Moshe Dayan

Mordechai Bar-On, 2012-06-26

Instantly recognizable with his iconic eye patch Moshe Dayan 1915 1981 was one of Israel's most charismatic and controversial personalities As a youth he earned the reputation of a fearless warrior and in later years as a leading military tactician admired by peers and enemies alike As chief of staff during the 1956 Sinai Campaign and as minister of defense during the 1967 Six Day War Dayan led the Israel Defense Forces to stunning military victories But in the aftermath of the bungled 1973 Yom Kippur War he shared the blame for operational mistakes and retired from the military He later proved himself a principled and talented diplomat playing an integral role in peace negotiations with Egypt In this arresting biography Mordechai Bar-On Dayan's IDF bureau chief offers an intimate view of Dayan's private life public career and political controversies set against an original analysis of Israel's political environment from pre-Mandate Palestine through the early 1980s Drawing on a wealth of Israeli archives accounts by Dayan and members of his circle and firsthand experiences Bar-On reveals Dayan as a man unwavering in his devotion to Zionism and the Land of Israel Moshe Dayan makes a unique contribution to the history of Israel and the complexities of the Arab-Israeli conflict

Jewish Histories of the Holocaust

Norman J.W. Goda, 2014-09-01 For many years histories of the Holocaust focused on its perpetrators and only recently have more scholars begun to consider in detail the experiences of victims and survivors as well as the documents they left behind This volume contains new research from internationally established scholars It provides an introduction to and overview of Jewish narratives of the Holocaust The essays include new considerations of sources ranging from diaries and oral testimony to the hidden Oyneg Shabbes archive of the Warsaw Ghetto arguments regarding Jewish narratives and how they fit into the larger fields of Holocaust and Genocide studies and new assessments of Jewish responses to mass murder ranging from ghetto leadership to resistance and memory

The

Limits of the Land Avshalom Rubin, 2017-11-17

An outstanding historical analysis of a core component to the current Middle East dilemma between Israel and the Palestinians Choice Reviews Was Israel's occupation of the West Bank inevitable From 1949 1967 the West Bank was the center of the Arab-Israeli conflict Many Israelis hoped to conquer it and widen their narrow borders while many Arabs hoped that it would serve as the core of a future Palestinian state In *The Limits of the Land* Avshalom Rubin presents a sophisticated new portrait of the Arab-Israeli struggle that goes beyond partisan narratives of the past Drawing on new evidence from a wide variety of sources many of them only recently declassified Rubin argues that Israel's leaders indeed wanted to conquer the West Bank but not at any cost By 1967 they had abandoned hope of widening their borders and adopted an alternative strategy based on nuclear deterrence In 1967 however Israel's new strategy failed to prevent war convincing its leaders that they needed to keep the territory they conquered The result was a diplomatic stalemate that endures today Based on a meticulous examination of numerous Israeli US and British archives as

well as relevant Arabic and Russian literature Avshalom Rubin covers the role of the West Bank in the Arab Israeli conflict in a comprehensive way His book stands alone at the top of work on Israeli Jordanian relations of the period Robert O Freedman author of *Israel and the United States Six Decades of US Israeli Relations* *The Bride and the Dowry* Avi Raz,2012-01-01 Israel's victory in the June 1967 Six Day War provided a unique opportunity for resolving the decades old Arab Zionist conflict Having seized the West Bank the Gaza Strip the Sinai Peninsula and the Golan Heights Israel for the first time in its history had something concrete to offer its Arab neighbors it could trade land for peace Yet the political deadlock persisted after the guns fell silent This book sets out to find out why Avi Raz places Israel's conduct under an uncompromising lens He meticulously examines the critical two years following the June war and substantially revises our understanding of how and why Israeli Arab secret contacts came to naught Mining newly declassified records in Israeli American British and UN archives as well as private papers of individual participants Raz dispels the myth of overall Arab intransigence and arrives at new and unexpected conclusions In short he concludes that Israel's postwar diplomacy was deliberately ineffective because its leaders preferred land over peace with its neighbors The book throws a great deal of light not only on the post 1967 period but also on the problems and pitfalls of peacemaking in the Middle East today **David Ben-Gurion and the Jewish Renaissance** Shlomo Aronson,2010-11-01 This book offers a reappraisal of David Ben Gurion's role in Jewish Israeli history from the perspective of the twenty first century in the larger context of the Zionist renaissance of which he was a major and unique exponent Some have described Ben Gurion's Zionism as a dream that has gone sour or a utopia doomed to be unfulfilled Now after the dust surrounding Israel's founding father has settled archives have been opened and perspective has been gained since Ben Gurion's downfall this book presents a fresh look at this statesman intellectual and his success and tragic failures during a unique period of time that he and his peers described as the Jewish renaissance The resulting reappraisal offers a new analysis of Ben Gurion's actual role as a major player in Israeli Middle Eastern and global politics **Translating Late Ottoman Modernity in Palestine** Evelin Dierauff,2020-01-20 Die Studie untersucht für die Jahre vor dem Ersten Weltkrieg anhand der arabisch palästinensischen Zeitung Filas in lokale Debatten um politische Ordnung kollektive Identität und Beziehungen zwischen ethnischen und konfessionellen Gruppen dies vor dem Hintergrund transregionaler und transosmanischer Zusammenhänge Dies ist deshalb relevant weil Gruppenbeziehungen in Palästina für diese Phase der osmanischen Moderne wenig erforscht sind und sich in einer tiefen Umbruchphase einer sog Sattelzeit befanden Filastin veröffentlicht ab 1911 in Jaffa von Ismail Isa und Yusuf al Isa lokalen griechisch orthodoxen Christen diente als Medium in dem ein vielfältiges Spektrum an palästinensischen Autoren verschiedener Konfession folgende Fragen kontrovers verhandelte 1 Regeln des Zusammenlebens im multiethnisch und multikulturell geprägten Jaffa 2 Die Integrierbarkeit der jüdisch zionistischen Einwanderer in die Region und 3 die Partizipation arabisch palästinensischer Christen im von Griechen dominierten griechisch orthodoxen Patriarchat von Jerusalem Exploring Filas in the context of

