

## Two Secrets You Might Not Know about Creating Emotional Intimacy

# Secret Intimacy

**Cassandra Laity, Nancy K. Gish**

## **Secret Intimacy:**

*Secrets* Jacob Vance, 2014-09-11 In *Secrets Humanism Mysticism and Evangelism in Erasmus of Rotterdam* Bishop Guillaume Bri onnet and Marguerite de Navarre Jacob Vance argues that Erasmus and French Evangelical humanists made secrecy central to their literary thought They revived Scriptural medieval and early Renaissance notions of secrecy in their spiritual and profane literature to advance the reforms in church and society that they advocated Erasmus Bri onnet and Marguerite expanded on Origenian Augustinian and pseudo Dionysian concepts of divine mystery as being secret throughout their works By developing the idea that the divine remains both transcendent and immanent in the world of creation these humanists explored through literature how the human spirit can either accede or fail to accede to the secrets of Christian wisdom *The Congregationalist*, 1913 *Intimacy in Cinema* David Roche, Isabelle Schmitt-Pitiot, 2014-10-03 Though intimacy has been a wide concern in the humanities it has received little critical attention in film studies This collection of new essays investigates both the potential intimacy of cinema as a medium and the possibility of a cinema of intimacy where it is least expected As a notion defined by binaries inside and outside surface and depth public and private self and other intimacy because it implies sharing calls into question the boundaries between these extremes and the border separating mainstream cinema and independent or auteur cinema Following on Thomas Elsaesser s theories of the relationship between the intimacy of cinema and the cinema of intimacy the essays explore intimacy in silent and classic Hollywood movies underground documentary and animation films and contemporary Hollywood British Canadian and Australian cinema from a variety of approaches **Into His Presence** Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God s Trinitarian union the fall God s fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters *Into His Presence* is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture *As If!* Chase Gregory, 2025-07-11 Chase Gregory explores the work of four early queer literary critics arguing that their work productively highlights the difficult relationship between identity and academic authorship

**The 30 Secrets Of Happily Married Couples** Paul Coleman, 2006-01-13 A completely revised and updated blueprint for happier marriages It s better and easier to change your relationship than it is to change your partner Based on Dr Paul Coleman s experience with thousands of couples this groundbreaking guide shows you thirty proven ways to do just that In this comprehensive all new edition Dr Coleman offers fresh insights for a happy marriage such as Don t expect miracles overnight Stop judging and start accepting Tap into the power of small talk Encourage each other s dreams Reduce

