Paperbound Books in Print ,1984 *The Last Resort* Miriam Richardson, The air hung heavy with the scent of salt and hibiscus a fragrant symphony carried by the trade winds Paradise Cove a secluded resort tucked away on a pristine island in the Caribbean promised an escape from the world s troubles For a select group of guests it was a haven a sanctuary where they hoped to shed their burdens and embrace a temporary sense of bliss Among them was Alex Turner a former detective seeking refuge from a past that haunted him He arrived at Paradise Cove hoping to find solace but the resort s idyllic facade soon crumbled revealing a darker truth When the owner was found dead in the infinity pool the tranquil haven transformed into a scene of suspicion fear and escalating tension Trapped by an approaching hurricane and cut off from the outside world the guests found themselves stranded with a killer among them As the storm raged outside Alex drawn back into the role of investigator had to navigate a web of secrets hidden motives and escalating danger He knew the killer was one of them and as the body count rose the race against time became a desperate struggle for survival The journey that follows is a descent into the heart of darkness where the lines between truth and deception blur and the cost of paradise is measured not in dollars but in lives *Veil of Lies: Secrets of Lies* Richard Benipayo,2024-11-01 Discover a world where the truth has been hidden for centuries Richard King is on a quest to uncover the lost names of the Creator and the Messiah Yahuah and Yahusha names that have been erased from history by a powerful organization known as The Obscura From the bustling streets of Manila to ancient archives and shadowy underground networks Richard is determined to reveal the secrets that could change everything With the help of Marco an enigmatic ally with deep connections to the academic underworld Richard uncovers hidden manuscripts and forbidden texts that shine a light on the lies that have been forced upon humanity But The Obscura is watching and they will stop at nothing to protect their secrets As the stakes grow higher

and the danger intensifies Richard and his team must navigate a treacherous landscape filled with deception danger and hidden allies The price of truth is steep but the cost of silence is even greater *Veil of Lies* Secrets Unveiled is a thrilling ride through history and conspiracy blending suspense action and historical intrigue For readers who love uncovering hidden truths and battling against the forces that try to keep them concealed this is a journey you won't want to miss Will Richard succeed in bringing the truth to light or will The Obscura silence him before the world knows what's really at stake

Where Secrets Lie Eva V. Gibson, 2022-04-19 A gorgeous and satisfying thriller Booklist starred review Perfect for fans of Courtney Summers this seductive and intense thriller unfolds in interwoven timelines of two summers as three friends are torn apart by buried secrets and star crossed attraction then pulled back together by tragedy Amy Larsen has spent every summer with her cousin Ben and their best friend Teddy in River Run Kentucky loving country life and welcoming the break from her intensive ambitions and overbearing mother until the summer she and Teddy confront the changing feelings and simmering sexual tension growing between them destroying the threesome's friendship in a dramatic face off One year later Amy returns to River Run dreading what she might find But when Teddy's sister disappears Amy Ben and Teddy agree to put aside their differences to search for her As they dig deeper into the dark history of their small town all three friends must unearth the truths that tie their families to tragedy cope with their own toxic upbringings and beliefs and atone for the damage done to each other and themselves Told in two interwoven timelines the summer where everything changed and the summer that changes everything *Where Secrets Lie* is a seductive thriller as dark as it is enthralling

The Sophia Secrets Savitri L. Bess, 2012-09-07 The Sophia Secrets A magical realism novel Writer Anne Demaree escapes an unhappy life in New Mexico when she moves to a bungalow by the sea in Southwest Harbor Maine With a sense of urgency she escalates her elder years quest a final search for meaning Before she settles down in Maine she and a friend take off on a two week trip to

a Kali Temple in India Shaken to the core by her experience Anne is determined to dig into the essence of this controversial Hindu deity She must align with somebody or something as least as powerful as her uncontrollable anger so she can heal Anne neglects to take into account that you do not ask for Kali's help without accepting the consequences Kali is after all the goddess of transformation One stormy morning on a trail by the sea Anne stumbles upon a mysterious old woman who tells Anne she must follow her because Anne is running out of time Is the old woman real Anne asks around but no one has heard of her Nevertheless the old woman keeps showing up in the most unusual places and times telling poignant stories delivering exotic experiences and sometimes with accompanying visions of goddesses Meanwhile Anne has found a tender love interest in Adam Waterfield a retired philosophy professor and Cranberry Island native A crisis with Adam's drug troubled grandson soon finds Anne at dead center of the turmoil Falling in love and helping a teen boy were not part of Anne's plan Will these two throw her completely off track or be somehow vital to her elder journey I didn't want it to end Rosalie Kell Graphic Artist

Knead to Know Agatha Rose, 2024-09-28 In *Knead to Know* Olivia Wheatley's peaceful life as an artisan baker in Lighthouse Cove takes an unexpected turn when she uncovers a cryptic message hidden in an antique rolling pin This discovery plunges her into a centuries old mystery involving smugglers hidden treasures and long buried family secrets As Olivia kneads together clues from the town's rich history and her own lineage she finds herself at the center of a tantalizing puzzle that threatens to upend her quiet seaside existence With the help of her eccentric great aunt Mabel and a charming local historian Olivia must sift through layers of deception and local lore to uncover the truth The quaint charm of Lighthouse Cove provides a delightful backdrop for this culinary whodunit where freshly baked aromas mingle with the salty sea air and whispers of the past As Olivia's sleuthing skills prove just as valuable as her baking expertise she races to solve the mystery before someone tries to keep the town's secrets firmly under wraps This cozy mystery blends small town charm with historical intrigue offering readers a mouthwatering escape filled with quirky characters tantalizing treats and a dash of romance **Children's Books in Print, 2007**, 2006 **Aurora Floyd, by the author of 'Lady Audley's secret'.**

David Mech,2020-10-13 The world's leading wolf expert describes the first years of a major study that transformed our understanding of one of nature's most iconic creatures In the late 1940s a small pack of wolves crossed the ice of Lake Superior to the island wilderness of Isle Royale creating a perfect laboratory for a long term study of predators and prey As the wolves hunted and killed the island's moose a young graduate student named Dave Mech began research that would unlock the mystery of one of nature's most revered and reviled animals and eventually became an internationally renowned and respected wolf expert This is the story of those early years Wolf Island recounts three extraordinary summers and winters Mech spent on the isolated outpost of Isle Royale National Park tracking and observing wolves and moose on foot and by airplane and upending the common misperception of wolves as destructive

killers of insatiable appetite Mech sets the scene with one of his most thrilling encounters witnessing an aerial view of a spectacular hunt then venturing by snowshoe against the pilot's warning to photograph the pack of hungry wolves at their kill Wolf Island owes as much to the spirit of adventure as to the impetus of scientific curiosity Written with science and outdoor writer Greg Breining who recorded hours of interviews with Mech and had access to his journals and field notes from those years the book captures the immediacy of scientific fieldwork in all its triumphs and frustrations It takes us back to the beginning of a classic environmental study that continues today spanning nearly sixty years research and experiences that would transform one of the most despised creatures on Earth into an icon of wilderness and ecological health
