music and the maestro she challenges in pursuit of a worthy cause find themselves battling villains both past and present as they fight to secure life's greatest rewards: love, marriage and family. Stacie Lady Eustacia Cavanaugh is adamant marriage is not for her. Haunted by her parents' unhappy union, Stacie believes that for her marriage is an unacceptable risk. Wealthy and well-born, she needs for nothing and with marriage off the table to give her life purpose, she embarks on a plan to further the careers of emerging local musicians by introducing them to the ton via a series of musical evenings. Yet despite her noble status, Stacie requires a musical lure to tempt the haut ton to her events and in the elevated circles she inhabits only one musician commands sufficient cachet: the reclusive and notoriously reluctant Marquess of Albury. Frederick Marquess of Albury has fashioned a life for himself as a musical scholar; one he pursues largely out of sight of the ton. He might be renowned as a virtuoso on the pianoforte, yet he sees no reason to endure the smothering over-attentiveness of society. Then his mother inveigles him into meeting Stacie and the challenge she lays before him is tempting. On a number of fronts enough for him not to immediately refuse her. A dance of subtle persuasion ensues and step by step Frederick finds himself convinced that Stacie's plan has real merit and that it behooves him to support her. At least for one event, Stacie's first musical evening featuring Frederick as the principal performer is a massive success until Fate takes a hand and lands them in a situation that forces them both to reassess. Does Frederick want more than the sterile academic life he'd thought was for him? Can Stacie overcome her deepest fears and own to and reach for her girlhood dreams? Impulsive, arrogant and used to getting his own way, Frederick finds his answer easily enough, but his new direction puts him on a collision course with Stacie's fears. Luckily he thrives on challenges, which is just as well because in addition to convincing Stacie that love can indeed conquer all, he and she must unravel the mystery of who is behind a spate of murderous attacks before the villain succeeds in eliminating all hope of a happy ending. A classical historical romance set in London and Surrey in the heart of the ton.

The Games Lovers Play Stephanie Laurens, 2021-03-18. 1 New York Times bestselling author Stephanie Laurens returns to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since for what seemed excellent reasons at the time is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return.

She accepted that was usually so but being universally viewed by gentlemen as too managing bossy and opinionated she believed she would never be loved for herself Consequently after falling irrevocably in love with Devlin when he made it plain he didn't love her yet wanted her to wife she accepted the half love match he offered and once they were wed set about organizing to make their marriage the very best it could be Now five years later they are an established couple within the haut ton have three young children and Devlin is making a name for himself in business and political circles There's only one problem Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love Devlin is no longer content with the half love match he himself engineered No fool he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault He wants for them what all Therese's married cousins enjoy the rich and myriad benefits of marriages based on acknowledged mutual love Love he's discovered is too powerful a force to deny leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything especially the mutual trust they've built over the past five years A classic historical romance set amid the glittering world of the London haut ton A Cynster Next Generation novel a full length historical romance of 110 000 words Praise for The Games Lovers Play A high society Regency era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop Unwaveringly eloquent Games Lovers Play is as much a snapshot of a maturing marriage as it is an impassioned provocative romance Libybet R G Proofreader Red Adept Editing It isn't fashionable for members of high society in mid nineteenth century London to be in love with their spouses but Lord Devlin Cader seventh Earl of Alverton is After several years of marriage has he waited so long that she won't accept a declaration even if he makes it Kim H Proofreader Red Adept Editing In the power couple of Devlin and Therese Laurens has conjured a love story that is every bit as enthralling as those of her unmarried lords and ladies Angela M Copy Editor Red Adept Editing [The Secrets of Lord Grayson Child](#) Stephanie Laurens, 2021-07-15 1 New York Times bestselling author Stephanie Laurens returns to the world of the Cynsters next generation with the tale of an unconventional nobleman and an equally unconventional noblewoman learning to love and trust again A jilted noblewoman forced into a dual existence half in and half out of the ton is unexpectedly confronted by the nobleman who left her behind ten years ago but before either can catch their breaths they trip over a murder and into a race to capture a killer Lord Grayson Child is horrified to discover that The London Crier a popular gossip rag is proposing to expose his extraordinary wealth to the ton's matchmakers not to mention London's shysters and Captain Sharps He hies to London and corners The Crier's proprietor only to discover the paper's owner is the last person he'd expected to see Izzy Lady Isadora Descartes is flabbergasted when Gray appears in her printing works office He's the very last person she wants to meet while in her role as owner of The Crier but there he is as large as life and she has to deal with him without giving herself away She manages just and seizes on the late hour to put him

Stephanie Laurens returns with a puzzling case in which her favorite sleuths must untangle a slew of secrets to expose a coldblooded murderer. When a middle aged spinster is found strangled in her country cottage and scurrilous gossip implicates Henry Lord Glossup, he appeals to Barnaby and Penelope Adair along with Inspector Stokes to unravel the mystery of who killed Viola Huntingdon. Henry Lord Glossup arrives on Barnaby and Penelope Adair's doorstep and begs their aid, and that of Stokes, in identifying the murderer of Viola Huntingdon, a middle aged spinster who lived a largely blameless life in a country cottage in a tiny village close to Henry's home. As Stokes has already been tapped to take the case, the investigators travel to Salisbury and thence to Ashmore village and throw themselves into the case. While initially Henry was touted as a suspect, he is quickly eliminated, and with the help of the victim's sister, Madeline, the investigators set out to discover all they can about the victim and who might have wished her ill. In such a small village with a commensurately small population, the list of possible suspects is short, but the existence of Viola's secret admirer, H, has everyone stumped. First, how could Viola, living in such a small community, have had a secret visitor, a man no one saw except at a distance? And who on earth is he, this H? As the investigators piece together the clues of missing jewelry and sightings of H and follow the leads generated by opportunistic thieves, dodgy jewelers, and local moneylenders, a picture emerges that points to only one conclusion. But in small villages, things are rarely as they seem. Have the investigators got the right man in their sights, or have they been led astray? A historical novel of 82,000 words weaving mystery and murder with a touch of romance. *The Daredevil Snared* Stephanie Laurens, 2024-05-01.

Same Time, Next Christmas Victoria Alexander, 2015-12-14. From 1 New York Times bestselling author Victoria Alexander comes a romantic Christmas historical which features the happily ever after story of a fan favorite and how one little impetuous moment can lead to the miracle of love. My friends have always considered me the most proper among us. But no one was more surprised than I, Portia Lady Redwell, when I decided to flee the matchmaking efforts of my family to spend Christmas in an enchanting villa on the coast of Italy. My admittedly impulsive plans were immediately complicated by the presence of a certain gentleman, Mr. Fletcher Jamison, who insisted he had a claim on the villa. It was only in the true spirit of Christmas that I agreed to share the villa with him. His charm, his blue eyes as dark as the December seas, and the laugh that oddly seemed to fill my soul were not considerations. That I returned again for Christmas is due entirely to the charm of the villa and nothing at all to do with the fact that he too would be there. My friend Veronica has often said those least likely to bend are most likely to snap. It appears I have snapped.
