volume is everything needed for the enjoyment of Holmes canon *Gender and the Modern Sherlock Holmes* Nadine Farghaly, 2015-12-23 From his 1887 literary debut to his many film and television adaptations Sir Arthur Conan Doyle's Sherlock Holmes has lost none of his appeal Besides Holmes himself no character in Conan Doyle's stories proves as interesting as the astute detective's constant companion Dr Watson who somehow seems both superfluous and essential While Conan Doyle does not depict Holmes and Watson as equals he avoids presenting Watson as incompetent as he was made to appear on screen for decades A variety of reimagined Holmeses and Watsons in recent years have depicted their relationship as more nuanced and complementary Focusing on the Guy Ritchie films the BBC's *Sherlock* and CBS's *Elementary* this collection of new essays explores the ideas and implications behind these adaptations **Case of Sherlock Holmes** Andrew Glazzard, 2018-08-13 The *Case of Sherlock Holmes* uncovers what is untold partly told wrongly told or deliberately concealed in Arthur Conan Doyle's Sherlock Holmes saga **Sherlock and Transmedia Fandom** Louisa Ellen Stein, Kristina Busse, 2014-01-10 The critically acclaimed BBC television series *Sherlock* 2010 re-envisions Sir Arthur Conan Doyle's detective for the digital age joining participants in the active traditions of Sherlockians Holmesians and fans from other communities including science fiction media and anime This collection explores the cultural intersections and fan traditions that converge in *Sherlock* and its fandoms Essays focus on the industrial and cultural contexts of *Sherlock*'s release on the text of *Sherlock* as adaptation and transformative work and on *Sherlock*'s critical and popular reception The volume's multiple perspectives examine Sherlock Holmes as an international transmedia figure with continued cultural impact offering insight into not only the BBC series itself but also into its literary source and with it the international resonance of the Victorian detective and his sidekick Instructors considering this book for use in a course may request an examination copy here [Global James Bond](#) Klaus Dodds, Lisa Funnell, 2023-12-20 *Global James Bond Re-Imagining and Transplanting a Popular Culture Icon* focuses on the ambivalent yet fascinating interplay between the global and the local in the longest running film franchise in history It explores how James Bond established itself as a global standard for action spy film making and even as a minor global cinema i.e. imagining and how the franchise subsequently inspired a series of genre bending blending and breaking in local visual and some literary contexts i.e. reimagining and transplanting The chapters in this collection consider how the world is envisaged in the official series and subsequently reinterpreted on local and regional levels and how investments with alternative meanings might run counter to the dominant representational and geo-political logics of the novels and filmic texts *Global James Bond* is a starting point for further conversation and exchange over an extraordinary film franchise [Sherlockian Musings](#) Sheldon Goldfarb, 2020-04-02 Is Sherlock Holmes really as rational as he seems He talks about the importance of reasoning and logic but why then does he sometimes seem like a strange Buddha On the other hand why in *The Sign of the Four* does Watson smash a Buddha What is going on in *The Sign of the Four* that strange tale of Empire What is going on in all the original sixty stories in the canon In this study of the stories Sheldon

Goldfarb explores questions like these from the significance of the eggs in Thor Bridge to the reason Watson keeps leaving Holmes for an insubstantial wife What meanings lurk beneath the surface of these detective stories Why is there an obsession with Napoleon in this story or an article on free trade in this other Can we find answers to these questions Perhaps In any case in this collection of essays or Musings on each of the 60 stories Dr Goldfarb an award nominated mystery writer himself and the holder of a PhD in English literature light heartedly tries out a variety of perspectives allowing readers to come to their own conclusions about such matters as the nature of the angel in A Case of Identity or the reason Holmes abandons his magnifying glass for binoculars in Silver Blaze Who brings binoculars to a horse race Indeed *The Essential Mystery Lists* Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **The Age of the Infovore** Tyler Cowen,2010-06-29 Previously published as Create Your Own Economy Will change the way you think about thinking Daniel H Pink author of A Whole New Mind Renowned behavioral economist and commentator Tyler Cowen shows that our supernetworked world is changing the way we think and empowering us to thrive in any economic climate Whether it is micro blogging on Twitter or buying single songs at iTunes we can now customize our lives to shape our own specific needs In other words we can create our own economy and live smarter happier fuller lives At a time when apocalyptic thinking has become all too common Cowen offers a much needed Information Age manifesto that will resonate with readers of Dan Ariely s Predictably Irrational Steven Johnson s Everything Bad is Good for You and everyone hungry to understand our potential to withstand and even thrive in any economic climate **Arthur Conan Doyle's Art of Fiction** Nils Claesson,2019-01-22 This groundbreaking book rescues Arthur Conan Doyle from the sub literary category of popular fiction and from the myth of Sherlock Holmes Instead of following new historicists and postcolonialists and asking what Conan Doyle s fiction reveals about its author and what it tells us about Victorian attitudes to crime class Empire and gender this provocative and convincingly argued literary study shifts the critical emphasis to the neglected art of the novels tales and stories It demonstrates through close reading that they can be read the same way as canonical literary fiction Unapologetically polemical and written in an accessible jargon free style this book will stimulate

debate and provoke counterarguments but most importantly it will send readers both within and outside the academy back to the fiction with heightened understanding and renewed pleasure At a time when evaluation has virtually disappeared from literary studies this iconoclastic book returns it to the centre **In the Company of Strangers** Barry McCrea,2011-06-14

In the Company of Strangers shows how a reconception of family and kinship underlies the revolutionary experiments of the modernist novel While stories of marriage and long lost relatives were a mainstay of classic Victorian fiction Barry McCrea suggests that rival countercurrents within these family plots set the stage for the formal innovations of Joyce and Proust Tracing the challenges to the family plot mounted by figures such as Fagin Sherlock Holmes Leopold Bloom and Charles Swann McCrea tells the story of how bonds generated by chance encounters between strangers come to take over the role of organizing narrative time and give shape to fictional worlds a task and power that was once the preserve of the genealogical family By investigating how the question of family is a hidden key to modernist structure and style *In the Company of Strangers* explores the formal narrative potential of queerness and in doing so rewrites the history of the modern novel
