Roman Laughter The Comedy Of Plautus

Maria Gerolemou

Roman Laughter The Comedy Of Plautus:

Roman Laughter Erich Segal, 1987-05-21 We certainly need in English a book devoted to Plautus alone and here we have it Phoenix This reissue of virtually the only book in English devoted to the work of the Roman comedy writer Plautus c 254 184 BC includes a new preface and additional appendices covering the plays *Amphitryon* and *Captivi* **Roman Laughter;**

the Comedy of Plautus [by] Erich Segal Erich Segal, **Paul's Declaration of Freedom from a Freed Slave's Perspective** Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul's theology of Christian freedom they have not considered how Paul's declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves's perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well **The Mind of the Master Class** Elizabeth Fox-Genovese, Eugene D.

Genovese, 2005-10-17 *The Mind of the Master Class* tells of America's greatest historical tragedy A great many of the slaveholding men and women were intelligent honorable and pious yet these very people admirable in so many ways presided over a social system that proved itself an enormity and inflicted horrors on their slaves Even now there is much to be learned from their moral and political reflections on their times and ours *Laughter in Ancient Rome* Mary Beard, 2024-03-05 What made the Romans laugh Was ancient Rome a carnival filled with practical jokes and hearty chuckles Or was it a carefully regulated culture in which the uncontrollable excess of laughter was a force to fear a world of wit irony and knowing smiles How did Romans make sense of laughter What role did it play in the world of the law courts the imperial palace or the spectacles of the arena *Laughter in Ancient Rome* explores one of the most intriguing but also trickiest of historical subjects Drawing on a wide range of Roman writing from essays on rhetoric to a surviving Roman joke book Mary Beard tracks down the giggles smirks and guffaws of the ancient Romans themselves From ancient monkey business to the role of a chuckle in a culture of tyranny she explores Roman humor from the hilarious to the momentous to the surprising But she also reflects on even bigger historical questions What kind of history of laughter can we possibly tell Can we ever really get the Romans jokes

The Oxford Handbook of Shakespearean Comedy Heather Hirschfeld, 2018-09-06 *The Oxford Handbook of Shakespearean Comedy* offers critical and contemporary resources for studying Shakespeare's comic enterprises It engages with perennial yet still urgent questions raised by the comedies and looks at them from a range of new perspectives that represent the most recent methodological approaches to Shakespeare genre and early modern drama Several chapters take up firmly established topics of inquiry such as Shakespeare's source materials gender and sexuality hetero and homoerotic desire race and religion and they reformulate these topics in the materialist formalist phenomenological or revisionist terms of current

scholarship and critical debate Others explore subjects that have only relatively recently become pressing concerns for sustained scholarly interrogation such as ecology cross species interaction and humoral theory Some contributions informed by increasingly sophisticated approaches to the material conditions and embodied experience of theatrical practice speak to a resurgence of interest in performance from Shakespeare's period through the first decades of the twenty first century Others still investigate distinct sets of plays from unexpected and often polemical angles noting connections between the comedies under inventive unpredicted banners such as the theology of adultery early modern pedagogy global exploration or monarchical rule The Handbook situates these approaches against the long history of criticism and provides a valuable overview of the most up to date work in the field

Slaves, Masters, and the Art of Authority in Plautine Comedy

Kathleen McCarthy, 2009-01-10 What pleasures did Plautus' heroic tricksters provide their original audience How should we understand the compelling mix of rebellion and social conservatism that Plautus offers Through a close reading of four plays representing the full range of his work *Menaechmi* *Casina* *Persa* and *Captivi* Kathleen McCarthy develops an innovative model of Plautine comedy and its social effects She concentrates on how the plays are shaped by the interaction of two comic modes the socially conservative mode of naturalism and the potentially subversive mode of farce It is precisely this balance of the naturalistic and the farcical that allows everyone in the audience especially those well placed in the social hierarchy to identify both with and against the rebel to feel both the thrill of being a clever underdog and the complacency of being a securely ensconced authority figure Basing her interpretation on the workings of farce and naturalism in Plautine comedy McCarthy finds a way to understand the plays' patchwork literary style as well as their protean social effects Beyond this she raises important questions about popular literature and performance not only on ancient Roman stages but in cultures far from Plautus' Rome How and why do people identify with the fictional figures of social subordinates How do stock characters happy endings and other conventions operate How does comedy simultaneously upset and uphold social hierarchies Scholars interested in Plautine theater will be rewarded by the detailed analyses of the plays while those more broadly interested in social and cultural history will find much that is useful in McCarthy's new way of grasping the elusive ideological effects of comedy

