Selected Prose Christina Rossetti:

Selected Prose of Christina Rossetti D. Kent, P. Stanwood, 1998-05-27 Christina Rossetti is recognized as the leading woman poet of the nineteenth century in England. Despite recent attention to her life in the form of three new biographies and to her poetry, Rossetti's prose works remain largely inaccessible to students and scholars. For the first time, an edited volume of selected prose by this important Victorian woman artist is made available to her readers. *Selected Prose of Christina Rossetti* presents the prose works in three modes: expository prose including her two essays on Dante and two of her contributions to the *Imperial Dictionary of Universal Biography* on Leopardi and on Petrarch; fiction including the novella *Maude*; several of her short stories; and *Speaking Likenesses*, judicious excerpts from her devotional prose which consists of six volumes published over a period of eighteen years. This collection will be of interest to specialists in Victorian literature and women's studies as well as to the general reader.

Poems and Prose Christina Rossetti, 2008-10-09 The mystery of Life the mystery Of Death I see Darkly as in a glass Christina Rossetti 1830-94 is perhaps the most contradictory of the great Victorian poets. She writes of the world's beauty but fears that it may be deceptive even deadly. She is a religious poet but much of her work is driven by uncertainty. Her poems are restrained even secretive but they seek nothing less than the mystery of Life and Death. This edition contains Rossetti's strongest and most distinctive work: poetry including *Goblin Market*, *The Prince's Progress*, and the sonnet sequence *Monna Innominata*; stories including the complete text of *Maude*; devotional prose with nearly fifty entries from the reading diary *Times Flies*; and personal letters. Those poems which Rossetti published and those which she withheld from publication are here brought together in chronological order, allowing the reader to observe her poetic trajectory. This edition also records the major revisions made by Rossetti when preparing her poems for publication. It brings together the fullest range of Rossetti's poetry and prose in one volume and is an indispensable introduction to this entrancing writer.

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Christina Rossetti and Illustration Lorraine Janzen Kooistra, 2002 Lorraine Janzen Kooistra's reading of Rossetti's illustrated works reveals for the first time the visual-verbal aesthetic that was fundamental to Rossetti's poetics. Her thorough archival research brings to light new information on how Rossetti's commitment to illustration and attitudes toward copyright and control influenced her transactions with publishers and the books they produced.

Christina Rossetti's Feminist Theology L. Palazzo, 2002-03-13 This volume disputes the assumption that Rossetti was a follower of Keble and Pusey and shows how her dissatisfaction with the male-dominated call to celibacy led her to reject their notions of worldliness and to form a closer bond with the physical world and the body.
