Friedrichstrasse Central Geoff Logan,2020-02-24 *Friedrichstrasse Central* follows on from the previous book *The Legacy of Two Gemini Knights* In the original book fate demands a series of actions to bring about the beginning of the end time Often these demands go in cycles so that when one task is accomplished another step can follow on However these actions are occasionally interrupted by life events or halted because they came too early This happened seven hundred years ago and was only restarted when the Nazi party came to power in Germany in 1933 This is the story of how a number of unsung heroes who went through *Friedrichstrasse Railway Station* tried to progress Fate s demands toward the next level Iva Davies like his predecessor William McBride attempted to find these past elements by traveling to places like Dresden Edinburgh in Scotland and the Greek island of Kastellorizo Accompanied by his older German friend Peter Mauera Berger Iva stumbled across aspects of the Templar treasure the Jerusalem copper scroll and the last imam of Islam All of these pointed to the quest they were searching for However the path to these past secrets was filled with danger and intrigue for Iva Davies And without the help of a rag doll the Black Madonna statue and Solomon s ring he would have likely not survived such an ordeal In the end one can only ask have these actions enhanced the legacy of the Gemini knights and the building of the last temple in Jerusalem Perhaps only the reader can make this judgement for now and only wait until further things are revealed when a future text speaks at the dawn of the end time

Isadore's Secret Mardi Link,2010-04-23 In *Isadore s Secret* Mardi Link shines a journalist s lamp on this dark quiet corner of Michigan s history assuring that the tragic story of Sister Janina is not

forgotten Link's telling is fascinating and thorough making a story you will not soon forget Steve Lehto author of *Death's Door* A gripping account of the mysterious 1907 disappearance of a young nun in a northern Michigan town and the national controversy that followed when she turned up dead and buried in the basement of her own church Swinging planks of lantern light shine through the musty air and onto the dirt floor of the church basement The oddly glowing rectangles syncopate over the damp ground and illuminate even the darkest stooped down corners of the space beyond The only sound is the ragged breathing of two men a young parish priest and a much older laborer Aboveground these men belong completely to this place in both body and soul A glimpse of their faces anywhere in the sanctuary the rectory the school the barn or the gardens would be a welcome sight But here below these men of Isadore are interlopers Only trespassers would sneak silently into the church's sloped underbelly without witness to carry out such a sinful and secret errand as this one Despite their tools and their lantern and their resolve neither is equipped for the task at hand or for what is to come *Mardi Link* a former crime reporter was named Antioch's Betty Crumrine Scholar for Creative Nonfiction in 2007 Her first book *When Evil Came to Good Hart* also published by the University of Michigan Press spent four months on the Heartland Indie Bestseller List This true story was the basis for the Broadway play *The Runner Stumbles* and the film of the same name Front cover Photograph of cemetery John L Russell Great Lakes Images image of face iStockphoto.com duncan1890
