Family Support**

Removing Risk From Children Strengthening Communitybased Services For Africanamerican Families:

Strategies for Deconstructing Racism in the Health and Human Services Alma Carten, Alan Siskind, Mary Pender Greene, 2016-06-07 Building on the successful outcomes of a five year initiative undertaken in New York City Alma Carten Alan Siskind and Mary Pender Greene bring together a national roster of leading practitioners scholars and advocates who draw upon extensive practice experiences and original research Together they offer a range of strategies with a high potential for creating the critical mass for change that is essential to transforming the nation s health and human services systems Strategies for Deconstructing Racism in the Health and Human Services closes the gap in the literature examining the role of interpersonal bias structural racism and institutional racism that diminish service access and serve as the root cause for the persistence of disparate racial and ethnic outcomes observed in the nation s health and human services systems The one of a kind text is especially relevant today as population trends are dramatically changing the nation s demographic and cultural landscape while funds for the health and human services diminish and demands for culturally relevant evidence based interventions increase The book is an invaluable resource for service providers and educational institutions that play a central role in the education and preparation of the health and human service workforce *Improving the Child Welfare System* United States. Congress. House. Committee on Ways and Means. Subcommittee on Income Security and Family Support, 2009 *African American Children and Families in Child Welfare* Ramona Denby, Carla M. Curtis, 2013-10-22 This text proposes corrective action to improve the institutional care of African American children and their families calling attention to the specific needs of this population and the historical social and political factors that have shaped its experience within the child welfare system The authors critique policy and research and suggest culturally targeted program and policy responses for more positive outcomes *Improving Child Care Services* United States. Congress. House. Select Committee on Children, Youth, and Families, 1985 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *Improving the Well-being of Abused and Neglected Children* United States. Congress. Senate. Committee on Labor and Human Resources, 1996 Distributed to some depository libraries in microfiche *Improving the Well-Being of Abused and Neglected Children* Mike DeWine, 1998-06 Presents the proceedings of the Nov 1996 hearing before the Committee on Labor and Human Resources U S Senate which explored how the well being of abused and neglected children can be improved through clarifying the reasonable efforts requirement of the Adoption Assistance and Child Welfare Act to make the child s health and safety the primary concern Testimony and statements are included from Mike DeWine U S Senator from Ohio Olivia Golden Acting Assistant Secretary for Children and Families U S Dept of Health and Human Services and representatives from other child and family service organizations **After the Cradle Falls** Melissa Jonson-Reid, Brett Drake, 2018 This book integrates examples from folklore songs and news articles with strong attention to empirical research to create an accessible and engaging work intended to provoke the reader to think about how

to address the issue of child abuse and neglect in America **Funding for Federal Foster Care Initiatives in the District of Columbia** United States. Congress. Senate. Committee on Appropriations. Subcommittee on District of Columbia, 2006 Handbook of Child Maltreatment Richard D. Krugman, Jill E. Korbin, 2022-02-22 The second edition of this successful handbook edited by well known experts in this field includes core questions in the field of child abuse and neglect It addresses major challenges in child maltreatment work starting with What is child abuse and neglect and then examines why maltreatment occurs and what are its consequences The handbook also addresses prevention intervention investigation treatment as well as civil and criminal legal perspectives It comprehensively studies the issue from the perspective of a broader international and cross cultural human experience Apart from a thorough revision of existing chapters this edition includes many new chapters covering recent developments in this area and other issues not covered in the first edition There is more focus on substance abuse psychological abuse and on social and community involvement and public health provisions in the prevention of child maltreatment The handbook examines what is known now and more importantly what remains to be researched in the coming decades to help abused and neglected children their families and their communities thereby taking the field forward *Evaluation Research in Child Welfare* Katharine Briar-Lawson, Joan Levy Zlotnik, 2018-10-24 Since the 1980s child welfare agencies and social work programs in more than 40 states have come together to address recruitment and retention issues by preparing social work students for child welfare practice and to enhance the delivery of child welfare services This book documents the outcomes of these partnerships to help you assess their value and sustainability Evaluation Research in Child Welfare Improving Outcomes Through University Public Agency Partnerships is a critical examination of the diverse outcomes and strategies for assessing them of university public child welfare agency partnerships designed to prepare social work students for public child welfare practice This informative book addresses outcomes of these specialized training efforts which were supported by federal Title IV E and Title IV B Section 426 funds Special attention is paid to programs addressing diversity and cultural competence through staff development The book follows the process of tracking the career paths of students in several states large and small rural and urban as well as cross state collaborations that include university agency consumer and student partnerships From the Editors Rising drug problems such as crack and cocaine addiction along with co occurring challenges such as poverty domestic violence and mental health issues have helped to reinforce the need to have the most effective services delivered by the most well prepared staff Moreover such challenges compel the most relevant scientifically based approaches requiring a closer connection of public child welfare systems to social work education programs and related academic disciplines The articles featured in this book serve as progress markers for this re professionalization initiative They constitute snapshots of some of the current progress in workforce development including social work based education training and capacity building in public child welfare They also reflect social work public child welfare partnerships and the lessons that are being learned

when the research educational and service resources of schools of social work are harnessed to build a better trained work force that can provide improved services In this informative book you ll find a national overview of historical efforts to promote professional social work practice in child welfare as well as examinations of special challenges presented by privatized systems curricula and agencies training opportunities that grow from research partnerships the importance and impact of racial and ethnic diversity for future social workers the cultural competency needs of BSW and MSW students the differing cultural perspectives of universities and agencies which must be bridged to create successful partnerships the benefits of these partnerships in terms of outcomes for students clients agencies and social work education programs
