crusaders saw and participated in the evolution of warfare and the transformation of society from feudal fiefdoms to nations and empires The story of the Crusades is a reminder too of the horrors wrought in the name of religion The Crusades are seen by many Christians today as an exercise in fanaticism an episode in which the teachings of Christ were used to justify the horrors perpetrated on innocents That judgment is accurate but not the whole story The whole story is in these pages

**The Encyclopædia Britannica** Hugh Chisholm, James Louis Garvin, 1926      *The Powerful Women of Outremer* Helena P Schrader, 2024-05-30 In the mild climate of the Mediterranean a rare blossom once bloomed a prosperous urbanised society inhabited by various ethnic and religious groups living harmoniously together for nearly two hundred years At the apex of this society ruled a feudal elite notorious for its wealth and love of luxury It was composed of politically savvy diplomatically adept well educated and multilingual men and women These women played an astonishing and indispensable role in shaping the character of their unique society They were ruling queens independent barons nuns and pilgrims They were merchants and artisans diplomats and spies They were warriors defending besieged cities and the most pitiful victims of conflict as slaves after a defeat While many primary sources readily recorded specific and noteworthy actions taken by individual women there is no comprehensive or systematic description of women s contribution to the life and society of Outremer All we have are fragments of a mosaic badly damaged by time Yet even these remnants have largely been neglected due to the prevailing emphasis on the era s military history The Powerful Women of Outremer redresses that imbalance In a chronological narrative women s contributions to the crusader states are highlighted The book then explores women s societal role in thematic chapters Finally a series of short biographies shine a light on the lives of individual women By piecing together the scattered remnants of the historical mosaic The Powerful Women of Outremer offers readers a clearer understanding of the importance of women to the history of the Near East and a richer picture of the women themselves      [The Complete Works of Walter Savage Landor](#) Walter Savage Landor, 1927      **Dictionary of Military**
