Reminiscences Of An Orkney Parish

George Mackay Brown

Reminiscences Of An Orkney Parish:

Reminiscences of an Orkney Parish. Together with Old Orkney Words, Riddles and Proverbs. [With Plates, Including Portraits.] John Firth (Author of "Reminiscences of an Orkney Parish").,1922 *Reminiscences of an Orkney Parish* John Firth,1920 **Recollecting** Sarah Carter,Patricia Alice McCormack,2011 Recollecting is a rich collection of essays that illuminates the lives of late eighteenth century to mid twentieth century Aboriginal women who have been overlooked in sweeping narratives of the history of the West Some essays focus on individuals a trader a performer a non human woman Other essays examine cohorts of women wives midwives seamstresses nuns Authors look beyond the documentary record and standard representations of women drawing on records generated by the women themselves including their beadwork other material culture and oral histories Exploring the constraints and boundaries these women encountered the authors engage with difficult and important questions of gender race and identity Collectively these essays demonstrate the complexity of contact zone interactions and they enrich and challenge dominant narratives about histories of the Canadian Northwest **Reminiscences of an Orkney Parish, Together with Old Orkney Words, Riddles and Proverbs** John FIRTH (of Orkney.),1920 An Orkney Tapestry George MacKay Brown,2021-08-03 First published in 1969 An Orkney Tapestry George Mackay Brown s seminal work is a unique look at Orkney through the eye of a poet Originally commissioned by his publisher as an introduction to the Orkney Islands Brown approached the writing from a unique perspective and went on to produce a rich fusion of ballad folk tale short story drama and environmental writing The book written at an early stage in the author s career explores themes that appear in his later work and was a landmark in Brown s development as a writer Above all it is a celebration of Orkney s people language and history This edition reproduces Sylvia Wishart s beautiful illustrations commissioned for the original hardback Made available again for the first time in over 40 years this new edition sits alongside Nan Shepherd s The Living Mountain as an important precursor of environmental writing by the likes of Kathleen Jamie Robert Macfarlane Malachy Tallack and most recently Amy Liptrot **The Folklore of Orkney and Shetland** Ernest Marwick,2020-05-07 The two island groups of Orkney and Shetland have much in common In each the grey stone houses and treeless landscapes are scoured in winter by stinging gales and in summer lie under the endless days of the simmer din Originally Norwegian they have been part of Scotland for five hundred years but their many and varied legends folk tales and customs are still saturated with Norse influences While this book tells tales and discusses beliefs that are known throughout the northern isles it also outlines those elements which are unique to each island group The Folklore of Orkney and Shetland is the standard account of what to this day is one of the richest repositories of lore and custom in Britain Ernest Marwick not only recounts countless tales which have been transmitted orally and by writing but also places these tales within geographical and historical contexts thus enabling a deeper appreciation of this wonderful material A bibliography is also included together with an index of tale types and motifs Year Book of the Viking Society

for Northern Research Viking Society for Northern Research,1924 **Spiritual Home** Charles D. Cashdollar,2010-11-01 A Spiritual Home explores congregational life inside British and American Reformed churches between 1830 and 1915 At a time when scholars have become interested in the day to day experience of local congregations this book reaches back into the nineteenth century a critically formative period in Anglo American religious life to examine the historical roots of congregational life Taking the perspective of the laity Cashdollar ranges widely from worship and music to fund raising and administration from pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen Firmly rooted in broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship Based on records publications and memorabilia from about 150 congregations representing eight denominations A Spiritual Home gives us a comprehensive composite portrait of religious life in Victorian Britain and America

Year Book of the Viking Club, Society for Northern Research Viking Club, or Society for Northern Research,Viking Society for Northern Research,1924 *Historical Brewing Techniques* Lars Marius Garshol,2020-04-30 Ancient brewing traditions and techniques have been passed generation to generation on farms throughout remote areas of northern Europe With these traditions facing near extinction author Lars Marius Garshol set out to explore and document the lost art of brewing using traditional local methods Equal parts history cultural anthropology social science and travelogue this book describes brewing and fermentation techniques that are vastly different from modern craft brewing and preserves them for posterity and exploration Learn about uncovering an unusual strain of yeast called kveik which can ferment a batch to completion in just 36 hours Discover how to make keitinis by baking the mash in the oven Explore using juniper boughs for various stages of the brewing process Test your own hand by brewing recipes gleaned from years of travel and research in the farmlands of northern Europe Meet the brewers and delve into the ingredients that have kept these traditional methods alive Discover the regional and stylistic differences between farmhouse brewers today and throughout history

Proceedings of the Society of Antiquaries of Scotland Society of Antiquaries of Scotland,1921 Includes List of members The Befana Is Returning Steve Siporin,2022-08-16 On the night of January 5 in certain areas of southern Tuscany a costumed singing troupe of characters visits residents homes expecting to be fed and feted This is the Befanata a mumming tradition centered in Tuscany whose main character the Befana is a kindly old woman or grandmotherly witch who delivers toys candies and gifts The Befana Is Returning is a deeply researched deftly insightful presentation of this living tradition that adds a large missing piece to the array of contemporary ethnographic scholarship on mumming **The Making of the Scottish Countryside** M. L. Parry,T. R. Slater,2021-10-12 Originally published in 1980 this book examines the evolution of the Scottish landscape from pre historic times to the mid nineteenth century It considers the way in which the structural base of agriculture and the changing farming system came to alter the Scottish rural landscape This book with

its focus on the underlying landscape processes gives a developmental view of landscape change. It therefore considers the crucial question of the rate and pace of landscape change and argues that the Scottish landscape was not the product of a few brief phases of quite rapid development but rather the result of a continual and gradual process of change. It also looks at the regional variation of landscape change and establishes the importance of regional linkages in the diffusion of ideas especially in new technology.

