The Secret of the Hittites C. W. Ceram,1976 **The Secret of the Hittites** C. W. Ceram,1956 The secret of the Hittites C W. Ceram,1990 **"The" Secret of the Hittites** Kurt Wilhelm Marek,1975 *The Secret of the Hittites* Kurt W. Marek,1956 *Secret of the Hittites* Kurt W. Marek,1955 *The Quest for the Hittites* Fausto Labruto,2023-09-13

The Hittites one of the most powerful peoples of the ancient Near East successfully challenged all other nations including almighty Egypt from their Anatolian stronghold Then their empire collapsed was consigned to oblivion and lay forgotten Three thousand years later a motley group of scholars archaeologists and adventurers rediscovered the Hittites in an enterprise spanning a century and weaving through the worlds of German kaisers Turkish sultans and even the Nazis This is the history of the rediscovery of the Hittites a story packed with intrigue and played out against a compelling historical backdrop It involves colorful characters like an explorer fluent in 29 languages and an archaeologist who slept in royal tombs along with Victorian historians cuneiform experts code crackers and grave robbers These unlikely sleuths uncovered the very roots of the Hittite Empire The Hittites and Their World Billie Jean Collins,2012-11-01

Lost to history for millennia the Hittites have regained their position among the great civilizations of the Late Bronze Age Near East thanks to a century of archaeological discovery and philological investigation The Hittites and Their World provides a concise current and engaging introduction to the history society and religion of this Anatolian empire taking the reader from its beginnings in the period of the Assyrian Colonies in the nineteenth century B C E to the eclipse of the Neo Hittite cities at the end of the eighth century B C E The numerous analogues with the biblical world featured throughout the volume together represent a comprehensive and up to date survey of the varied and significant contributions of Hittite studies to biblical interpretation *Gnostic Secrets of the Naassenes* Mark H. Gaffney,2004-04-19

Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from The Refutation of All Heresies by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed A Refutation of All Heresies in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ s message In fact much of what passes as Christianity has nothing to do with the original teachings of its founder The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus wisdom teachings The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine The teachings involved the awakening of spirit and included practices aimed at restoring the soul s lost connection with God Immanence in the true sense intended by Jesus thus allows

for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions
