Second Messiah Templars The Turin Shroud And The Great Secret Of Freemasonry:

The Second Messiah Christopher Knight, 2000

The Second Messiah Christopher Knight, Robert Lomas, 2001-08-01

For almost seven and a half centuries a piece of cloth was venerated because it bore the image of the crucified Christ. However, but results of carbon dating have shown that the fabric could not have predated 1260. Now new evidence conclusively proves that it is not a face yet neither is it the image of Jesus Christ. In the follow up to their groundbreaking first book *The Hiram Key* Christopher Knight and Robert Lomas continue their research into the mysteries of Freemasonry and the true historical Jesus and uncover the precise time and place of the shroud's creation. The answer to the great mystery of the Shroud of Turin will surprise and astonish as the authors unlock the secrets of abandoned Freemason rituals and the man who would be called the Second Messiah.

Sacred Sites of the Knights Templar (Nipb), All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found. These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time. Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites. Who were the people who built these monuments? Why were these stones significant to them? *Sacred Sites of the Knights Templar* examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar. This revolutionary book offers a new explanation for two main subjects: The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events. Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons. The author offers theories regarding these sites, their meanings, their secrets, their lasting impression on the Western World and their sacred symbolic influences on Freemasonry throughout history.

The Turin Shroud Lynn Picknett, Clive Prince, 2007-03-13

Long held to be Jesus' burial garb, the Shroud of Turin has been the most fiercely guarded and oft-debated religious relic in the history of Christianity. These authors contend that the image on the shroud is not Jesus of Nazareth but Leonardo da Vinci. Photos. **The Origins of Freemasonry** Margaret C. Jacob, 2016-10-18. Can the ancestry of Freemasonry really be traced back to the Knights Templar? Is the image of the eye in a triangle on the back of the dollar bill one of its cryptic signs? Is there a conspiracy that stretches through centuries and generations to align this shadow organization and its secret rituals to world governments and religions? Myths persist and abound about the Freemasons. Margaret C. Jacob notes: But what are their origins? How has an early modern organization of bricklayers and stonemasons aroused so much public interest? In *The Origins of Freemasonry* Jacob throws back the veil from a secret society that turns out not to have been very secret at all. What factors contributed to the extraordinarily rapid spread of Freemasonry over the course of the eighteenth century and why were so many of the era's most influential figures drawn to it? Using material from the archives of leading masonic

libraries in Europe Jacob examines masonic almanacs and pocket diaries to get closer to what living as a freemason might have meant on a daily basis She explores the persistent connections between masons and nascent democratic movements as each lodge set up a polity where an individual's standing was meant to be based on merit rather than on birth or wealth and she demonstrates beyond any doubt how active a role women played in the masonic movement **Character Counts**

Michael Glenn Maness,2010-12 **Beware of False Religions & Pagan Traditions Part 2** Helene Fulton,2015-01-11

There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces **Secrets of the Widow's Son** David A. Shugarts,2009-11

Secrets of the Widow's Son is a revealing look at the themes that will be explored in The Solomon Key Dan Brown's upcoming sequel to the cultural phenomenon known as The Da Vinci Code David A Shugarts provides what Brown's widespread admirers crave most an enlightening glimpse into the secrets behind Brown's eagerly anticipated new book Secrets of the Widow's Son is not a plot spoiler rather it is an engaging piece of work that will pique readers interest in The Solomon Key while laying the groundwork for the theories to be explored in Brown's can't miss sequel **The Stone Puzzle of Rosslyn Chapel** Filip Coppens,Philip Coppens,2004

Rosslyn Chapel has fuelled controversy and debate both recently in several best selling books as well as in past centuries Revered by Freemasons as a vital part of their history believed by some to hold evidence of pre Columbian voyages to America assumed by others to hold important relics from the Holy Grail to the Head of Christ the Scottish chapel is a place full of mystery This book will guide you through the theories showing and describing where and what is being discussed what is impossible what is likely and what is fact At the same time the book will virtually guide you around all enigmatic and important aspects of the chapel The history of the chapel its relationship to freemasonry and the family behind the scenes the Sinclairs is brought to life incorporating new forgotten and often unknown evidence Finally the story is placed in the equally enigmatic landscape surrounding the chapel from Templar commanderies to prehistoric markings from an ancient kingly site to the South to Arthur's Seat directly north from the Chapel before its true significance and meaning is finally unveiled that the Chapel was a medieval stone book of esoteric knowledge written by the Sinclair family one of the most powerful and wealthy families in Scotland chosen patrons of Freemasonry History and Mystery: The Complete Eschatological Encyclopedia of Prophecy,

