Modern Humanity In Search Of A Myth:

Modern Humanity in Search of a Myth Donald Szantho Harrington, 1987-04-01 *50 Great Myths of Human Evolution* John H. Relethford, 2017-01-17

50 Great Myths of Human Evolution uses common misconceptions to explore basic theory and research in human evolution and strengthen critical thinking skills for lay readers and students Examines intriguing yet widely misunderstood topics from general ideas about evolution and human origins to the evolution of modern humans and recent trends in the field Describes what fossils archaeology and genetics can tell us about human origins Demonstrates the ways in which science adapts and changes over time to incorporate new evidence and better explanations Includes myths such as Humans lived at the same time as dinosaurs Lucy was so small because she was a child Our ancestors have always made fire and There is a strong relationship between brain size and intelligence Comprised of stand alone essays that are perfect for casual reading as well as footnotes and references that allow readers to delve more deeply into topics

Liberation Philosophy: From the Buddha to Omar Khayyam Mostafa Vaziri, 2019-09-30 The critical narrative of this interdisciplinary book offers a first time look at the interrelationship between biology mythology and philosophy in human development Its daring premise follows the trajectory of human thought starting with the biological roots of fear and the original need for religion truth seeking and myth making The narrative then innovatively links a number of maverick philosophical teachings over the centuries from pre Buddhist times to the Buddha from Epicurus and Pyrrho to Lucretius and eventually to the seminal poetry of Omar Khayyam These emergent philosophies exemplified liberation from the grasp of mythical and religious thinking and instead espoused an empirical and joyful mind The narrative concludes with a look at the emancipating philosophical movement that resulted in the European Enlightenment and it suggests that the philosophical teachings explored in the book may offer the potential for a second broader Enlightenment

and inspiration in a modern world The Making of the Modern Canon Jan Gorak, 2014-01-13 This book is part of a series which moves the canon debate of the 1980s forward into a new multidisciplinary and cross cultural phase by investigating problems of canon formation across the whole humanistic field Some volumes explore the linguistic political or anthropological dimensions of canonicity Others examine the historical canons of individual disciplines The important contribution to the canon debate is remarkable in examining the actual process of canon formation from three unusual and complementary angles The first two chapters discuss historical attitudes to canons from antiquity onwards showing the religious aesthetic cultural and political interests which have shaped our modern critical canons Each of the four succeeding chapters examines an exemplary modern defendant interpreter or critic of canons Ernst Gombrich Northrop Frye Frank Kermode and Edward Said A final chapter considers the origins and rationale of the contemporary debate emphasizing the disciplinary and aesthetic problems we must confront if our cultural institutions are to meet the changing needs of the next century **Myth in the Modern Novel** Liisa Steinby, 2023-03-20 Myth in the Modern Novel Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature The Inklings, the Victorians, and the Moderns Christopher Butynskyi, 2020-01-28 In The Inklings the Victorians and the Moderns the author examines the dynamics of a small group of twentieth century traditionalists who reacted in opposition to the spirit of the intellectual movements of the modern age In particular he draws on the Inklings e g C S Lewis J R R Tolkien Christian humanists such as G K Chesterton and other proponents of the Great Books and classical liberal learning to outline a position that eschewed reactionary rejections of modern thought but sought to transcend its perceived limitations by asserting the continued value of myth religion liberal education and ancient texts They were more than instigators and wished to reconcile and translate conservative traditional ideas within a progressive modern scientific context The author magnifies the intellectual trends in modern Western thought in the twentieth century and provides the historical context for the resistance to the prominent and convincing tenets of modernity Given the myriad responses he focuses on a more conservative response to reductive definitions born out of well intentioned progressivism The author approaches the subject matter from an historical perspective but utilizes an interdisciplinary discourse to create a multi dimensional explanation of the intellectual

atmosphere of the twentieth century *Worldview* David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers *Modern Dating Culture: A Simple Guide to Big Ideas* Nova Martian, 2025-05-11 Navigating the complexities of 21st century romance *Modern Dating Culture A Simple Guide to Big Ideas* offers readers an accessible yet insightful journey through today's ever evolving dating landscape The book opens with a thoughtful exploration of how dating has transformed over time comparing contemporary practices to the traditions of past generations It demystifies the goals and motivations that drive people of different ages to seek relationships while dispelling common myths and clarifying new realities about modern romance A significant portion of the book is dedicated to the powerful influence of technology on dating covering the emergence of dating apps online communication and privacy concerns With practical tips for creating authentic digital connections and presenting oneself online the guide addresses the challenges and opportunities facing diverse communities including considerations of culture race LGBTQ identities and individual values Throughout the book promotes inclusive respectful dating and underscores the importance of communication trust and healthy boundaries both online and offline *Modern Dating Culture* goes beyond the initial stages of attraction to consider the deeper psychological aspects of relationships what draws people together how attachment styles affect connections and how to foster emotional intimacy It provides readers with strategies for navigating pitfalls such as rejection anxiety and dating fatigue while emphasizing self care and the power of supportive communities Looking forward the book examines emerging trends including AI's role in romance and shifting societal ideals inviting readers to embrace positive change and empowering them to build lasting healthy relationships in an ever changing world *Myth-Building in Modern Media* A.J. Black, 2020-07-06 Mythology for centuries has served as humanity's window into understanding its distant past In our modern world storytelling creates its own myths and legends in media ranging from the world of television and cinema to literature and comic books that help us make sense of the world we live in today What is the Mytharc How did it arise How does it inform modern long form storytelling How does the classical hero's journey intersect with modern myths and narratives And where might the storytelling of tomorrow take readers and viewers as we imagine our future From *The X-Files* to *H.P. Lovecraft* from *Lost* to the *Marvel* cinematic universe and many worlds beyond this study explores our modern
