greater freedom health and happiness Correcting the many misconceptions that surround Tantra author Donald Michael Kraig shows that its wisdom can be experienced today helping you access your natural energy for healing and spiritual advancement Encouraging growth experimentation and personal evolution through exercises and meditations Modern Tantra is a new look at a time honored spiritual path With a non dogmatic approach this book shows you how to work with Tantric Chakras Mythology Herbalism Healing Astrology Divination Mudras and mantras Sexuality Ritual magick Festivals Spells The three gunas and three doshas Goddesses and gods Sacred images And much more [American Book Publishing Record](#),2004 *Hidden Religion* Micah Issitt,Carlyn Main,2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world s religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World s Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs *A Culture of Ambiguity* Thomas Bauer,2021-06-08 In the Western imagination Islamic cultures are dominated by dogmatic religious norms that permit no nuance Those fighting such stereotypes have countered with a portrait of Islam s medieval Golden Age marked by rationality tolerance and even proto secularism How can we understand Islamic history culture and thought beyond this dichotomy In this magisterial cultural and intellectual history Thomas Bauer reconsiders classical and modern Islam by tracing differing attitudes toward ambiguity Over a span of many centuries he explores the tension between one strand that aspires to annihilate all uncertainties and establish absolute uncontestable truths and another competing tendency that looks for ways to live with ambiguity and accept complexity Bauer ranges across cultural and linguistic ambiguities considering premodern Islamic textual and cultural forms from law to Quranic exegesis to literary genres alongside attitudes toward religious minorities and foreigners He emphasizes the relative absence of conflict between religious and secular discourses in classical Islamic culture which stands in striking contrast to both present day fundamentalism and much of European history Bauer shows how Islam s encounter with the modern West and its demand for certainty helped bring about both Islamicist and secular liberal ideologies that in their own ways rejected ambiguity and

therefore also their own cultural traditions Awarded the prestigious Leibniz Prize A Culture of Ambiguity not only reframes a vast range of Islamic history but also offers an interdisciplinary model for investigating the tolerance of ambiguity across cultures and eras

**Sex in China** Fang Fu Ruan,2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China