conversation killers Eliminate the seven sexual myths With *The 30 Secrets of Happily Married Couples* on your bedside table you can make your marriage stronger and happier whether you've been married for five days or fifty years **Gossip** Joseph Epstein, 2011-11-29 A look at the delights and dangers of gossip from a New York Times bestselling erudite writer gifted with rare insight and a wry sense of humor USA Today Gossip is no trivial matter In this enlightening and entertaining study the author of *Snobbery* takes a look at a human activity that may be looked down upon but nevertheless plays a persistent role in our society and therefore must be taken seriously Joseph Epstein who admits to indulging in this activity himself from time to time serves up mini biographies of history's famous gossips and makes a powerful case that gossip has morphed from its old fashioned best clever mocking a great private pleasure to a corrosive destructive new version thanks to the reach of the mass media and the Internet This is an erudite and witty read from a master observer of humanity's foibles Kirkus Reviews starred review Epstein defines categories of gossip from personal to celebrity workplace and political and discusses how gossip enforces a community's norms or conversely helps foster tolerance In his briskly erudite zestfully original and provokingly enjoyable anatomy of gossip Epstein revels in the risky collusion of gossip within shared worlds and resoundingly condemns media disseminated gossip that diminishes our ability to ascertain or value the truth Booklist *A Secret Intimacy* Charlotte Lamb, 1983 **The Intimate Universal** William Desmond, 2016-11-29 William Desmond sees religion art philosophy and politics as essential and distinctive modes of human practice manifestations of an intimate universality that illuminates individual and social being They are also surprisingly permeable phenomena and by observing their relations Desmond captures notes of a clandestine conversation that transforms ontology **The Lord's Prayer** J. Warren Smith, 2015-03-10 We have all had the experience of being at church and hearing the pastor say And now with the confidence of children we are bold to pray Our Father but before we know it we are saying for Thine is the kingdom and the power and the glory forever Amen In the very moment of intimacy when we are given the privilege of entering the presence of our heavenly Father our minds have drifted off We speak the words of the prayer not from our hearts but from the autopilot of memory This is mere recitation not prayer If in relationships familiarity breeds contempt in the case of the Lord's Prayer familiarity breeds thoughtlessness The Lord's Prayer Confessing the New Covenant is not a Bible study in the traditional sense It challenges us to think about the Lord's Prayer anew by understanding it as a confession of the New Covenant that Christ makes with us when we are made children of God in baptism In hearing these familiar words afresh we learn to remember our baptismal covenant so that we might live more fully into that new relationship with God and with one another **The Eroticization of Distance** Joseph D. Kuzma, 2016-07-26 In *The Eroticization of Distance* Nietzsche Blanchot and the Legacy of Courtly Love Joseph D Kuzma explores the significance of courtly erotic themes in Friedrich Nietzsche's mature philosophy and in Maurice Blanchot's writings of the 1940s and early 1950s Rather than offering an account of erotic relationality that prioritizes reconciliation fulfillment or release Nietzsche attempts to formulate a nonteleological eroticism that aims at nothing but the

perpetual intensification of desire Kuzma suggests that it is Blanchot who carries Nietzsche's courtly erotic tendencies to their most provocative point by highlighting potentials for intimate relationality that might be established through a shared experience of dispossession and loss This first monograph to engage specifically with the theme of eroticism in Blanchot's writings will be of interest not only to students and scholars of Nietzsche Blanchot or French philosophy but also anyone interested in the philosophy of sexuality the history of love theories of the emotions or nineteenth and twentieth century European thought more generally

**Intimacy** Christopher Lauer, 2016-02-25 An important contribution to the burgeoning field of the ethics of recognition this book examines the contradictions inherent in the very concept of intimacy Working with a wide variety of philosophical and literary sources it warns against measuring our relationships against ideal standards since there is no consummate form of intimacy After analyzing ten major ways that we aim to establish intimacy with one another including gift giving touching and fetishes the book concludes that each fails on its own terms since intimacy wants something that is impossible The very concept of intimacy is a superlative one it aims not just for closeness but for a closeness beyond closeness Nevertheless far from a pessimistic diagnosis of the human condition this is a meditation on how to live intimately in a world in which intimacy is impossible Rather than contenting itself with a deconstructive approach it proposes to treat intimacy dialectically For all its contradictions it shows intimacy is central to how we understand ourselves and our relations to others

*The Sexual Crisis* Grete Meisel-Hess, 1917

*The Body of the Queen* Regina Schulte, 2006

How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 *The King's Two Bodies* On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like representation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress

*The Intimate Strangeness of Being* William Desmond, 2012-04-09 This book explores the contested place of metaphysics since Kant and Hegel arguing for a renewed metaphysical thinking about the intimate strangeness of being

