederates who condemned him as a black Republican and

despot to Americans who blamed him for the civil rights movement to more recently libertarians who accuse him of trampling the Constitution and creating the modern welfare state Lincoln's detractors have always been a vocal minority but not one without influence By meticulously exploring the most significant arguments against Lincoln Barr traces the rise of the president's most strident critics and links most of them to a distinct right wing or neo Confederate political agenda According to Barr their hostility to a more egalitarian America and opposition to any use of federal power to bring about such goals led them to portray Lincoln as an imperialistic president who grossly overstepped the bounds of his office In contrast liberals criticized him for not doing enough to bring about emancipation or ensure lasting racial equality Lincoln's conservative and libertarian foes however constituted the vast majority of his detractors More recently Lincoln's most vociferous critics have adamantly opposed Barack Obama and his policies many of them referencing Lincoln in their attacks on the current president In examining these individuals and groups Barr's study provides a deeper understanding of American political life and the nation itself

As recognized, adventure as skillfully as experience approximately lesson, amusement, as competently as harmony can be gotten by just checking out a book **Remembering Who We Are Observations Of A Southern Conservative** with it is not directly done, you could believe even more on this life, on the world.

We pay for you this proper as without difficulty as easy exaggeration to acquire those all. We present Remembering Who We Are Observations Of A Southern Conservative and numerous books collections from fictions to scientific research in any way. along with them is this Remembering Who We Are Observations Of A Southern Conservative that can be your partner.

## Remembering Who We Are Observations Of A Southern Conservative Introduction

Remembering Who We Are Observations Of A Southern Conservative Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Remembering Who We Are Observations Of A Southern Conservative Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Remembering Who We Are Observations Of A Southern Conservative : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Remembering Who We Are Observations Of A Southern Conservative : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Remembering Who We Are Observations Of A Southern Conservative Offers a diverse range of free eBooks across various genres. Remembering Who We Are Observations Of A Southern Conservative Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Remembering Who We Are Observations Of A Southern Conservative Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Remembering Who We Are Observations Of A Southern Conservative, especially related to Remembering Who We Are Observations Of A Southern Conservative, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Remembering Who We Are Observations Of A Southern Conservative, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Remembering Who We Are Observations Of A Southern Conservative books or magazines might include. Look for these in online stores or libraries. Remember that while Remembering Who We Are Observations Of A Southern Conservative, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Remembering Who We Are Observations Of A Southern Conservative eBooks for free, including popular titles. Online Retailers: Websites like Amazon,

Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Remembering Who We Are Observations Of A Southern Conservative full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Remembering Who We Are Observations Of A Southern Conservative eBooks, including some popular titles.

### FAQs About Remembering Who We Are Observations Of A Southern Conservative Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Remembering Who We Are Observations Of A Southern Conservative is one of the best book in our library for free trial. We provide copy of Remembering Who We Are Observations Of A Southern Conservative in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Remembering Who We Are Observations Of A Southern Conservative. Where to download Remembering Who We Are Observations Of A Southern Conservative online for free? Are you looking for Remembering Who We Are Observations Of A Southern Conservative PDF? This is definitely going to save you time and cash in something you should think about.