Arab Palestinian press development its specific environment and networks and the political culture after the Young Turk Revolution this study analyzes the main concepts and terminological features that are conveyed through its coverage Further it studies Palestinian group relations in the light of three selected case studies the press debate on 1 the social cohabitation of groups in the Jaffa region 2 the socio economic integration of Zionist immigrants into the Jerusalem District and 3 the political participation of Arab Palestinian Orthodox Christians in the administration of the Greek Orthodox Patriarchate of Jerusalem and their opposition against the clerical establishment Filastin was published from 1911 onwards in the coastal town of Jaffa by the cousins Yusuf and Isa al Isa Arab Palestinians of Greek Orthodox confession Soon it had established itself as a forum of debate in late Ottoman Palestine serving a pool of authors from different ethnic and confessional but similar educational backgrounds and moral values as a public medium to which they contributed through publishing articles protest letters petitions etc On its pages these authors controversially discussed concepts of collective identity society building political order and all kinds of reforms that they perceived progressive and as fitting the spirit of the age as they called it the age of Ottoman Constitutionalism and modernity This study explores local debates on Palestinian group relations through Filastin during the years 1911 until 1914 which is relevant since during this period of time the Arab Middle East in general and Palestine in specific underwent a so called saddle period a deep and fundamental change with regard to social relations and political concepts that is still rather unexplored in today's scholarship

Social Housing in the Middle East Mohammad Gharipour, Kivanc Kilinc, 2019-03-01 As oil rich countries in the Middle East are increasingly associated with soaring skyscrapers and modern architecture attention is being diverted away from the pervasive struggles of social housing in those same urban settings *Social Housing in the Middle East* traces the history of social housing both gleaming postmodern projects and bare bones urban housing structures in an effort to provide a wider understanding of marginalized spaces and their impact on identities communities and class While architects may have envisioned utopian or futuristic experiments these buildings were often constructed with the knowledge and skill sets of local workers and the housing was in turn adapted to suit the modern needs of residents This tension between local needs and national aspirations are linked to issues of global importance including security migration and refugee resettlement The essays collected here consider how culture faith and politics influenced the solutions offered by social housing they provide an insightful look at how social housing has evolved since the 19th century and how it will need to adapt to suit the 21st

The Stern Gang Joseph Heller, 1995 This study of *The Stern Gang* attempts to demythologize the image of this extremist Zionist underground group The book analyzes the party's split from the Irgun Zvai Leumi National Military Organization and its attempts to synthesize the politics and ideals of the right and left

Yad Vashem Studies, 2001 *Encyclopaedia Judaica* Fred Skolnik, 2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews

to world cultures Zion and State Mitchell Cohen,1992-09-05 Zion and State explores the origins of the struggle between the left and right in Israel and the Zionist movement Mitchell Cohen traces the emergence of Jewish nationalism and modern Jewish political ideologies in the late nineteenth century the birth of Zionist political parties at the time of Theodor Herzl and the genesis of Israeli politics through the first fifteen years of Jewish statehood Analyzing the political battles of the 1920s and 1930s Cohen shows how the Zionist Labor movement led by David Ben Gurion defeated the challenge of the right wing Revisionist Zionists led by Vladimir Jabotinsky demonstrating how the growing dominance of Labor made the birth of Israel possible At the same time the author argues that once in power the labor movement s long term policies were ultimately self defeating and helped to lay the groundwork for its own undoing in the 1970s This new and expanded edition of Zion and State includes a new preface and a new essay Between Revolution and Normalcy **Who's Who, Israel** ,1960 **Judaica Librarianship** ,1991 Palestine Personalia ,1960 Each vol includes a pt 2 Public bodies and enterprises called 1945 1946 Palestine at work 1947 Institutions and enterprises 1949 Israel at work varies **Oral History Collections** Ruth McMullin,1975 *Yad Vashem Bulletin* Yad va-shem, rashut ha-zikaron la-Sho'ah v'ela-gevurah,1962 **Who's who in World Jewry** Harry Schneiderman,Itzhak J.
