Second Coming Of Lucy Hatch A Novel:

The Second Coming of Lucy Hatch Marsha Moyer, 2003-05-27 I was thirty three years old when my husband walked out into a field one morning and never came back and I went in one quick leap from wife to widow Lucy Hatch never expected more of life than to spend it on an East Texas farm with her silent and stoic husband Mitchell Now that the curtain has abruptly come down she's back where it all started in tiny Mooney living in a rundown old house perched on the edge of nowhere meaning to carry out her widowhood in the manner of her old maid Aunt Dove in peaceful solitude But life and the folks of Mooney have other plans for Lucy In hardly any time at all she's mortified her entire family And without even trying she's caught the eye of the local handyman Ash Farrell lifting eyebrows and setting tongues wagging Everyone in town it seems thinks the guitar playing lady loving Ash is the wrong choice of company for a brand new widow All Lucy Hatch knows for sure is that she hasn't had much worth remembering in her first thirty three years This is her life after all and for the very first time she intends to live it Marsha Moyer's exhilarating debut is a funny poignant and winsome tale about self discovery and starting over at the beginning and of love popping up in the most unlikely place and time to transform a heart and nourish a soul You're never going to forget Lucy Hatch

Return of the Stardust Cowgirl Marsha Moyer, 2008-02-26 It's sticking around when things get tough that you find out what somebody's worth But I guess you already know that So says Lucy Hatch to her stepdaughter Denny who has run away from her edgling music career in Nashville to escape marriage troubles Now back home in Texas Denny learns that leaving her past behind won't be so simple she's pregnant Lucy is also at a turning point The ower shop where she's worked for years is closing and her husband Ash Farrell is finding that living one day at a time is harder than he thought it would be Everything used to stay the same in the little town of Mooney now big changes are in the air and everyone has to shift their plans to embrace the future As Denny stops running and nally faces the music Lucy works to regain her own footing by helping the man she loves and his Heartwarming funny and distinctly Southern Return of the Stardust Cowgirl explores the joys and sorrows of life in a small town the complexity of love and the bonds that we share only with family