**The SimHebrew Bible** Jonathan Orr-Stav, Bob MacDonald, 2021-10-25 The SimHebrew Bible makes reading searching and learning the Hebrew Bible much easier for non Hebrew readers SimHebrew is an exact simulation of the fully spelled Hebrew text of the Bible Readers of the Latin character set who are not versed in the square text will find both ease and pleasure in learning the Bible in its original tongue without any of the difficulties encountered when facing the traditional right to left text The technique gives a true insight into the linguistic features of the Hebrew in

particular its economy of language wordplay repetition of the same word in different contexts and above all the root structure of its words This Bible also allows easy searching in both Hebrew and English including a full glossary and links to a corresponding online concordance The combination makes both the Hebrew language and the translation decisions in the English guide fully transparent *Gender, Desire, and Sexuality in T. S. Eliot* Cassandra Laity, Nancy K. Gish, 2004-10-28 This collection of essays brings together scholars from a wide range of critical approaches to study T S Eliot s engagement with desire homoeroticism and early twentieth century feminism in his poetry prose and drama Ranging from historical and formalist literary criticism to psychological and psychoanalytic theory and cultural studies *Gender Desire and Sexuality in T S Eliot* illuminates such topics as the influence of Eliot s mother a poet and social reformer on his art the aesthetic function of physical desire the dynamic of homosexuality in his poetry and prose and his identification with passive or feminine desire in his poetry and drama The book also charts his reception by female critics from the early twentieth century to the present This book should be essential reading for students of Eliot and Modernism as well as queer theory and gender studies

Godsends William Desmond, 2021-11-15 *Godsends* is William Desmond s newest addition to his masterwork on the borderlines between philosophy and theology For many years William Desmond has been patiently constructing a philosophical project replete with its own terminology idiom grammar dialectic and its metaxological transformation in an attempt to reopen certain boundaries between metaphysics and phenomenology between philosophy of religion and philosophical theology between the apocalyptic and the speculative and between religious passion and systematic reasoning In *Godsends* Desmond s newest addition to his ambitious masterwork he presents an original reflection on what he calls the companionship of philosophy and religion Throughout the book he follows an itinerary that has something of an Augustinian likeness from the exterior to the interior from the inferior to the superior The stations along the way include a grappling with the default atheism prevalent in contemporary intellectual culture an exploration of the middle space the metaxu between the finite and the infinite a dwelling with solitudes as thresholds between selving and the sacred a meditation on idiot wisdom and transcendence in an East West perspective an exploration of the different stresses in the mysticisms of Aurobindo and the Arnhem Mystical Sermons a dream monologue of autonomy a suite of Kantian and post Kantian variations on the story of the prodigal son a meditation on the beatitudes as exceeding virtue in light of Aquinas s understanding and culminating in an exploration of *Godsends* as telling us something significant about the surprise of revelation in word idea and story *Godsends* is written for thoughtful persons and scholars perplexed about the place of religion in our time and hopeful for some illuminating companionship from relevant philosophers It will also interest students of philosophy and religion especially philosophical theology and philosophical metaphysics *Intimate Ties* Robert Musil, 2019-05-28 A master of high modernist literature explores female sexuality and desire through the eyes of two women one married and unfaithful the other caught in a love triangle in these two erotic novellas First published in 1911 *Intimate Ties* is Robert Musil s second

book consisting of two novellas *The Culmination of Love* and *The Temptation of Silent Veronica*. Each revolves around a troubled woman in the throes of her sexual and romantic woes as their memories of the past return to influence their present desires. Musil tracks the psyche of his protagonists in a blurring of impressions that is reflected in his experimental prose. *Intimate Ties* offers the reader an early glimpse of the high modernist style Musil would perfect in his magnum opus *The Man Without Qualities*.

**Poetic Gesture** Kristine S. Santilli, 2013-12-16 This study addresses the problem of meaning as it is conveyed by poetic language attempting to move beyond some of the obstacles and boundaries of contemporary critical approaches. By providing a phenomenological context and through a theoretical contemplation of certain myths as embodiments of the tacit logic of poetry, the book argues that poems convey meaning much the way that spontaneous unreadable gestures do. Moving between theory and practice and drawing upon the poetry of Wallace Stevens whose work is embedded with a richness and complexity of gesture, the author shows how the poetic text sustains and embodies an inconvertible ancient and innately human form of linguistic knowledge.

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Secret Intimacy** . In a downloadable PDF format ( \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
