Howlett, 2014-05-30 The only temple completed by Mormonism s founder Joseph Smith Jr the Kirtland Temple in Kirtland Ohio receives 30 000 Mormon pilgrims every year Though the site is sacred to all Mormons the temple s religious significance and the space itself are contested by rival Mormon dominations its owner the relatively liberal Community of Christ and the larger Church of Jesus Christ of Latter day Saints David J Howlett sets the biography of Kirtland Temple against the backdrop of religious rivalry The two sides have long contested the temple s ownership purpose and significance in both the courts and Mormon literature Yet members of each denomination have occasionally cooperated to establish periods of co worship host joint tours and create friendships Howlett uses the temple to build a model for understanding what he calls parallel pilgrimage the set of dynamics of disagreement and alliance by religious rivals at a shared sacred site At the same time he illuminates social and intellectual changes in the two main branches of Mormonism since the 1830s providing a much needed history of the lesser known Community of Christ John I. Rigoli, 2009-08-01 In a cramped corner of the dimly lit basement in the Israel Museum Susan Bauer a graduate student is translating the ancient Dead Sea Scrolls when she discovers a few words on a scroll fragment words that have the potential to change religious beliefs worldwide When Bauer informs prominent linguistic scientist Dr Samuel Gold that the carbon dating on the ancient document is between 50 B C E and 100 C E he is stunned to realize that these few words refer to a long lost stolen manuscript that if found would correct misconceptions about the life of Jesus Dr Gold Bauer and a team of experts must determine if the words are evidence that the mysterious scroll really exists how to find it and its meaning for today s world The search for the stolen Secret Temple Scroll becomes a clandestine operation organized by Israel s Mossad and as word of the scroll is leaked the world clamors for its contents just as a surprising second scroll is unearthed Along the twisting route of the scrolls all those involved must face their own insecurities but it is the anonymous scribe who has the final word in a mesmerizing depiction of his life in Galilee

Fischer, 2001 Clothing is often an indication of an individual's status and gender By the early nineteenth century clear definitions had developed regarding how American women and men were supposed to appear in public and how they were meant to lead their lives As men's style of dress moved from the ornate to the moderate women's fashions continued to be decorative and physically restrictive This visible separation of the sexes was paralleled in other arenas social cultural and religious Some women defied this convention and cut their skirts short abandoned their corsets and put on trousers In *Pantaloon and Power* Gayle V. Fisher shows how the reformers' denouncement of conventional dress highlighted the role of clothing in the struggle of power relations between the sexes

The Christian Statesman, 1928 **Love & Light** Clayton Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho-spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self-expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth
