Shirley Paulson, 2022-04-18 Buried for more than a thousand years in the sands of Egypt the Secret Revelation of John has stayed a secret far longer than it should have Even now more than seventy five years after its discovery in 1945 it eludes easy understanding even as it shines with the message of God s loving presence amid suffering and violence Illuminating the Secret Revelation of John is the first study written for the curious public as well as for scholars who have not yet plumbed its depths The ancient Secret Revelation of John unearths three gems of healing wisdom that have been encrusted in a millennium of doubt and theological limitation This new work explores the many facets of these gems with a historical setting and background a contemporary paraphrase and a study section that invites pondering of and conversation about new questions to explore **John Jasper's Secret** Henry Morford, Charles Dickens, Wilkie Collins, 1905 **Secret Mysteries of**

The Secret Revelation of John Karen L. King, 2009-02-28 Lost in antiquity rediscovered in 1896 and only recently accessible for study *The Secret Revelation of John* offers a firsthand look into the diversity of Christianity before the establishment of canon and creed Karen L King offers an illuminating reading of this ancient text a narrative of the creation of the universe and humanity and a guide to justice and salvation said to be Christ's revelation to his disciple John Freeing the Revelation from the category of Gnosticism to which such accounts were relegated King shows how the Biblical text could be read by early Christians in radical and revisionary ways By placing the Revelation in its social and intellectual milieu she revises our understanding of early Christianity and more generally religious thought in the ancient Mediterranean world Her work helps the modern reader through many intriguing but confusing ideas in the text for example that the creator god of Genesis a self described jealous and exclusive god is not the true Deity but a kind of fallen angel or in an overt critique of patriarchy unique in ancient literature the declaration that the subordination of woman to man was an ignorant act in direct violation of the holy height In King's analysis the Revelation becomes not strange but a comprehensible religious vision and a window on the religious culture of the Roman Empire A translation of the complete *Secret Revelation of John* is included
