Secrets to Divine Manifestations Alain Yaovi M. Dagba,2010-08 There is a dreamer in every soul He knows the mind of God concerning our lives He is the hand of God that writes our lives stories What is your life story Do you know the script you ought to play There is a story teller in your heart He whispers at night in your deep sleep He will tell you the secret to the dream of your life Can you see him while you are awake Can you hear him in your intuition He walks in your soul day and night He never ceases to ask you the same question Where is the Soul I have been sent to help In *Secrets to Divine Manifestations* Alain Yaovi M Dagba guides the reader in a spiritual adventure that leads to self awareness He emphasized that to be aware of our self is to be aware of the presence of God in us and fully accept our true divine identity He shows in his writing that by simply uncovering what we really are we are able to overcome anything any form of evil even the most predicted threatening events of our time His teachings are centered on the belief that by learning to easily tap into the life of our divine nature we can change our consciousness thus positively affect the vibration of our planet while reaching perfect peace and happiness In this noble adventure of discovering the divinity in the core of our being we come to know our individual life purpose and are healed from our past wounds In a word we are born anew to become a fragrance of hope for our loved ones and those around us

The Secret Nature of Matter Richard Gordon,2017-06-06 Richard Gordon maps out new territory in the rarely explored intersection of science and spirituality in this fascinating investigation of the profound relationship between matter and consciousness Building on the Quantum Touch technique he developed in previous books Gordon explains how the hands on energy healing technique that he uses to help to alleviate nerve pain headaches back pain hip pain TMJ and more provides a unique window onto the secret nature of matter He explains how by examining pelvic and occipital torsion and then aligning people without the use of touch or suggestion he is able to run a wide range of simple experiments that challenge many dogmas of science This book teaches readers the technique along with 57 easy to reproduce experiments that allow them to

test the results These experiments clearly demonstrate that our consciousness can profoundly influence matter and that an object charged with energy and intent can dramatically affect us physiologically in seconds **Letters to His Son, 1752**

Philip Dormer Stanhope Earl of Chesterfield,2021-04-25 In his seminal work Letters to His Son published in 1752 Philip Dormer Stanhope the Earl of Chesterfield crafts a series of letters that illuminate the complexities of gentlemanly conduct and education in 18th century Britain Written in a conversational yet eloquent style these letters serve as both a parental guide and a philosophical treatise on the art of persuasion social manners and the cultivation of character The work intricately weaves personal anecdotes with broader societal observations embodying the Enlightenment s emphasis on reason and the importance of education in developing an individual s moral and intellectual faculties The Earl of Chesterfield a statesman and diplomat in his own right drew upon his extensive experiences in the courtly and political arenas which informed his paternal advice to his son on navigating elite society His own life was marked by both privilege and the struggles of political ambition offering him unique insights into the confluence of social grace and personal integrity Chesterfield s correspondence reflects his deep belief in the formative power of mentorship and the necessity of practical wisdom in an era characterized by its rigid social hierarchy Letters to His Son is an invaluable resource for readers interested in the intersections of education ethics and societal norms during the Enlightenment This classic work not only serves as a guide on personal development but also as a reflective lens through which to examine historical attitudes toward leadership and civility Readers will find Chesterfield s keen observations and advice remarkably relevant resonating across the centuries with those striving to refine their own character and understanding of social dynamics **Letters to His Son, Complete** Philip Dormer Stanhope Earl of Chesterfield,2022-05-28 In Letters to His Son Complete Philip Dormer Stanhope the Earl of Chesterfield offers a collection of correspondences that provide profound insights into the art of communication manners and the cultivation of personal character Written in the early 18th century these letters reflect the literary style of the Enlightenment characterized by clarity eloquence and a focus on the moral and intellectual development of the individual Chesterfield s letters not only serve as guidance for his son s education but also paint a vivid portrait of the social mores and expectations of the English aristocracy making it a significant work in the canon of epistolary literature Chesterfield was a prominent statesman diplomat and writer whose extensive life experiences informed his advice on navigating the complexities of society His lineage and upbringing played a critical role in shaping his views on etiquette and education The letters demonstrate a paternal concern blended with the influence of Enlightenment thought underscoring the importance of wit charm and intellectual prowess as tools for success in both personal and public domains This book is highly recommended for readers interested in historical perspectives on societal norms as well as those seeking self improvement in communication and manners Chesterfield s timeless wisdom resonates today making it a valuable text for anyone eager to refine their social acumen and personal integrity *The Hidden Nature of Life* Herman D. Sablan,2010-06 The hidden

nature of life is revealed at least the path to discovering it Illumination into higher dimensions of knowledge must be a personal experience You can be guided but you must walk the path yourself in order to appreciate the value of truth The process will if you have a longing for truth gradually lift you to the vision of the Light When you experience this you will realize an ability to see beyond your five sensory limits This book will serve as an awakening to possibilities you never dreamed possible but within your reach Experience the amazing dimensions of knowledge waiting for you The letters of Philip Dormer Stanhope, earl of Chesterfield, with the Characters.
