Second Corinthians New Testament Message A Biblicaltheological Commentary:

Critical Companion to the Bible Martin H. Manser, 2014-05-14 Presents selections of literary criticism devoted to the Bible

The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Biblical Theological Investigations into the Righteousness of God Albert J. Coetsee, Francois P. Viljoen, 2024-03-19 Scripture reveals that God has various attributes One of the attributes that Scripture frequently refers to is God's righteousness The attribute of God's righteousness enjoys a lot of scholarly attention in systematic theologies Fewer studies however are devoted to investigating God's righteousness from a Biblical Theological perspective This is exactly what this publication does it provides a number of Biblical Theological investigations into the attribute of God's righteousness by investigating specific verses chapters and corpora from Scripture and indicates how these portray God's righteousness as part of the developing unfolding and progressive storyline of the text This includes research on topics that have not been adequately explored in the past The chapters contained in this volume are written by Old and New Testament scholars and the target audience is fellow Old and New Testament scholars and scholars interested in God's attributes

2 Corinthians V. George Shillington, 1998-04-10 V. George Shillington sees this letter as Paul's personal testimony about his ministry of reconciliation among the Corinthian Christians chapters 1-9 and his ministry in defending the truth of the gospel chapters 10-13 The thread that ties the two parts together is Paul's conviction on pastoral ministry under the banner of Christ Paul insists that ministry is to be borne in affliction like that of Christ crucified In raising the crucified Messiah out of the old creation God has inaugurated a new creation in which believers already participate The only boast allowed is in the Lord not in one's own achievements or elevated experiences

The Oxford Encyclopedia of the Books of the Bible Michael D. Coogan, 2011-12-08 This is the first in this series of specialised reference works each addressing a specific subfield within

Papaioannou,2017-10-27 Pauline studies are in a conundrum The Reformation perspectives championed by great men like Martin Luther and John Calvin have been challenged recently by the rise of the new perspective on Paul The main point of contention seems to be the place of biblical law in salvation While the Reformation perspectives based in part on Paul s apparent attacks on law assert that salvation is a free gift unmerited by human works the new perspective suggests the law is an integral part of the work of salvation It holds that Paul s attacks on the law were focused only on specific aspects of law the so called boundary markers This book while having points of contact with both outlooks takes a different view on Paul and the law Building on Paul s self identification as a Christian and Christian views on the covenant it endeavors to give biblical law its due place in the plan of salvation and the life of the believer **Asian Journal of Pentecostal Studies,**

Volume 20, Number 2 Dave Johnson,2018-11-20 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections **Understanding the Diaconate** W.

Shawn McKnight,2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element Understanding the Diaconate adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass

The New Chosen People, Revised and Expanded Edition William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church

Christ-Oriented Expository Preaching: Kyoochan Lee, 2020-07-24 This book provides an exegetical theological

retorical paradigm the Christ oriented approach Lk 24 27 44 that facilitates accuracy effectiveness and practicality in preaching the New Testament use of the Old In providing a practical expository model and sermon preparation evaluation principles this work moves beyond the level of theory into the realm of praxis and will thus appeal to practitioners as well as to academics **From Babel to AI** Dawn Lewis Sutherland,2025-03-21 From Babel to AI Idolatry Transhumanism and the Crisis of Imago Dei confronts the profound questions of human identity and purpose in an age dominated by technological innovation Drawing from biblical narratives like the Tower of Babel this thought provoking work explores how artificial intelligence transhumanism and other modern advancements echo ancient struggles with idolatry and hubris At its core this book calls readers to rediscover the doctrine of the imago Dei the belief that humanity is created in the image of God as the foundation for addressing the ethical and theological challenges of our time Through compelling analysis and case studies it unpacks the dangers of dehumanizing technologies and offers a robust theological framework for engaging them while safeguarding human dignity and relationality Whether readers are a scholar church leader or thoughtful believer wrestling with the implications of AI and transhumanism From Babel to AI will inspire all to think deeply act faithfully and reclaim humanity s divine purpose in a rapidly changing world **Hermeneutics, Linguistics, and the Bible** Stanley E.

Porter,2024-01-25 The volume presents Stanley E Porter s considered thoughts and reflections on key questions of meaning and context addressing the problems of biblical interpretation and how a close collaboration between hermeneutics and linguistics can help to solve them The chapters display Porter s work in both fields examining how hermeneutics functions as a field in modern biblical studies and how the quest for meaning in biblical texts is underpinned by the study of linguistics The volume focuses on context for understanding the meanings of biblical texts Porter suggests that linguists can learn more from the philosophical questions around meaning that hermeneutics apply in their study of biblical texts and that there is more fruitful work to be done in the field of hermeneutics using insights from linguistics The Price of Partnership in the Letter of Paul to the Philippians Mark A. Jennings,2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul s argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment

to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations

Enter the Story Ferder, Fran ,2014-04-10 In a delightful yet profound reading of the Scriptures Enter the Story opens up the central stories in the Bible and shows how they are alive in us These stories happen over and over again much like a great unfinished symphony in the lives of those of us who look to Scripture for inspiration In this sense the biblical stories are metaphors events that may have occurred long ago among biblical characters but also the same dramas great and small that happen to believers today every day Fran Ferder takes familiar stories from Scripture and shows us what the significant events or feasts in the great Christian story mean and how they continue to unfold in our lives in ways we do not expect These old stories are new stories Unfinished stories They are our stories And when we understand them they can transform our lives

Abingdon New Testament Commentaries | 1 Corinthians Richard A. Horsley,1998 This commentary highlights both the socio political context of 1 Corinthians and the clash of significantly different religious viewpoints represented by Paul and the congregation he had founded in Corinth In particular Richard Horsley shows that this letter provides a window through which one may view the tension between the Corinthians interest in cultivating individual spirituality and the apostle s concern for building up a social religious community devoted to the common advantage for the flourishing both of personal dignity and a humanizing solidarity
