Secrets Never Told:

A Secret Never Told Shelley Noble, 2021-11-23 Miss Fisher meets Downton Abbey in *A Secret Never Told* the fourth installment in the critically acclaimed mystery series from New York Times bestselling author Shelley Noble. Philomena Amesbury, expatriate Countess of Dunbridge, is bored. Coney Island in the sweltering summer of 1908 offers no shortage of diversions for a young woman of means, but sea bathing, horse racing, and even amusement parks can't hold a candle to uncovering dastardly plots and chasing villains. Lady Dunbridge hadn't had a big challenge in months. Fate obliges when Phil is called upon to host a dinner party in honor of a visiting Austrian psychologist whose revolutionary theories may be of interest to the War Department, not to mention various foreign powers and who may have already survived one attempt on his life. The guest list includes a wealthy industrialist, various rival scientists and academics, a party hypnotist, a flamboyant party crasher, and a damaged beauty whose cloudy psyche is lost in a world of its own. Before the night is out, one of the guests is dead with a bullet between the eyes, and Phil finds herself with another mystery on her hands, even if it's unclear who exactly the intended victim was meant to be. Worse yet, the police's prime suspect is a mystery man who Phil happens to be rather intimately acquainted with. Now it's up to Lady Dunbridge, with the invaluable assistance of her intrepid butler and lady's maid, to find the real culprit before the police nab the wrong one. Secrets Never To Be Told Fiona Chesterton, 2021-12-01 *Secrets Never to be Told* is an extraordinary story compellingly told which unravels a century and a half of family secrets. It reveals how being born illegitimate shaped the lives of two women, one of them the author. Starting with a letter revealing a mystery inheritance, the author goes on a five-year quest taking her from Victorian Cambridge to modern Vancouver. She uncovers how her cousin Jessie emigrated to Canada, one of thousands of female domestic servants exported as surplus women before the First World War. Woven alongside the contemporary detective investigation on the trail of one immigrant's untold story is that of the author's strange 1960s childhood of social isolation in a Midlands city obsessed with a world seen through TV and with the Beatles.

Secrets My Mother Never Told Me Angela D. Evans, 2012-03-07 Picture being homeless, responsible for a young child, and you are a child yourself. Imagine Prince Charming coming out of nowhere to rescue you and your terminally ill mother from the cold, heat, and potential danger. Now picture Prince Charming becoming the person you feared most.

Secrets My Mother Never Told Me Barb Cross, 2021-05-12 Are you finding that every day is exactly the same, never getting any better? Are you making the same choices over and over again? Is the outcome ever different? I wrote this book in my mind a million times before I committed it to paper. I wrote this to help you find a way forward out of the repetition that's holding you back. Stories can help guide us through life's many confusions. True stories can help us realize that someone has done this successfully before, that we are not alone. The story of Loraine begins shortly after World War II, yet it continues to resonate in the face of today's challenges. Through her story, I hope to empower a new generation to seize

their own potential rather than see themselves as a product of their limitations as victims of circumstance Through courage and commitment you can be the beacon the world needs to shine brightly in a period of continuous change You can challenge yourself to be the best version of you and inspire others to embrace their true potential You can be an example of a life well lived rather than a bystander waiting for the next disaster This story will provide the inspiration to realize you can succeed and feel accomplishment in your efforts Please join me on this journey
