Handicapping Secrets of the Horse Racing Fanatic Gordon Easton,2005-05 The first weekend at the track after reading your book Handicapping Secrets of the Horse Racing Fanatic I won 2 600 00 Thanks for all the great info R Kelley Los Angeles CA Initially I was looking for the plays on the pick six but actually evaluated them last I would almost swear that I was privileged to look at an experienced horse player s soul I believe this material needs more than reading it should be studied and practiced The author is certainly knowledgeable about the secrets of winning For any serious horse player who is self taught or those who aspire to collect money from the race tracks armed with just these techniques a loser could become a winner I would heartily endorse this author Thank you again Jerry Smiley NVGreat book with tremendous insight to thoroughbred handicapping and wagering janishrj Gordon Easton s Pick Six Formulas and other betting strategies are quite literally worth a fortune to any serious fan of horse racing Add in the rest of the handicapping expertise he has picked up along the way and you have a resource that no one who plays the ponies can afford to be without Recommended without reservation Jay M Arlington VA I failed to mention how informative the book you sent me is Even with over 40 yrs of experience I learned things about racing that I more than likely did not know or just plain forgot about It s a good book Don

Oerlemans Westville NJ Very well written and and super informative book A K F Great handicapping book for any horseracing fan bettyjean4771 Solid info and systems ciolek75 Very informative Easy to master Thanks A T Good and interesting info for any handicapper Thanks C T Good tips and angles I haven t thought of before Pick 6 strategies are great J K very interesting book the stats alone are incredible A J J Good insight to handicapping horses G D What makes Handicapping Secrets of The Horse Racing Fanatic your absolute best bet to put more money in your pocket when wagering at the track It s not just master handicapper Gordon Easton s four decades worth of powerful and proven betting systems spot plays and long shot picking secrets all brought together in one book for the first time anywhere What s sets this book apart from all the rest is that retired mathematics professor Gordon Easton is a mathematical genius specializing in Numbers Probability Theory who gives his readers a complete set of plug and play betting formulas that will let you cover more horses and results for every dollar you bet shaving the odds in your favor For example Most people never win a Pick Six because they don t have the hundreds of dollars needed to put a lot of horses on a single ticket They will bet many 2 tickets instead They could end up with several tickets with 3 or 4 winners but none with 5 or 6 for the big win But by using Gordon s formulas you are guaranteed to line up at least five winners on one ticket if you get a winner in each race You ll also have a decent chance at getting a Pick Six without spending a fortune For example Pick Six Formula 1 covers 4 horses in 1 race 3 horses in 3 races and 2 singles your most likely winners To put all of these horses on one ticket would cost you 216 Using Gordon s formula you can do this for only 24 with the guarantee of 5 or 6 winners on one ticket if you have a winner in each race There is no other place on the planet you can find this kind of incredibly valuable knowledge **The Winning Horseplayer** Andrew Beyer,2007 This advanced guide to handicapping which includes a new Foreword by the author is chock full of the wit and wisdom that have made Beyer a legend in the sport The Winning Horseplayer offers the sophisticated bettor invaluable advice on handicapping and betting Beyer is the grand guru of handicapping Boston Globe *The Complete Book of Money Secrets* Boardroom Reports, Inc,1997 [The Publishers Weekly](#) ,1981 [The Skeptical Handicapper](#) Barry Meadow,2019-01-15 Is betting a horse who was claimed last start a winning strategy What are the signs that an upcoming favorite looks vulnerable How about if you combine a class drop with a jockey switch Should you bet everyone who won last out by 8 lengths or more You may have an opinion about these handicapping questions But wouldn t it be nice to see long term data What if you could analyze these topics and dozens more by seeing how they did in every race in North America from 2014 through 2017 some 168 227 in all That s what The Skeptical Handicapper Using Data and Brains to Win at the Racetrack is all about Is what you believe true Let s find out But this book is not just a dry recitation of numbers Author Barry Meadow who wrote Money Secrets at the Racetrack the definitive guide to money management at the races takes you on a handicapping journey which covers virtually every question you may have about what s profitable and what isn t and why He should know for more than 20 years he was a full time thoroughbred player And he was a steady big money

winner Now he reveals for the first time what he s learned and what can help you win With the help of thoroughbred analytic specialist Ken Massa of Handicapping Technology and Research he ll show you exactly how to win now and into the future With data and facts not just opinions If you re serious about winning at the races today this is the one book you must have And only Barry Meadow could write it **The Magic of Racing Figures** Pasquale De Marco,2025-08-16 The Magic of Racing Figures is the ultimate guide to using racing figures to improve your handicapping results Written by Pasquale De Marco a lifelong horse racing enthusiast and experienced handicapper The Magic of Racing Figures provides a comprehensive overview of racing figures including how to calculate them interpret them and apply them in handicapping Whether you are a beginner or an experienced handicapper The Magic of Racing Figures has something to offer you The book includes clear explanations of the different types of racing figures as well as practical advice on how to use them to identify winning horses Pasquale De Marco also discusses the psychology of handicapping and provides tips for overcoming biases and fallacies In addition to providing a comprehensive overview of racing figures The Magic of Racing Figures also includes several case studies that illustrate how to use racing figures to identify winning horses These case studies are a valuable resource for handicappers of all levels as they provide real world examples of how to apply the principles discussed in the book With its clear explanations practical advice and real world examples The Magic of Racing Figures is the ultimate guide to using racing figures to improve your handicapping results Whether you are a beginner or an experienced handicapper The Magic of Racing Figures will help you take your handicapping to the next level About the Author Pasquale De Marco is a lifelong horse racing enthusiast and experienced handicapper He has spent countless hours studying the sport and developing his handicapping skills Pasquale De Marco is the author of several books on horse racing including The Magic of Racing Figures If you like this book write a review *Picking Winners* Andrew Beyer,1994 A systematic approach to successful race horse handicapping for novices and old timers presenting advice on reading the race forms judging tracks and trainers the horses appearances speed handicapping and money management **Krik's Guide to the Turf** Henry G.
