HAND DELIVERED

The Honorable Andrew M. Cuomo
Governor of New York State
New York State Capitol Building
Albany, NY 12224

Dear Governor Cuomo:

I am writing regarding the \$12.5 million dollars in aid to the City of Albany that was cut in your Executive Budget Proposal. Respectfully, I ask that you restore this funding in your 30-day budget amendments and make it permanent.

The City of Albany has opened its books in good faith to the State twice. One of my first acts as Mayor in 2014 was to seek a review by the State's Financial Restructuring Board. In 2016, we worked with consultants and the State Budget Office to develop a three-year plan for the City. In both reviews, the need for significant revenue was acknowledged and validated. The budget you signed into law last year also acknowledged this reality by including \$12.5 million in new aid to the City of Albany. We were grateful for your support, and now we need this aid to be made permanent. Cutting this aid would be devastating to public safety and other vital services that Albany residents rely on.

Your State Capital is treated like no other large City in the State. Our AIM funding per capita is a quarter of what Buffalo and Syracuse receive, less than a third of what Rochester receives, about a third of what Niagara Falls receives, and half of what Utica and Troy receive.

Nearly two-thirds of the property in the City is tax exempt, and the overwhelming majority of that property is owned by the State. While we receive a payment from the State under Section 19A of the Public Lands Law, this payment is just 0.36% of the value of the State's property. The resulting burden on our taxpayers is astounding. Residents who own approximately 24% of the value of the property in our City pay nearly 60% of the tax levy. And businesses that make up just 12% of the value pay the other 40%. This crushing tax burden is our number one barrier to economic development.
