## **Second Coming 1998 Edgar Cayce Earth Change Prophecy:**

The Second Coming 1998 Kirk Nelson, 1998 When will Jesus return to Earth Author Kirk Nelson has discovered amazing parallels among the descriptions of Jesus return in the Bible the Edgar Cayce readings the Dead Sea Scrolls the Hopi Indians prophecies and the quatrains of Nostradamus This book reveals possible world events and includes exciting news about the evolution of the human race to a higher state of consciousness *A History of the Apocalypse* Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history *Secret Chamber Revisited* Robert Bauval, 2014-10-09 A firsthand behind the scene account of the controversies surrounding modern explorations at Giza Investigates the recent scandals at Giza and claims of secret excavations and tunneling inside the Great Pyramid Reveals the historical evidence in support of secret chambers in the Great Pyramid and beneath the Great Sphinx Exposes the secret agendas behind the latest explorations on the Giza plateau Since 1993 Robert Bauval has been embroiled in the many controversies involving the search for the lost treasures of the pyramid builders and the quest for the legendary Hall of Records of Atlantis The strange but true story that he unfolds implicates American business moguls the prestigious National Geographic Society several Ivy League universities the Edgar Cayce Foundation the Freemasons Christian fundamentalists Zionists and the Egyptian government In this fully updated edition of *Secret Chamber* including new color photographs Robert Bauval pursues his in depth investigation of clandestine events at Giza and the role played by the controversial ex Minister of Antiquities Dr Zahi Hawass What lies behind the mysterious doors at the end of the star shafts in the Great Pyramid What do the mysterious inscriptions found behind the Gantenbrink door mean What is the real purpose of the Relief Chambers and the red ochre graffiti in them Who is behind the secretly tunneling and excavating in these chambers and why Is there really a hidden Hall of Records from Atlantis beneath the Great Sphinx Is the Great Pyramid just a tomb or does it serve a higher purpose involving a lost science of immortality Why do the ancient texts ascribe the Pyramid s design to the supreme god of wisdom Thoth the writer of the fabled Books of Hermes Will the Great Pyramid prove to be the missing link to our true origins or a metaphysical machine to access the world beyond Providing a firsthand account of the strange events that have taken place at the Giza plateau in the last three decades Bauval reveals the hidden agendas behind these events and raises important

questions about the meaning of Egypt's ancient structures and the very origins of civilization      **Tipping Point for a Hollow Earth: How Asimov and Sagan Backed My Prophecy of a Polar Hole Shift to Europe** Ruth Leedy Carr, 2025-05-14

An approaching Earth axis shift is the most pressing issue of our time and yet scientists have said almost nothing about it and the public is woefully ignorant You will see here why scientists have had so little to say about this coming disaster and also about the growing instability of hollow Mars The pictures of a lighted polar hole on the night side of Mars lighted by an internal sun will shock you The refusal of NASA to say one word about that night side light in response to a congressman's request is truly mystifying The willingness of all news media to sweep this issue under the rug must be seen as a betrayal of the first order Are we all lambs meekly heading for slaughter Isaac Asimov and Carl Sagan have provided a path that can lead us beyond the dismal future that has been marked out for us We are so lucky that they never gave up on us About the Author Ruth Leedy Carr gained some practice at science reporting while studying journalism at Indiana University Her second major was psychology and sociology also interested her and so the careful reporting of facts was central to almost all her college studies She began researching the cataclysmic prophecies of Edgar Cayce in relation to the hollow Earth theory in 1980 Her books of 1981 and 1983 were republished by Gray Barker of Saucerian Press who was the first publisher of Raymond Bernard's classic *The Hollow Earth* She was proclaimed by noted UFO researcher William L Moore to be the world's foremost proponent of the hollow Earth theory      *Implosion!!!* Melvia F. Miller, 2005      Prophetic Visions of the Future Diane Stein, 2011-11-09 We all want to know what will happen to the earth and to those who come after us our children and our grandchildren Diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings This is the time Diane avers for women to define what needs to be changed and begin to do the work By women's power of thought and creation we together can make a better world      *God Descends on Earth* Sanjay Kant, 2003-12-12 An Exposition Of The Prophecies Of Nostradamus Concerning Sathya Sai Baba Referenced With Extracts From Discourses Given By Sai Baba And Interleaved With The Prophecies From Edgar Cayce Sri Aurobindo And A Noted Indian Astrologer Thrilling      **The Stargate Conspiracy** Lynn Picknett, 2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it      *Millennium Prophecies* Mark Thurston, 1997 Examines the process used by Edgar Cayce to receive his visionary

insights and his millennium prophecies plus his links to the prophecies of Nostradamus Reissue Earth's Catastrophic Past and Future William Hutton, Jonathan Eagle, 2004-08 Edgar Cayce America's best documented psychic gave upwards of 44 readings that dealt with lost continents geophysical changes to Earth beginning 1958 1998 and a pole shift due to begin about now In this book geologist William Hutton and researcher Jonathan Eagle look for correspondences between results of geophysical research studies and psychic descriptions of prehistoric catastrophes They also seek scientifically to test readings predictions of catastrophic Earth changes all the while investigating the following fascinating subjects Development and calibration of a comprehensive pole shift model The countries predicted to be most affected by a sudden 1 pole shift The geologic trend for a mineralized gold vein at Bimini Bahamas The authors discoveries of correlations between a 2002 arctic earthquake and the eruption of torrid area volcanoes the dropping of atom bombs in 1945 and a significant increase in sunspots following and the peaceable nature of Europe in 1645 1715 and the period's near total lack of sunspots Cayce readings implied or predicted all three phenomena The first ever analysis of the sources of Cayce's channeled readings including a ranking of the veracity and reliability of the most important Earth changes and pole shift readings Moralistic reasons for future catastrophic geophysical changes to Japan China and America Locations of post pole shift safety lands in Canada and America Locations of the records of the Atlantean civilization to be found when Earth changes begin How to awaken to the New Cycle presently opening before humanity Evidence for Atlantis in the mid Atlantic ridge area and for Lemuria or Mu in the Pacific The consuming religious war in which we find ourselves and an answer to world conditions today Visions of an imminent Age ending fire as found in a Cayce reading in a channeled book by Phyllos the Tibetan and in the 1960s visions of girls at Garabandal Spain Doubtful interpretations of Earth changes and pole shift readings advanced by managers and writers of Cayce's legacy organization the Association for Research and Enlightenment Inc From the Foreword by the Editor The acid test of pole shift and other Earth change predictions is their scientific credibility If true momentous societal and political changes are imminent The geopolitical map of the world will be redrawn The authors are exploring the transition from the end of one Age to the beginning of another The Essential Edgar Cayce Mark Thurston, 2004-07-08 A complete guide to the work of the remarkable twentieth century seer Edgar Cayce featuring Cayce's most intriguing and influential readings and a biographical introduction to his life Edgar Cayce is one of the most mysterious men of the twentieth century Sometimes called The Sleeping Prophet he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning The core of his life's work was actually being an intuitive healer and Christian mystic More than one hundred books have been written about his teachings and his life story Yet no book has combined insightful commentary with lengthy verbatim selections of the full range of his contribution to holistic healing practical spirituality and the psychology of the soul The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement as well as the contemporary popular

approach to spirituality that weaves together the best of Eastern and Western religious traditions The book s substantial introduction frames Cayce and his life s work and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer s most significant readings Here is a truly integral portrait of the life and work of one of the twentieth century s most fascinating spiritual figures      **Forthcoming Books** Rose Army,1998-04
