Secret Power For Girls:

Secret Power for Girls Susie Shellenberger, 2010-05-11 The signature book in an exciting new line of products designed for girls ages 11-16. Using contemporary language, illustrations, design, and graphics, this book confronts the problems of identity, security, and self-esteem that plague young teenage women today. Through a skillful examination of the Scriptures, it reveals the power for daily living that God has promised to believers and shows readers that the world has nothing compared to what God offers. Topics include Self Esteem, Power of the World, Power of the Underworld, the Holy Spirit, and Truth.

Power and Secrets of Girls Joe Santiago, 2012-04-10 There are so many wrong ideas about sex that led people to mistakes that young people need to be educated before they can embark on their exciting journey. This book wanted to prepare the young, particularly the girls, for the great challenges of life. It is so important because it is often too late when most of girls realized bad decisions they take in their life. The power and secrets of girls is a way for them to discover their capacities and the power they have to control themselves in time when they have to make decisions. The power to succeed is already in their hands. The next step is the realization of the dreams. If they dare to believe, nothing is impossible to them.

Secret Power to Winning, Happiness, and a Cool Wardrobe Susie Shellenberger, 2010-05-11 A Personal Bible Study on the Book of 1 Peter. Everyone wants to win, be happy, and whenever possible wear cool clothes in the process. And why not? That's what life and success are all about, right? Think again. The kind of success and wardrobe that author Susie Shellenberger writes about has nothing to do with money or buying power at the mall. It comes from God and from knowing who you are in God's eyes. With this interactive study of 1 Peter, you and your friends get a chance to examine God's ideas about what it means to be happy and successful. With true-to-life stories and practical tips, discover a secret power that's yours for the taking because Christ has already won it for us. We just need to follow his lead.

Girls in Power Laura Fingerson, 2012-02-01 *Girls in Power* offers a fascinating and unique look at the social aspects of menstruation in the lives of adolescent girls and also in the lives of adolescent boys. Although there has been much research on other aspects of gender and the body, this is one of the few books to examine menstruation and the first to explore how it plays a part in power interactions between boys and girls. Talking openly in single and mixed gender settings, individuals and groups of high school age girls and boys share their interpretations and experiences of menstruation. Author Laura Fingerson reveals that while teens have negative feelings about menstruation, teen girls use their experiences of menstruation as a source of embodied power in their interactions with other girls and with boys. She also explores how boys deal with their own reduced power. The book extends our theoretical and analytical understanding of youth gender power and embodiment by providing a more balanced view of adolescent social life.

The Secret Power Marie Corelli, 2021-04-26 In *The Secret Power*, Marie Corelli embarks on a profound exploration of spirituality and the unseen forces that govern human existence. Blending elements of mysticism and romance, Corelli constructs a narrative that interweaves philosophical musings with a captivating storyline.

making it both thought provoking and accessible This novel published in the early 20th century reflects the burgeoning interest in metaphysics and the occult during the time positioning it within a literary context that seeks to bridge the realms of science and spirituality The lush prose and vivid imagery are Hallmarks of Corelli s style inviting readers into a world rich with emotional depth and metaphysical inquiry Marie Corelli often regarded as one of the best selling authors of her time passionately delved into themes of spiritualism and the supernatural motivated by her own experiences and beliefs Her divergence from traditional narratives and her desire to address profound questions about life s purpose and the power of the human spirit stemmed from both personal conviction and her life in a period of societal transformation Corelli s powerful voice resonated with audiences who sought deeper understanding amid the rapid changes of the Victorian era I highly recommend *The Secret Power* to readers interested in the intersections of literature spirituality and the human experience Corelli s work not only captivates with its narrative charm but also challenges us to consider the hidden dimensions of our lives This novel invites introspection and contemplation making it a timeless read for anyone seeking to unlock the mysteries within and beyond

