## Secret Villages:

Stories of the Hidden Villages Erynn Kaltor, 2025-06-14 This book series is a journey through 150 of the world's most charming and nature rooted villages where life moves gently in tune with the land. It invites readers to rediscover the magic of clear springs, golden sunsets on mud brick walls and age old traditions. These villages, some tiny and remote, offer stories of courage, creativity and deep respect for nature. With vivid prose and simple insights, the book captures not only the beauty of each place but also the timeless wisdom they hold. Perfect for travelers, dreamers and families, it offers both inspiration and practical travel tips, best times to visit, local customs and how to get there. From Moroccan deserts to Japanese mountains, each chapter offers a doorway into simpler, meaningful living. These stories remind us that the true riches of life lie in clean air, fresh water, community spirit and the joy of living slowly and mindfully in tune with the Earth. *Hidden Villages of Britain* Clare Gogerty, 2018-02-15 The official TV tie in to the popular Channel 4 programme, Penelope Keith's *Hidden Villages*. Explore the most interesting and beautiful examples of British village life in this lavishly illustrated book, published as a companion volume to the highly successful Channel 4 television series. Penelope Keith's *Hidden Villages* featuring gorgeous illustrations and dust jackets from Brian Cook's iconic designs, the book explores the villages as they appeared then and now. It's hard not to be enchanted by rural villages. From thatched roofs, charming churches, bunting, cream teas and the local landscape, they capture our imaginations. Structured by region, this book follows Penelope's journey through Britain across all four series, including the idyllic villages found in the Cotswolds, the cosy cottages of East Anglia and the treasures nestled in the North Yorkshire moors. Pictured alongside Brian Cook's iconic illustrations, *Hidden Villages of Britain* takes you through the fascinating history and the curious customs and characters unique to each village and how they survive in the present. From bog snorkelling in Llanwrtyd Wells and gravy wrestling in Stacksteads to cheese rolling down Cooper's Hill in Brockworth and dwile flocking where contestants seek to soak their opponents with a beer-soaked cloth outside the village pub, snippets of the history, life and traditions of each village are fully explored. Whether you are looking for a place for your next holiday, a guide to Britain's rural landscape or have a love for Britain's most inspirational settings, this book is perfect for the armchair traveller. *The regional travel guide for ?e?inovo-Oble?evo (North Macedonia)*, 2025-09-25 **The regional travel guide for Nyanga (Gabon)**, 2025-09-25 Gate of the Sun Elias Khoury, 2016-11-08 New York Times Notable Book of the Year. An imposingly rich and realistic novel, a genuine masterwork that vividly captures the Palestinian experience following the creation of the Israeli state. New York Times Book Review. After Palestine is torn apart in 1948, two men remain alone in a deserted makeshift hospital in the Shatila camp on the outskirts of Beirut, entering a vast world of displacement, fear and tenuous hope. Khalil holds vigil at the bedside of his patient and spiritual father, a storied leader of the Palestinian resistance who has slipped into a coma. As Khalil attempts to revive Yunes, he begins a story which branches into many stories of the people expelled from their villages in Galilee, of the massacres that followed, of the extraordinary inner strength of

those who survived and of love Khalil like Elias Khoury is a truth collector trying to make sense of the fragments and various versions of stories that have been told to him His voice is intimate and direct his memories are vivid his humanity radiates from every page Khalil lets his mind wander through time from village to village from one astonishing soul to another and takes us with him Gate of the Sun is a Palestinian Odyssey and the first magnum opus of the Palestinian saga Beautifully weaving together haunting stories of survival and loss love and devastation memory and dream Khoury humanizes the complex Palestinian struggle as he brings to life the story of an entire people

**Politics in China** William A. Joseph,2019 On October 1 2019 the People s Republic of China PRC will celebrate the 70th anniversary of its founding And what an eventful and tumultuous seven decades it has been During that time under the leadership of the Chinese Communist Party CCP China has been transformed from one of world s poorest countries into one of its fastest growing economies and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence But in the late 1950s the PRC experienced the most deadly famine in human history caused largely by the actions and inactions of its leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy And in 1989 the CCP unleashed the army to brutally crush demonstrations by students and others calling for political reform China is now for the most part peaceful prospering and proud The CCP maintains a firm grip on power through a combination of harsh repression and popular support largely based on its recent record of promoting rapid economic growth Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities ethnic unrest and a rising tide of social protest Politics in China provides an accessible yet authoritative introduction to how the world s most populous nation and rapidly rising global power is governed today The third edition has been extensively revised thoroughly updated and includes a new chapter on the internet and politics in China The book s chapters provide overviews of major periods in China s modern political history from the mid nineteenth century to the present examinations of key topics in contemporary Chinese politics and analyses of developments in four important areas located on China s geographic periphery Tibet Xinjiang Hong Kong and Taiwan

H. Lawrence Myron Tuman,2024-10-31 The Hidden D H Lawrence is a new study of the psychological and literary aspects of a great writer s lyrical genius It explores how Lawrence when writing on his favorite subject the relations between men and women moved so quickly between heavy handed exposition and deeply inspired prose depending on the gender of the object of his attention Nowhere is this clearer than in the three grand love scenes from Lady Chatterley s Lover those cut from the first American edition of 1932 In these scenes Mellors Lawrence s usual alter ego suddenly and almost magically becomes the object of attention although now seen through the eyes of his female protagonist It may seem as if Lawrence s purpose here is to probe a woman s psyche until one realizes that it is only such moments when his focus seems less on his female character than the erotic allure of a powerful man that unlock Lawrence s lyrical genius The claim here is that in his major novels and stories Lawrence was less interested in exploring the emotional lives of women than in using his female characters as well as many sensitive male protagonists to explore his own psychic life one marked by the persistent attraction to the image of a strong male an inner life that for the last century has been hiding in plain sight      *The regional travel guide for Équateur (Democratic Republic of the Congo)* ,2025-09-25      The regional travel guide for North-West (Cameroon) ,2025-09-25
