The Portal of the Mystery of Hope Charles Peguy,2005-05-01 Translated by David L Schindler JrIn what is one of the greatest Catholic poetic works of our century P guy offers a comprehensive theology ordered around the often neglected second virtue which is incarnated in his celebrated image of the little girl Hope      **The Homilist** ,1864      **Gospel Evidences of Saving Faith** John Owen,2016-04-26 Although believers have a right to every spiritual comfort in Christ remaining sin and temptation often hinder them from enjoying these blessings In Gospel Evidences of Saving Faith John Owen recognizes that faith is the root on which all genuine comforts grow and these comforts are ordinarily shared by believers in proportion to the evidences of true faith in their lives Owen investigates the proper operations of faith that demonstrate its genuineness encouraging us to cling fast to Christ pursue holiness commune with God through worship and bring our souls into a special state of repentance Do you wish to glorify God more and have greater enjoyment in the comforts of Christ Find inspiration in this pastoral consideration of the evidences of saving faith Table of Contents 1 First Evidence Choosing Embracing and Approving God s Way of Saving Sinners through the Work of Christ Alone 2 Second Evidence Habitually Approving of the Holiness and Obedience God Requires as Revealed in Scripture 3 Third Evidence Consistently Endeavoring to Keep All Grace in Exercise in All Ordinances of Divine Worship 4 Fourth Evidence Bringing the Soul into a Special State of Repentance Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unthreatening in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today      **The Homilist; or, The pulpit for the people, conducted by D. experiences The collection resonates with the literary context of her time challenging societal norms and advocating for women's rights making her a pioneering figure in feminist literature Born Amantine Lucile Aurore Dupin George Sand was a revolutionary figure both in her personal life and her literary endeavors Her provocative lifestyle including her romantic relationships and her outspoken views on the roles of women provided fertile ground for her novels Sand's commitment to social justice and her youthful encounters with political radicalism profoundly shaped her writing allowing her to produce works that questioned the status quo and illuminated the human condition Readers seeking a transformative literary experience will find in this collection a compelling exploration of enduring themes Sand's ability to weave intricate plots with profound philosophical inquiries makes these novels not only a reflection of her time but also vital for contemporary discussions on gender and society To immerse oneself in her work is to engage in a dialogue that transcends time making this compilation an essential addition to any literary library

The Selected Works of George Sand George Sand, The correspondence of George Sand and Gustave Flaubert if approached merely as a chapter in the biographies of these heroes of nineteenth century letters is sufficiently rewarding In a relationship extending over twelve years including the trying period of the Franco Prussian War and the Commune these extraordinary personalities disclose the aspects of their diverse natures which are best worth the remembrance of posterity However her passionate and erratic youth may have captivated our grandfathers George Sand in the mellow autumn of her life is for us at her most attractive phase The storms and anguish and hazardous adventures that attended the defiant unfolding of her spirit are over In her final retreat at Nohant surrounded by her affectionate children and grandchildren diligently writing botanizing bathing in her little river visited by her friends and undistracted by the fiery lovers of the old time she shows an unguessed wealth of maternal virtue swift comprehending sympathy fortitude sunny resignation and a goodness of heart that has ripened into wisdom For Flaubert too though he was seventeen years her junior the flamboyance of youth was long since past in 1862 when the correspondence begins he was firmly settled a shy proud grumpy toiling hermit of forty in his family seat at Croisset beginning his seven years labor at L Education Sentimentale master of his art hardening in his convictions and conscious of increasing estrangement from the spirit of his age He with his craving for sympathy and she with her inexhaustible supply of it meet he pours out his bitterness she her consolation and so with equal candor of self revelation they beautifully draw out and strengthen each the other's characteristics and help one another grow old But there is more in these letters than a satisfaction for the biographical appetite which indeed finds ITS account rather in the earlier chapters of the correspondents history What impresses us here is the banquet spread for the reflective and critical faculties in this intercourse of natural antagonists As M Faguet observes in a striking paragraph of his study of Flaubert It is a curious thing which does honor to them both that Flaubert and George Sand should have become loving friends towards the end of their lives At the beginning Flaubert might have been looked upon by George Sand as a furious enemy Emma Madame Bovary is George Sand's heroine with all the poetry turned into

