The Music of Multicultural America Kip Lornell, Anne K. Rasmussen, 2016-01-04 The Music of Multicultural America explores the intersection of performance identity and community in a wide range of musical expressions Fifteen essays explore traditions that range from the Klezmer revival in New York to Arab music in Detroit to West Indian steel bands in Brooklyn to Kathak music and dance in California to Irish music in Boston to powwows in the midwestern plains to Hispanic and Native musics of the Southwest borderlands Many chapters demonstrate the processes involved in supporting promoting and reviving community music Others highlight the ways in which such American institutions as city festivals or state and national folklife agencies come into play Thirteen themes and processes outlined in the introduction unify the collection's fifteen case studies and suggest organizing frameworks for student projects Due to the diversity of music profiled in the book Mexican mariachi African American gospel Asian West Coast jazz women's punk French American Cajun and Anglo American sacred harp and to the methodology of fieldwork ethnography and academic activism described by the authors the book is perfect for courses in ethnomusicology world music anthropology folklore and American studies Audio and visual materials that support each chapter are freely available on the ATMuse website supported by the Archives of Traditional Music at Indiana University

MTR; Music Trades Review, 1877

The Beatles as Musicians : Revolver

through the Anthology Walter Everett Associate Professor of Music in Music Theory University of Michigan,1999-03-31 Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career their music per se has received surprisingly little detailed attention Not all of their cultural influence can be traced to long hair and flashy clothing the Beatles had numerous fresh ideas about melody harmony counterpoint rhythm form colors and textures Or consider how much new ground was broken by their lyrics alone both the themes and imagery of the Beatles poetry are key parts of what made and still makes this group so important so popular and so imitated This book is a comprehensive chronological study of every aspect of the Fab Four s musical life including full examinations of composition performance practice recording and historical context during their transcendent late period 1966 1970 Rich authoritative interpretations are interwoven through a documentary study of many thousands of audio print and other sources **The Life of Mozart** Edward Holmes,1878 **Cambridge University Reporter** University of Cambridge,1906

This Engaging Realm of E-book Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A Realm of Convenience and Flexibility Kindle books, with their inherent mobility and ease of availability, have freed readers from the constraints of physical books.
