Douglas,Joseph T. Higgins,1998-01-12 Clearly written text detailed illustrations and full size working plans provide novices and experienced model builders with all the information they need to create exact replicas of two 19th century sailing ships the Benjamin F Packard a classic American clipper and the Alice Mandell a famous whaler The one volume edition of two rare model building manuals also devotes chapters to ship s rigging ancient and modern and abundant information on clippers and old time whaling ships A treasury of essential information for hobbyists model builders and devotees of the great age of sail **Ship Modelling Hints and Tips** J. H. Craine,2016-09-06 This vintage book is a complete guide to building model historical boats with information on tools and equipment complete directions for assembly practical tips and hints and more Profusely illustrated and highly accessible this volume is ideal for those with little previous experience and would make for a fantastic addition to collections of allied literature Contents include The Fascination of Modelling Ships There are so many from which to choose The Ship of your choice Different kinds types of Models Various Methods of making the hull Woods and other materials Making the Different ropes What the early guns looked like etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable high quality edition complete with a specially commissioned new introduction on model building Donald Featherstone's Naval War Games Wargaming with Model Ships John Curry,Donald Featherstone,2009-03-05 This book gives potential admirals advice on how to fight their table top naval battles No space is too small nor area too large to accomodate a naval wargame with two contestants or twenty This book contains rules that allow every sea battle in history to be refought with some of the classic rules of naval wargaming It includes rules by Fletcher Pratt Fred Jane Tony Bath Jack Scruby etc This edition includes a new set of rules about Coastal Warfare 1939 45 by David Manley of the Naval Wargames Society **Ship Modeling from Stem to Stern** Milton Roth,1988-02-22 Introduces useful tools and techniques discusses kits plans and work areas and covers painting glues hull construction decks masts rigging fittings sails and metal parts *Steamship Models* Edward Keble Chatterton,1924

Historic Ship Models Arnold Kriegstein, Henry Kriegstein, 2022-10-04 In terms of quality historical significance and sheer numbers the Kriegstein family's ship model collection in the United States is the finest in private hands anywhere in the world Principally made up of official 17th and 18th century models in the Admiralty or Navy Board style the collection is unrivalled by any museum outside the British national collection at Greenwich As the models are not on public display this book fills the need for a detailed catalogue and visual reference with superb colour photos of all the models both overall portraits and multiple close ups Apart from lengthy descriptions of these magnificent artefacts space is devoted to how they were identified and the valuable research done by Arnold and Henry Kriegstein the identical twins whose shared passion brought this all together Beyond the technicalities of the ships the story has a human dimension in the brothers adventures in pursuit of every model and their dogged determination to secure them against official obstruction and dubious antiques trade practices This is an entirely new and revised edition of *Seventeenth and Eighteenth Century Ship Models* first published in 2007 now expanded to include the additions to the collection since that date **Ships and Ship Models** ,1938
