Secrets From Ordinary Places Finding God In The Every Day:

Secrets from Ordinary Places Ruth Senter,1990 *A Christian Woman's Secret* Lilian Staveley,2009-03-31 Possessing an extraordinary love for God Protestant Lilian Staveley 1878 1928 teaches us to combine an inner and hidden dialog with Jesus Christ along with an outward life of everyday duties In her times she knew that many men even otherwise great and holy men looked down on womankind Therefore choosing to keep the depths of her relationship with God a secret she published three books anonymously which are presented here in an edited compilation **Secret Longings of the Heart** Carol Kent,2014-02-27 While the Lord knows your deepest longings and passions you are not always aware of them yourself Daringly honest powerfully encouraging and thoroughly biblical *Secret Longings of the Heart* helps women explore their desire for victory over 10 areas of life This Bible study examines which attitudes lifestyles and behaviors can lead to fulfillment in Christ Includes discussion questions *The Romance of the Soul* Lilian Staveley,2022-08-01 In *The Romance of the Soul* Lilian Staveley presents a profound exploration of the inner self through a unique blend of lyrical prose and philosophical inquiry This book navigates the intricate landscape of human emotions spirituality and the quest for authenticity establishing a narrative that resonates deeply with readers seeking understanding of their inner landscapes Staveley s writing style employs rich imagery and evocative language reflecting influences from the Romantic era while intertwining contemporary psychological insights offering a literary tapestry that both captivates and enlightens Lilian Staveley born in the early 20th century lived through significant cultural shifts that informed her writing A thinker deeply engaged with the spiritual and psychological narratives of her time Staveley was influenced by her studies in philosophy and theology which underpin her exploration of the soul s journey in this work Her own experiences of loss and transformation echo throughout the text lending authenticity and depth to her reflections *The Romance of the Soul* is a must read for those interested in the intersection of literature and spirituality Its insights into the human condition provide a mirror for readers to reflect on their own journeys making it an invaluable addition to any literary or philosophical collection **Finding God Today** E. Springs Steele, *Surrounded by Mystery* Ruth Senter,1988 **The Universal Antidote** Eastwood Bempoh,2021-02-02 There is no human knowledgeable enough to have avoided the inevitable experience of what has been labeled a problem There is no human prudent enough to spot all potential outcomes Therefore as a result there is indeed no human wise enough to avoid the path of a problem Problems are the result of the misuse of one s will A problem free world is a will free world The only way to be free of problems is if everything was definite and there was no possibility for change But how can all things be definite if we have the ability to choose against what will make us problem free It is wise to trust that the sun will rise the following morning after night falls because it has established consistency in its expression It is also wise to have matured your trust in the act of converting water into ice by the reduction of temperature because again this has been a consistent outcome But is it wise to trust that your fellow friend will be there for you every time you need them I

presume not So as long as there is consistency in expression the possibility of change is unlikely and the outcome of prediction given it supports the consistent expression will be guaranteed In simplest terms our inability to secure a singular and definite expression without change is the cause of our problems This is the reason for distrust You are less likely to trust a stranger because you have not been present to observe a consistency in a particular expression of behavior so you are less likely to trust them because you are well aware of their ability to choose to do as they please therefore rendering the free will of man kind the root cause of all problems Nevertheless although it has been established that our will to choose especially under the influence of ignorance has rendered the abilities of prudence in such regard limited Wisdom however can profit highly from the limitations of prudence to avoid the issues of ignorance This is said to say although we may not be able to avoid problems we can surely solve them So I hereby entail my words of wisdom that is to say I am offering the cure to all problems the universal antidote of which I have formulated as an answer to my riddle My presence is the solution to all problems and my absence is the cause what am I Ladies and Gentlemen my name is Eastwood Bempoh and I want to introduce to you The universal antidote This book explains The Bempoh Quantification Tree of all Problems including the following below The 4 categories all problems fall under The 2 realms problems come from The 3 aspects of your being that are affected by problems How to cure and prevent such problems given you choose to remain consistent in certain dealings And much more This book will help you overcome Fear Sickness Unforgiveness And more *Pilgrim Spirituality* Rodney Aist,2022-04-13 A pilgrim themed spirituality for Christian formation Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other *Forthcoming Books* Rose Arny,2001-06 **Finding Home** Julie K. Ageson,2020-07-24 For all who know the security of home in all its iterations and for those who don t finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in

our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging

An Intentional Life Andrew Fitz-Gibbon,2012-10-17 Author Andrew Fitz Gibbon writes These musings are something of a window on my spiritual and philosophical journey The journey did not begin recently nor does it end with the last of these reflections These serve as but a glimpse into my personal odyssey Though these reflections are not in any way polished philosophy nor systematic theology the careful reader will be able to piece together what I think about metaphysics what is the case epistemology how we know what we think we know ethics how we ought to live and aesthetics what is beautiful and why I comment also on understandings of God Christ Christianity the Buddha Daoism and interfaith dialogue

The Truth About Deception and Its Consequences Bill Vincent,2023-03-01 I give thanks to you Lord When you issue warnings we will pay attention and take you at your word that

they are sent for a purpose You said to send out a sneak attack warning Lord That is exactly what the enemy is attempting to do infiltrate the body of Christ in such a way that salvation will no longer be typical in the church and children will become more disobedient and rebellious than they have ever been Lord Jesus thank you First and first I want you to know that much of this has been discussed in our home before I ever preach it Warning of a sneak attack God stated as he handed me a title When I say sneak attack I m not referring to the events of September 11th I m not talking about a jet colliding with the side of a building I m not referring to any kind of terrorism What I m talking about is the enemy infiltrating the church and the enemy infiltrating the school in such a subtle way that we accept it as common law We are accepting the changes that are occurring in the world and we must halt this practice We aren t in China at all We aren t in the Russian Federation We are in the United States of America which was founded on God and should continue to be founded on God Hallelujah I want you to realize that our country is in desperate need Our kids are the most defiant I ve ever seen in my life I thought I was rebellious but my goodness I had never heard of the term I want you to understand that I ve been seeing things in the spirit for a long time and God has given me names for some of the enemy s methods and tools that some of us don t see because our schools are pushing it and things are moving in this direction God has been speaking for some time but I want you to know what the enemy is using for sneak attacks He is utilizing things and every few months God begins to lay things thoroughly in my heart to put God s finger on it This is more like a Lord s Watchman and I want you to understand that every time God does something like this it s incredibly powerful and it s for a specific reason This I feel will be the most important of them all This is the most critical time to defend our children before they are taken down by the adversary What s been going on in this region has been the most severe moment and some of you should be able to connect to it Let me tell you about some of the things that are happening on right now It has nothing to do with race It has nothing to do with what is going on in this country What s going on in this country is that a monster from hell is attempting to kidnap children and claim them as his own I m telling you some of us aren t aware of this and believe that all children are safe They re good they re secure Let me say something now I know that there are more sexual encounters going on between children as young as 12 13 years old than you might expect Don t assume that simply because you think so your child is always safe I m not here to create a following I want you to be aware that Satan is use television Hollywood and even book authors to bring us down Satan is using them to entice children into disobedience Apps which can be downloaded to any phone are being used to entice and divert the children