The Hunt For Margaret Thatcher's Assassin Geoffrey Gilson, 2014-05-01 An explosive tale of suspense and drama as the author dodges bullets the CIA and a crazy Israeli Intelligence agent in his real life rollercoaster quest to hunt down the key to the deep dark secret which will rock the

governments of both Great Britain and the United States and trigger the political scandal of the century Pre-Columbian Trans-Oceanic Contact Jerald Fritzinger,2016-03-14 Pre Columbian Trans Oceanic Contact examines the discovery and settlement of The New World hundreds and even thousands of years before Christopher Columbus was born *The Compostela Conspiracy* Paul Robbert Rijkens,2018-04-27 This is an investigative novel that starts by asking the simple but pertinent question since there are no sources whatsoever testifying that the saint or his remains were in Spain then who invented all this and why I became interested in this issue after having read a tiny sentence in the official history book of St James which casually states that the Cathedral of Compostela lost the relics of St James for nearly three hundred years from 1588 to 1879 Lose the most important relics in Christendom I surmised that they didn't lose them because they never had them in the first place That also would despatch the implausible tale of how the saint's remains had travelled by stone vessel steered only by the wind in eight days from Jerusalem to Galicia in Spain in 44 A D Still St James legends gave rise to the largest pilgrimage in European history A riddle indeed Challenged by a publisher I decided to investigate this story not as most historians have namely to accept the Church's version but instead to follow a journalistic approach to search for those who benefitted who had ulterior motives Banking on my business experience and art historical knowledge I hoped to solve this riddle whilst walking part of the route the so called camino between Burgos and Santiago de Compostela In so doing I also aimed to find out why people should want to do this arduous journey today as ca 300 000 annually do It resulted in this travel account and investigative analysis and a very defensible solution to the riddle of St James The Church employed fear to persuade Christians to seek penance and forgiveness at an empty shrine in Spain This exploit I have called a conspiracy A serious accusation but in my view also a defensible claim Once underway something strange happened An English former banker was shot in front of my eyes Whilst this incident is fictional it strangely fits in my fact based investigation of what happened between the 9th to 16th centuries when literally millions upon millions of pilgrims took a year off to visit Compostela The pilgrimage led to a colossal industry and the strange shooting incident pointed me to some of its present day benefactors Knights Templar in Britain Evelyn Lord,2013-12-19 The Knights Templar In Britain examines exactly who became knights what rituals sustained them where the power bases were and how their tentacles spread through the political and economic worlds of Britain before their defeat at the hands of the Inquisition some two hundred years later Founded in the early twelfth century the mysterious Knights Templar rose to be the most powerful military order of the Middle Ages While their campaign in the Middle East and travels are well known their huge influence across the British isles remains virtually uncharted For readers interested in Medieval History **The Temple and the Stone** Katherine Kurtz,Deborah Turner Harris,2016-07-05 During the fight for Scotland's independence the mystical Order of the Knights Templar battles ancient evil and a treacherous king in this gripping alternate history A powerful order of warrior monks forged in the fires of the Crusades during the twelfth century the legendary Knights Templar did not vanish entirely following

their failed campaigns in the Holy Land Having attained great power and arcane skill they withdrew from the public eye but remained hidden in the shadows prepared to do battle against the enemies of Christianity and the adherents of the old malevolent gods Now these noble defenders of the faith recognize Scotland as the next battleground foretold in dreams and visions as legendary Scottish heroes William Braveheart Wallace and Robert the Bruce take up arms against the forces of the English King Edward I in the terrible Anglo Scottish War Charged with establishing their holy fellowship s temple in the disputed land loyal knights Arnault de Saint Clair the French cleric and Torquil Lennox of Scottish birth arrive in the midst of the bloody conflict to help prevent the conquest of Scotland and assure the ascension of its rightful liege But the magical stone upon which every Scottish king must be crowned has been drained of its mystical power and only an extreme sacrifice can revive the magic A perilous endeavor must be undertaken to stem the supernatural evil that is growing amidst the chaos in the land as a powerful Pictish shaman attempts to raise the ancient pagan gods from the darkness to feed on blood and terror Coauthors of the acclaimed Adept historical fantasy series Katherine Kurtz and Deborah Turner Harris imagine an alternate history that will appeal to fans of the occult Scottish history and the fabled Knights Templar
