*Virtue For Victory* Dr.Chandan Nanda,2020-07-30 Book Description What separates the WINNER from the QUITTER What turns LOSERS into LEGENDS What wipes GLOOM and sweeps life with GLORY and GUTS It is the attitude to never give up Not everyone born on Earth is successful Success comes to those who pursue their goal with persistence purpose and dedication They are the ones who can convert their dreams to reality They never give up on their dreams no matter what the odds are Enriched with simple techniques and stories this book is a practical guide to developing the attitude to stay strong confident and committed in the journey towards achieving one s dream Life matters because we exist within and among living things as part of an enduring and incomprehensible chain of existence In one sense this book is a construction manual It describes the tools you will need for success and offers blueprints to help you build a successful and rewarding life In a second sense it is a cookbook It lists the ingredients the principles you will need to follow to become successful and gives you the recipe for mixing them in the correct proportions But above all this is a guidebook a step by step how to book that will take you from dreaming about success to unlocking your potential for success

*The Art of Permanence* Tim Swick,2017-09-25 Mate selection is the second most important decision we make in life This decision determines whether our life will be blessed and full of joy or if it will be a painful calamity If it is a calamity then it will bring disastrous effects on us our mate our children and our extended family and friends Who can best guide us through this decision Parents frequently convey to their children that the only criteria for success in mate selection and marriage are money and education Parents want their children to excel in marriage but they give their children no specialized training or emphasis on preparing their lives and being the kind of person who can secure a godly mate and maintain a permanent lasting relationship I see churches striving to attract youths and young adults to the church I see churches challenging

youths to be exceptional in their faithfulness to Jesus I want to see churches teaching teenagers and young adults to be intimate with one another while maintaining sexual purity I want to see churches teaching youths how to build the skills that will make them an excellent mate and future parent I want to see churches teaching youths and young adults how to find healing for the pains that are destroying their lives I see churches teaching that God demands holiness and I want to see them teaching that holiness is the most enjoyable beneficial and only lifestyle that can and will bring permanence to all of our relationships including marriage
