Second Gift A Study Of Grace:

The Second Gift, a Study of Grace Edward Yarnold, 1974-01-01 Collection of eight lectures on Grace *The Second Gift* Edward J. Yarnold (s.j.), 1974 **Spirit Christology and Trinity in the Theology of David Coffey** Declan O'Byrne, 2010 Studies in Theology Society and Culture invites scholarly contributions to themes including patterns of secularisation postmodern challenges to religion and the relation of faith and culture From a theological perspective it seeks constructive re interpretations of traditional Christian topics including God creation salvation Christology ecclesiology in a way that makes them more credible for today It also welcomes studies on religion and science and on theology and the arts Jonathan Edwards and the Catholic Vision of Salvation Anri Morimoto, 1995 Jonathan Edwards 1703 1758 has been acclaimed as the quintessential puritan of eighteenth century America who defined not only what Puritanism was but also what American Christianity would become Anri Morimoto finds that Edwards s theology once regarded as disarrayed precarious and dangerously unorthodox is in fact consistent and integral to his general ontology and natural philosophy By presenting Edwards s vision of salvation as a dynamic process of sharing God s excellence and holiness Morimoto presents a new paradigm that is radically inclusive yet theologically responsible By discussing Edwards in relation to Roman Catholic traditions Morimoto places him in the context of a broader Christian tradition rather than that of New England Puritanism Morimoto argues that this view of salvation was not new to the Protestant tradition in fact this view was present in Luther Calvin and much of the Reformed tradition but Edwards accented it more clearly and emphatically than anyone else Morimoto concludes that one does not have to surrender or compromise one s theology to promote ecumenical harmony This study will be of interest to scholars teachers and students of theology and religion church leaders and lay persons of all denominations evangelical or liberal and especially those interested in Edwards Puritanism and early American intellectual history The Oxford Dictionary of the Christian Church Frank Leslie Cross, Elizabeth A.