ridicule Flaubert seems to say in every page of his work Do you want to know what is the real Valentine the real Indiana the real Lelia Here she is it is Emma Roualt And do you want to know what becomes of a woman whose education has consisted in George Sand s books Here she is Emma Roualt So that the terrible mocker of the bourgeois has written a book which is directly inspired by the spirit of the 1840 bourgeois Their recriminations against romanticism which rehabilitates and poetises the courtesan against George Sand the Muse of Adultery are to be found in acts and facts in Madame Bovary Now the largest interest of this correspondence depends precisely upon the continuance beneath an affectionate personal relationship of a fundamental antagonism of interests and beliefs resolutely maintained on both sides George Sand with her lifelong passion for propaganda and reformation labors earnestly to bring Flaubert to her point of view to remould him nearer to her heart s desire He with a playful deference to the sex and years of his friend addresses her in his letters as Dear Master Yet in the essentials of the conflict though she never gives over her effort he never budes a jot he has taken his ground and in his last unfinished work Bouvard and Pecuchet he dies stubbornly fortifying his position To the last she speaks from a temperament lyrical sanguine imaginative optimistic and sympathetic he from a temperament dramatic melancholy observing cynical and satirical She insists upon natural goodness he upon innate depravity She urges her faith in social regeneration he vents his splenetic contempt for the mob Through all the successive shocks of disillusioning experience she expects the renovation of humanity by some religious some semi mystical amelioration of its heart he grimly concedes the greater part of humanity to the devil and can see no escape for the remnant save in science and aristocratic organization For her finally the literary art is an instrument of social salvation it is her means of touching the world with her ideals her love her aspiration for him the literary art is the avenue of escape from the meaningless chaos of existence it is his subtly critical condemnation of the world The origins of these unreconciled antipathies lie deep beneath the personal relationship of George Sand and Gustave Flaubert lie deep beneath their successors who with more or less of amenity in their manners are still debating the same questions today The main currents of the nineteenth century with fluent and refluxing tides clash beneath the controversy and as soon as one hears its long withdrawing roar and thinks it is dying away and is become a part of ancient history it begins again and will be heard no doubt by the last man as a solemn accompaniment to his final contention with his last adversary

**A Body of Divinity** Fiddes, 1720 *Faith and Its Evidences* John Owen, The securing of the spiritual comforts of believers in this life is a matter of the highest importance unto the glory of God and their own advantage by the gospel writes

the great Puritan John Owen For God is abundantly willing that all the heirs of promise should receive strong consolation and he has provided ways and means for the communication of it to them and their participation of it is their principal interest in this world and is so esteemed by them But their effectual refreshing enjoyment of these comforts is variously opposed by the power of the remainders of sin in conjunction with other temptations Hence notwithstanding their right and title unto them by the gospel they are oftentimes actually destitute of a gracious sense of them and consequently of that relief which they are suited to afford in all their duties trials and afflictions Now the root whereon all real comforts do grow whence they spring and arise is true and saving faith the faith of God s elect Wherefore they do ordinarily answer unto and hold proportion with the evidences which any have of that faith in themselves at least they cannot be maintained without such evidences Wherefore that we may be a little useful unto the establishment or recovery of that consolation which God is so abundantly willing that all the heirs of promise should enjoy I shall inquire What are the principal acts and operations of faith whereby it will evidence its truth and sincerity in the midst of all temptations and storms that may befall believers in this world and I shall insist on such alone as will bear the severest scrutiny by Scripture and experience This Puritan classic includes the following chapters Introduction I How does saving faith approve of this way on what accounts and unto what ends II The second evidence of the faith of God s elect III The third evidence of the faith of God s elect IV The fourth evidence of the faith of God s elect