A Cultural History of Comedy in Antiquity Michael Ewans, 2021-12-30 Drawing together contributions from scholars in a wide range of fields inside Classics and Drama this volume traces the development of comedic performance and examines the different characteristics of Greek and Roman comedy Although the origins of comedy are obscure this study argues that comedic performances were at the heart of Graeco Roman culture from around 486 BCE to the mid first century BCE It explores the range of comedies during this period which were fictional dramas that engaged with the political and social concerns of ancient society and also at times with mythology and tragedy The volume centres largely around the surviving work of Aristophanes and Menander in Athens and Plautus and Terence in Rome but authors whose plays survive only in fragments are also discussed Performances and plays drew on a range of forms including satire and fantasy and were

designed to entertain and amuse their audiences while also asking them to question issues of morality privilege and class Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to ancient comedy add up to an extensive synoptic coverage of the subject

Slavery in Early Christianity Jennifer A. Glancy, 2002-03-14 Slavery was widespread throughout the Mediterranean lands where Christianity was born and developed Though Christians were both slaves and slaveholders there has been surprisingly little study of what early Christians thought about the realities of slavery How did they reconcile slavery with the Gospel teachings of brotherhood and charity Slaves were considered the sexual property of their owners what was the status within the Church of enslaved women and young male slaves who were their owners sexual playthings Is there any reason to believe that Christians shied away from the use of corporal punishments so common among ancient slave owners Jennifer A Glancy brings a multilayered approach to these and many other issues offering a comprehensive re examination of the evidence pertaining to slavery in early Christianity Drawing on a wide variety of sources Glancy situates early Christian slavery in its broader cultural setting She argues that scholars have consistently underestimated the pervasive impact of slavery on the institutional structures ideologies and practices of the early churches and of individual Christians The churches she shows grew to maturity with the assumption that slaveholding was the norm and welcomed both slaves and slaveholders as members Glancy draws attention to the importance of the body in the thought and practice of ancient slavery To be a slave was to be a body subject to coercion and violation with no rights to corporeal integrity or privacy Even early Christians who held that true slavery was spiritual in nature relied ultimately on bodily metaphors to express this Slavery Glancy demonstrates was an essential feature of both the physical and metaphysical worlds of early Christianity The first book devoted to the early Christian ideology and practice of slavery this work sheds new light on the world of the ancient Mediterranean and on the development of the early Church

Recognizing Miracles in Antiquity and Beyond Maria Gerolemou, 2018-04-23 In recent years scholars have extensively explored the function of the miraculous and wondrous in ancient narratives mostly pondering on how ancient authors view wondrous accounts i e the treatment of the descriptions of wondrous occurrences as true events or their use More precisely these narratives investigate whether the wondrous pursues a display of erudition or merely provides stylistic variety sometimes such narratives even represent the wish of the author to grant a rational explanation to extraordinary actions At present however two aspects of the topic have not been fully examined a the ability of the wondrous miraculous to set cognitive mechanisms in motion and b the power of the wondrous miraculous to contribute to the construction of an authorial identity that of kings gods or narrators To this extent the volume approaches miracles and wonders as counter intuitive phenomena beyond cognitive grasp which challenge the authenticity of human experience and knowledge and push forward the frontiers of intellectual and aesthetic experience Some of the articles of the volume examine miracles on the basis of bewilderment that could lead to new factual knowledge the

supernatural is here registered as something natural although strange the rest of the articles treat miracles as an endpoint where human knowledge stops and the unknown divine begins here the supernatural is confirmed Thence questions like whether the experience of a miracle or wonder as a counter intuitive phenomenon could be part of long term memory i e if miracles could be transformed into solid knowledge and what mental functions are encompassed in this process are central in the discussion

The Eternal City Ferdinand Addis,2018-11-06 The magnificent and definitive history of the Eternal City narrated by a master historian Why does Rome continue to exert a hold on our imagination How did the Caput mundi come to play such a critical role in the development of Western civilization Ferdinand Addis addresses these questions by tracing the history of the Eternal City told through the dramatic key moments in its history from the mythic founding of Rome in 753 BC via such landmarks as the murder of Caesar in 44 BC the coronation of Charlemagne in AD 800 and the reinvention of the imperial ideal the painting of the Sistine chapel the trial of Galileo Mussolini's March on Rome of 1922 the release of Fellini's *La Dolce Vita* in 1960 and the Occupy riots of 2011 City of the Seven Hills spiritual home of Catholic Christianity city of the artistic imagination enduring symbol of our common European heritage Rome has inspired charmed and tempted empire builders dreamers writers and travelers across the twenty seven centuries of its existence Ferdinand Addis tells this rich story in a grand narrative style for a new generation of readers

A Handbook to the Reception of Greek Drama Betine van Zyl Smit,2016-02-29 A Handbook to the Reception of Greek Drama offers a series of original essays that represent a comprehensive overview of the global reception of ancient Greek tragedies and comedies from antiquity to the present day Represents the first volume to offer a complete overview of the reception of ancient drama from antiquity to the present Covers the translation transmission performance production and adaptation of Greek tragedy from the time the plays were first created in ancient Athens through the 21st century Features overviews of the history of the reception of Greek drama in most countries of the world Includes chapters covering the reception of Greek drama in modern opera and film

