Futures of the Contemporary Paulo de Assis ,Michael Schwab,2019-07-15 Transdisciplinary approaches to the notions of the contemporary and contemporaneity Futures of the Contemporary explores different notions and manifestations of the contemporary in music visual arts art theory and philosophy In particular the authors in this collection of essays scrutinise the role of artistic research in critical and creative expressions of contemporaneity When distinguished from the contemporaneous of a given historical time the contemporary becomes a crucial concept promoting or excluding objects and practices according to their ability to diagnose previously unnoticed aspects of the present In this sense the contemporary gains a critical function involving particular modes of relating to history and one s own time Written by major experts from fields such as music performance composition art theory visual arts art history critical studies and philosophy this book offers challenging perspectives on contemporary art practices the temporality of artistic works and phenomena and new modes of problematising the production of art and its public apprehension Contributors Andrew Prior University of Plymouth Babette Babich Fordham University Geoff Cox Fine Art at Plymouth University Aarhus University Heiner Goebbels Justus Liebig University Jacob Lund Aarhus University Michael Schwab Orpheus Institute Pal Capdevila Autonomous University of Barcelona Paulo de Assis Orpheus Institute Peter Osborne Kingston University London Ryan Nolan University of Plymouth Zsuzsa Baross Trent University

The Philosophy and Art of Wang Guangyi Tiziana Andina, Erica Onnis, 2019-06-13 Wang Guangyi one of the stars of the new wave of Chinese art has artistically addressed major philosophical trends in Western philosophy while drawing on Taoism Marxism and Maoism By bringing together a team of experts in the philosophy of art to discuss his work The Philosophy and Art of Wang Guangyi presents the first philosophical exploration of Wang s art his thought and his analysis of Chinese society From his use of words in images to his reference to the classics of Western painting contributors set Wang s work against key questions in contemporary art As well as answering what makes the language of pop art successful they examine whether art and its history have come to an end as Hegel posited and if it is possible or even necessary to rework a new narrative for the history of contemporary art The Philosophy and Art of Wang Guangyi marks an important contribution to understanding the background work and ideas of a 21st century political artist outside the West

Afrosonic Life Mark V. Campbell, 2022-02-24 Afrosonic Life explores the role sonic innovations in the African diaspora play in articulating methodologies for living the afterlife of slavery Developing and extending debates on Afrosonic cultures the book attends to the ways in which the acts of technological subversion experimentation and production complement and interrupt the intellectual project of modernity Music making processes such as dub turntablism hip hop dj techniques and the remix innovate methods of expressing subjecthoods beyond the dominant language of Western Man and

the market These sonic innovations utilize sound as a methodology to institute a rehumanizing subjectivity in which sound dislodges the hierarchical ordering of racial schemas Afrosonic Life is invested in excavating and elaborating the nuanced and novel ways of music making and sound creation found in the African diaspora **Canadian Art** ,2002 *Remediating Sound* Holly Rogers,Joana Freitas,João Francisco Porfírio,2023-09-07 *Remediating Sound* studies the phenomena of remixing mashup and recomposition forms of reuse and sampling that have come to characterise much of YouTube s audiovisual content Through collaborative composition collage and cover songs to reaction videos and political activism users from diverse backgrounds have embraced the democratised space of YouTube to open up new and innovative forms of sonic creativity and push the boundaries of audiovisual possibilities Observing the reciprocal flow of influence that runs between various online platforms 12 chapters position YouTube as a central hub for the exploration of digital sound music and the moving image With special focus on aspects of networked creativity that remain overlooked in contemporary scholarship including library music memetic media artificial intelligence the sonic arts and music fandom this volume offers interdisciplinary insight into contemporary audiovisual culture *The Digital Plenitude* Jay David Bolter,2019-05-07 How the creative abundance of today s media culture was made possible by the decline of elitism in the arts and the rise of digital media Media culture today encompasses a universe of forms websites video games blogs books films television and radio programs magazines and more and a multitude of practices that include making remixing sharing and critiquing This multiplicity is so vast that it cannot be comprehended as a whole In this book Jay David Bolter traces the roots of our media multiverse to two developments in the second half of the twentieth century the decline of elite art and the rise of digital media Bolter explains that we no longer have a collective belief in Culture with a capital C The hierarchies that ranked for example classical music as more important than pop literary novels as more worthy than comic books and television and movies as unserious have broken down The art formerly known as high takes its place in the media plenitude The elite culture of the twentieth century has left its mark on our current media landscape in the form of what Bolter calls popular modernism Meanwhile new forms of digital media have emerged and magnified these changes offering new platforms for communication and expression Bolter outlines a series of dichotomies that characterize our current media culture catharsis and flow the continuous rhythm of digital experience remix fueled by the internet s vast resources for sampling and mixing and originality history not replayable and simulation endlessly replayable and social media and coherent politics *Global Popular Music* Clarence Bernard Henry,2024-11-19 *Global Popular Music A Research and Information Guide* offers an essential annotated bibliography of scholarship on popular music around the world in a two volume set Featuring a broad range of subjects people cultures and geographic areas and spanning musical genres such as traditional folk jazz rock reggae samba rai punk hip hop and many more this guide highlights different approaches and discussions within global popular music research This research guide is comprehensive in scope providing a vital resource for scholars and students