Portrait of Orkney George Mackay Brown, 2014-02-06 Portrait of Orkney is a personal account of a people, their history and their way of life and of a landscape that has shaped them and been shaped by them.

The Book of Bere Liz Ashworth, 2017-11-14 A history of the Scottish dietary staple plus recipes from the author of *The Scottish Baking Bible*. Bere is the native barley of Orkney. In the past it was an important multi-use crop and a staple of the Scottish diet, though its use declined as more easily processed crops were introduced. Bere is still grown on Orkney farms by an agricultural contractor employed by the Birsay Heritage Trust who run the Barony Mill, Orkney's last operating water mill. Here the grain is milled into beremeal, a cream-colored flour with a distinctive earthy, nutty flavor. In this book, acclaimed food writer Liz Ashworth traces the story of bere from its Neolithic origins to the present day, providing useful culinary tips and recipes on how this ancient grain can be introduced to the modern kitchen for enjoyment. Recipes are included for Breads, Scones, Tea Breads, Cakes, Tray Bakes, Puddings, Pastry Dishes, and Sweet and Savoury Biscuits.

The Northern Isles Alexander Fenton, 1997 The Northern Isles stand at a crossroads of North Atlantic Europe, subject to the competing influences of Scandinavia and Scotland. Sandy Fenton's detailed study of the material culture of Orkney and Shetland is combined with thorough linguistic analysis and is based on years of study and sifting of a mass of detail. Much of the material is new, based on extensive research by the author on manuscript and other written sources and on knowledge freely imparted by many local inhabitants. It illuminates the complexity of numerous interlocking factors, draws a picture of a fascinating and varied existence, and reveals the past not as a static tableau but a process of continuous change. This book recreates the physical environment in which the people lived: their crops and livestock, the harvest of the sea, their houses, the food they ate. These things dominated their lives and form the background which is the key to understanding the character of these fascinating islands. This major work has earned its place as a key contribution to European ethnology and won the Dag Stromback Award of the Royal Gustav Academy, Sweden.

Scottish Customs Margaret Bennett, 2012-12-10 A highly readable and absorbing anthology of traditional Scottish customs and rites of passage. *Scottish Customs* from the Cradle to the Grave draws upon a broad range of literary and oral sources. Scotland has been fortunate to have written accounts of intrepid early travellers such as Martin Martin, Edward Burt and John Lane Buchanan, and extracts from their writing are found alongside modern interviews made by Margaret Bennett and researchers from the School of Scottish Studies at Edinburgh University. This expanded edition includes a large amount of new material. The result is a detailed and comprehensive picture of social behaviour in Scotland over the last 400 years. The book is divided into three sections, each

covering a stage in the cycle of life Childbirth and infancy Love courtship and marriage Death The first edition was originally published by Polygon and was joint runner up of the 1993 Katharine Briggs Folklore Award

Reminiscences of the Royal Burgh of Haddington and Old East Lothian Agriculturists John Martine, 2024-02-10 Reprint of the original first published in 1883

The New History of Orkney William P. L. Thomson, 2008 For much of its history Orkney had its own language culture and institutions The prehistoric inhabitants created monuments which are unmatched anywhere in Europe and the medieval period saw the magnificent earldom that expressed itself through the Orkneyinga Saga and the building of St Magnus Cathedral in Kirkwall Like Shetland Orkney was heavily influenced by Viking traders and raiders from Scandinavia and for a long period it formed an outlying part of the kingdom of Norway Over 500 years ago however the islands lost their Scandinavian links and since then have had a sometimes difficult association with mainland Scotland More recent times have seen the use of Orkney as a strategic stronghold during two world wars and the far reaching impact of oil and gas exploitation in the North Sea This classic book covers the whole fascinating story and will be of interest to readers far beyond the rocky shores of Orkney itself

Scottish Fairy Belief Lizanne Henderson, Edward J. Cowan, 2001 The authorities told folk what they ought to believe but what did they really believe Throughout Scottish history people have believed in fairies They were a part of everyday life as real as the sunrise and as incontrovertible as the existence of God While fairy belief was only a fragment of a much larger complex the implications of studying this belief tradition are potentially vast revealing some understanding of the worldview of the people of past centuries This book the first modern study of the subject examines the history and nature of fairy belief the major themes and motifs the demonising attack upon the tradition and the attempted reinstatement of the reality of fairies at the end of the seventeenth century as well as their place in ballads and in Scottish literature

Thank you very much for downloading **Reminiscences Of An Orkney Parish**. Maybe you have knowledge that, people have look numerous times for their favorite novels like this Reminiscences Of An Orkney Parish, but end up in malicious downloads.