Greeks and Romans on the Latin American Stage Rosa Andújar,Konstantinos P. Nikoloutsos,2020-01-09 The first comprehensive treatment in English of the rich and varied afterlife of classical drama across Latin America this volume explores the myriad ways in which ancient Greek and Roman texts have been adapted invoked and re worked in notable modern theatrical works across North and South America and the Caribbean while also paying particular attention to the national and local context of each play A comprehensive introduction provides a critical overview of the varying issues and complexities that arise when studying the afterlife of the European classics in the theatrical stages across this diverse and vast region Fourteen chapters divided into three general geographical sub regions Southern Cone Brazil and the Caribbean and North America present a strong connection to an ancient dramatic source text as well as comment upon important socio political crises in the modern history of Latin America The diversity and expertise of the voices in this volume translate into a multi ranging approach to the topic that encompasses a variety of theoretical and interdisciplinary perspectives from classics Latin American studies

and theatre and performance studies *Terence and Interpretation* Sophia Papaioannou, 2014-10-16 PIERIDES IV This volume examines interpretation as the original process of critical reception vis a vis Terence's experimental comedies The book which consists of two parts looks at Terence as both an agent and a subject of interpretation The First Part Terence as Interpreter examines Terence as an interpreter of earlier literary traditions both Greek and Roman The Second Part Interpretations of Terence identifies and explores different expressions of the critical reception of Terence's output The papers in both sections illustrate the various expressions of originality and individual creative genius that the process of interpretation entails The volume at hand is the first study to focus not only on the interpreter but also on the continuity and evolution of the principles of interpretation In this way it directs the focus from Terence's work to the meaning of Terence's work in relation to his predecessors the past literary tradition his contemporaries his literary antagonists but also his audience and posterity his critical readers across the centuries **A Companion to Terence** Antony Augoustakis, Ariana Traill, 2013-05-03 A comprehensive collection of essays by leading scholars in the field that address in a single volume several key issues in interpreting Terence offering a detailed study of Terence's plays and situating them in their socio-historical context as well as documenting their reception through to present day The first comprehensive collection of essays on Terence in English by leading scholars in the field Covers a range of topics including both traditional and modern concerns of gender race and reception Features a wide-ranging but interconnected series of essays that offer new perspectives in interpreting Terence Includes an introduction discussing the life of Terence its impact on subsequent studies of the poet and the question of his ethnicity *A Cultural History of Theatre in Antiquity* Martin Revermann, 2019-08-08 Theatre was at the very heart of culture in Graeco-Roman civilizations and its influence permeated across social and class boundaries The theatrical genres of tragedy comedy satyr play mime and pantomime operate in Antiquity alongside the conception of theatre as both an entertainment for the masses and a vehicle for intellectual political and artistic expression Drawing together contributions from scholars in Classics and Theatre Studies this volume uniquely examines the Greek and Roman cultural spheres in conjunction with one another rather than in isolation Each chapter takes a different theme as its focus institutional frameworks social functions sexuality and gender the environment of theatre circulation interpretations communities of production repertoire and genres technologies of performance and knowledge transmission **Reading Republican Oratory** Christa Gray, Andrea Balbo, Richard Mark Arthur Marshall, C. E. W. Steel, 2018 Public speech was a key aspect of politics in Republican Rome yet the partial nature of the available evidence means that our understanding of its workings is dominated by one man Cicero This volume explores the oratory of the Roman Republic as practiced by individuals other than Cicero focusing on the surviving fragments of such oratory **Fifty Key Classical Authors** Alison Sharrock, Rhiannon Ashley, 2013-04-15 A chronological guide to influential Greek and Roman writers Fifty Key Classical Authors is an invaluable introduction to the literature philosophy and history of the ancient world Including essays on Sappho

Polybius and Lucan as well as on major figures such as Homer Plato Catullus and Cicero this book is a vital tool for all students of classical civilization

Theatre in Ancient Greek Society J. R. Green, 2013-04-15 In *Theatre in Ancient Greek Society* the author examines the social setting and function of ancient Greek theatre through the thousand years of its performance history Instead of using written sources which were intended only for a small educated section of the population he draws most of his evidence from a wide range of archaeological material from cheap mass produced vases and figurines to elegant silverware produced for the dining tables of the wealthy This is the first study examining the function and impact of the theatre in ancient Greek society by employing an archaeological approach

The Oxford Companion to Theatre and Performance Dennis Kennedy, 2010-08-26 An authoritative reference covering primarily actors playwrights directors styles and movements companies and organizations

Roman Laughter The Comedy Of Plautus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roman Laughter The Comedy Of Plautus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roman Laughter The Comedy Of Plautus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Roman Laughter The Comedy Of Plautus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Roman Laughter The Comedy Of Plautus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Roman Laughter The Comedy Of Plautus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Roman Laughter The Comedy Of Plautus Books
