Modern British Jewry:

Modern British Jewry Geoffrey Alderman, 1998 An authoritative and comprehensive history of the Jews of Britain over the last century and a half this book examines the social structure and economic base of Jewish communities in Victorian England and traces the struggle for emancipation

Modern British Jewry Geoffrey Alderman, 1992 A political social history of the Jews of Britain over the last 150 years this text examines the social economic base of Jewish communities traces the struggle for emancipation explores contemporary Jewish communities in Britain

British Jewry, Zionism, and the Jewish State, 1936-1956 Stephan Wendehorst, 2012 Stephan E C Wendehorst explores the relationship between British Jewry and Zionism from 1936 to 1956 a crucial period in modern Jewish history encompassing both the shoah and the establishment of the State of Israel He attempts to provide an answer to what at first sight appears to be a contradiction the undoubted prominence of Zionism among British Jews on the one hand and its diverse expressions ranging from aliyah to making a donation to a Zionist fund on the other Wendehorst argues that the ascendancy of Zionism in British Jewry is best understood as a particularly complex but not untypical variant of the 19th and 20th century's trend to re imagine communities in a national key He examines the relationship between British Jewry and Zionism on three levels the transnational Jewish sphere of interaction the British Jewish community and the place of the Jewish community in British state and society The introduction adapts theories of nationalism so as to provide a framework of analysis for Diaspora Zionism Chapter one addresses the question of why British Jews became Zionists chapter two how the various quarters of British Jewry related to the Zionist project in the Middle East chapter three Zionist nation building in Britain and chapter four the impact of Zionism on Jewish relations with the larger society The conclusion modifies the original argument by emphasising the impact that the specific fabric of British state and society in particular the Empire had on British Zionism

British Jewry Since Emancipation Geoffrey Alderman, 2014 An update and reexamination of the history of Jews in modern Britain

British Jewry and the Holocaust Richard Bolchover, 2003-07-17 How did British Jewry respond to the Holocaust how prominent was the Holocaust on the communal agenda and what does this response tell us about the values politics fears and identity of the Anglo Jewish community This book studies the priorities of that community and thereby seeks to analyse the attitudes and philosophies which informed actions It paints a picture of Anglo Jewish life and its reactions to a wide range of matters in the external non Jewish world For this paperback the author has added a new Introduction summarizing research in the field since the book's first appearance

Studies in Contemporary Jewry: XI: Values, Interests, and Identity Peter Y. Medding, 1995 This collection of original articles addresses the often conflicting roles of values interests and identity in contemporary Jewish politics with its focus on Jews and contemporary politics particularly the interplay of politics and Jewish history this new work makes an outstanding contribution to the scholarly literature

Louis Jacobs and the Quest for a Contemporary Jewish Theology Miri Freud-Kandel, 2023-10-15 For Louis Jacobs

the quest the process of engaging with and thinking about Jewish faith was a lifelong pursuit He offered a model in the 1960s a period characterized by general religious crisis of an observant committed but intellectually curious Judaism that empowered individual seekers to address challenges to faith In Orthodox Judaism at the time a battle was under way for religious control Generating a widespread controversy in British Jewry known as the Jacobs Affair his thought offers a lens for examining the trajectory of Orthodoxy In a contemporary context marked by the changing cultural and intellectual concerns of a post secular age the focus of some of these debates over religious control has shifted Yet Jacobs emphasis on a personal quest is as relevant as ever perhaps more so This first book length analysis of his theology unpacks the building blocks of his thought It argues that despite its particularities and limitations his approach can provide a powerful model for contemporary religious seekers in the context of a growing impetus away from established denominationally bound forms of religion Many orthodox believers across a range of faiths continue to prefer the certainty of unquestionable religious truth claims rather than pursuing a subjective search for religious meaning For those seeking alternative models for the contemporary Jewish quest a reconsideration of Jacobs theology can offer valuable tools

The Jews of Britain, 1656 to 2000 Todd M. Endelman, 2002-03 A history of the Jewish community in Britain including resettlement integration acculturation economic transformation and immigration

The Emancipation of Catholics, Jews and Protestants Rainer Liedtke, Stephan Wendehorst, 1999 This is a study the emancipation of Catholics Jews and Protestants in Europe during the 19th century By comparing and contrasting the experiences of religious minorities the book looks at the changing attitudes of the state to these groups