The Secret Lives of Girls Sharon Lamb,2002-03 From playground games of chase and kiss to rough and tumble soccer games from slumber party stripteases to romantic fantasies behind closed doors author Sharon Lamb coaxes out girls true stories with uncommon sensitivity and focus The result of more than 125 fascinating interviews with pre teens teenagers and adult women *The Secret Lives of Girls* reveals the ways that girls use their minds and bodies for private sexual play mischief and hidden aggression To truly understand what little girls are made of Lamb suggests we must listen not only to what they say to us but also to what they don t say taking into account their hidden selves and the lives that we adults don t see Yes girls are known to be good but they manage to act out in decidedly ungirlish ways and despite many parents fears be the better for it What s most remarkable about Lamb s conclusions is that we needn t join the chorus of voices deploring a girl poisoning culture for damaging our daughters Instead Lamb finds reason to celebrate girls resilience in the face of pressures to conform and she does it by l

Celebrity and New Media

Stephanie Patrick,2022-05-04 This book looks back to the early days of new and social media to examine the potential threat that such technologies and platforms posed to the mainstream corporate media s gatekeeping and its ability to exploit humiliate and even violate famous women Drawing on her own experiences working as part of this gatekeeping system Stephanie Patrick argues that in order to combat this threat

the mainstream media doubled down on gendered narratives of meritocracy that legitimized certain male celebrities over others Using a range of case studies spanning old media sites and new including Disney Playboy and reality television this book demonstrates that sexual exploitation and violation could be considered constitutive of female celebrity rather than a side effect Patrick's case studies include some of America's most famous celebrities including Miley Cyrus Lindsay Lohan Anna Nicole Smith Paris Hilton and Donald Trump urging readers to question their assumptions about these figures and their public trajectories This nuanced exploration of patriarchal capitalism and women's ongoing sexual exploitation by the media will be an important reference for scholars and students of digital and new media journalism celebrity studies and gender studies

Dorothy Eliza Nevitte Southworth, 1857 *Peer Power* Patricia A. Adler, Peter Adler, 1998 Children's peer culture as it is nourished in those spaces where grownups cannot penetrate stands between individual children and the larger adult society As such it is a mediator and shaper influencing the way children collectively interpret their surroundings and deal with the common problems they face

The Body, Childhood and Society A. Prout, 2016-04-30 Bringing together two topics of wide and growing sociological interest The Body Childhood and Society examines how children's bodies are constructed in schools families courts hospitals and in film Recognising that children's bodies are a target for adult practices of social regulation the contributors show that children are also active in their construction employ them in resistance and social action and generate their own meanings about them The editor a leading sociologist of childhood draws out the theoretical implications of this work indicates the limits of social constructionism and suggests new ways of thinking about the hybrid of material discursive and collective processes involved It will be a valuable text for social scientists interested in the body childhood schooling the law medicine and health

Pictures of Girlhood Sarah Hentges, 2015-01-09 Although the coming of age story has been a popular film plot for decades producers have only recently realized the commercial potential of targeting films to adolescent girls Movies like *Clueless* *Legally Blonde* and *Mean Girls* have been successfully marketed to

teenage girls as have several well known independent films Important as both cultural indicators and catalysts these films simultaneously demonstrate pop culture s influence on girls films and the ability of girls films to affect pop culture and perceptions of girlhood This critical survey of film and the modern girl concentrates largely on films of the last two decades addressing key themes for girls within coming of age films the changing but not always improving young feminine paradigm and the ways these films can be powerful determinants of culture The first chapter explores the ways in which girls films construct reinforce challenge and dismantle mainstream conceptualizations of sexuality race and power The second chapter discusses mainstream limitations of coming of age narratives including recycled plots and stars treatments of parental and male authority and adult conceptualizations of adolescence The third chapter describes girls experiences within these narratives through such conventions as attitude teen fashion music and dance unsanctioned rites of passage and race The fourth chapter covers the negotiation of sex and sexuality virginity and sexual empowerment Instructors considering this book for use in a course may request an examination copy here
