[Secrets of Discipline](#) Ronald Graham Morrish,1997 **The Secret Success of Marriage** BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

[The Secret Lives of Teachers](#) Anonymous,2015-09-11 Welcome to East Hudson an elite private school in New York where the students are attentive the colleagues are supportive and the tuition would make the average person choke on its string of zeroes You might think a teacher here would have little in common with most other teachers in America but as this veteran educator writing anonymously shows in this refreshingly honest account all teachers are bound by a common thread Stripped of most economic obstacles and freed up by anonymity he is able to tell a deeper story about the universal conditions anxieties foibles generosityes hopes and complaints that comprise every teacher s life The results are sometimes funny sometimes scandalous but always recognizable to anyone who has ever walked into a classroom closed the door and started their day This is not a how to manual Rather the author explores the dimensions of teaching that no one else has those private thoughts few would dare put into a book but that form an important part of the day to day experience of a teacher We see him ponder the clothes that people wear think frankly about money and the imbalance of its distribution get wrangled by parents provide on the fly psychotherapy drape niceties over conversations that are actually all out warfare drop an f bomb or two and deal with students who are just plain unlikeable We also see him envy admire fear and hope we see him in adulation and uncertainty and in energy and exhaustion We see him as teachers really are human beings with a complex rewarding and very important job There has been no shortage of commentary on the teaching profession over the decades but none quite like this Unflinching wry and at times laugh out loud funny it s written
