Philip Whalen, Patrick Young

Modern France:

Modern France: A Very Short Introduction Vanessa R. Schwartz, 2011-10-03 A lively and informative short volume that shows that France is not a faded glory but rather a place that has defined and shaped the key issues of our contemporary world such as democracy and universal human rights the emergence of a culture of consumerist spectacle the tensions between nationalism and contemporary multiculturalism and the role of religion in the modern state Modern France Michael F. Leruth, 2022-10-18 A truly astonishing book of facts about France librarians will find this book useful for developing collections preparing for instruction sessions and writing library guides Choice This volume offers perspective on contemporary France exploring topics ranging from geography to popular culture This encyclopedia is organized into thematic chapters covering numerous aspects of life in modern France Each chapter contains an overview of the topic and alphabetized entries providing specific examples of the theme Special appendices offer profiles of a typical day in the life of representative members of French society a glossary key facts and figures about France and a holiday chart The volume is an essential guide for readers looking for specific topical information and for those who want to develop an informed perspective on aspects of modern France **Place and Locality in Modern France** Philip Whalen, Patrick Young, 2014-10-23 Place and Locality in Modern France analyses the significance and changing constructions of local place in modern France Drawing on the expertise of a range of scholars from around the world this book provides a timely overview of the cross disciplinary thinking that is currently taking place over a central issue in French history The contributed chapters address a range of subjects that include the politics of administrative reform decentralization regionalism and local advocacy the role of commerce in engendering narratives and experience of local place the importance of ethnic class gender and race distinctions in shaping local connection and identity the generation and transmission of knowledge about local place and culture through academia civic heritage and popular memory As a reconsideration of the local in French history Place and Locality in Modern France bridges the divide between micro and macro history for all those interested in ideas of locality and culture in modern French and European history A History of Modern France Jeremy D. Popkin, 2020-02-14 A History of Modern France offers a framework to understand modern French history through a survey of the dramatic events that have punctuated its history from the eighteenth century to the present day Covering events such as the French Revolution the two World Wars and the more recent election of Emmanuel Macron and the yellow vest movement the book takes a balanced approach to the competing interpretations of modern France inspired by its history This edition has been thoroughly updated to incorporate the most recent scholarship on topics including French imperial history and the empire's postcolonial legacy the history of women and gender and the French experience of World War I A new section extends the narrative into mid 2019 and additional emphasis has been given to the role of historical memory in the making of French identity Taking a chronological approach the book is approachable for students and provides a clear and understandable

picture of the history of modern France Supported by further reading that has been updated to include the most recent publications the book is the ideal introduction to the history of modern France for students of this fascinating country

Place and Locality in Modern France Philip Whalen,Patrick Young,2014-10-23 *Place and Locality in Modern France* analyses the significance and changing constructions of local place in modern France Drawing on the expertise of a range of scholars from around the world this book provides a timely overview of the cross disciplinary thinking that is currently taking place over a central issue in French history The contributed chapters address a range of subjects that include the politics of administrative reform decentralization regionalism and local advocacy the role of commerce in engendering narratives and experience of local place the importance of ethnic class gender and race distinctions in shaping local connection and identity the generation and transmission of knowledge about local place and culture through academia civic heritage and popular memory As a reconsideration of the local in French history *Place and Locality in Modern France* bridges the divide between micro and macro history for all those interested in ideas of locality and culture in modern French and European history

The Jacobin Legacy in Modern France Sudhir Hazareesingh,2002 In this volume a distinguished collection of historians and political scientists reflect on France s evolution as a political community from the nineteenth century to the present France is often seen as a Jacobin polity committed to the principles of national unity and state centralization a robust conception of patriotism the promotion of a uniform and homogenous culture on its society and the defence of the general interest against sectional concerns The overall aims of the book are threefold firstly to map out the key features of this Jacobin model as it emerged in nineteenth century France secondly to explore the institutional political and social realities which lay behind its rhetoric and often subverted its grand objectives and thirdly to offer an overview of the transformation of this French Jacobinism as it has sought to adapt itself to such significant changes as the impact of successive wars the establishment of republican government the emergence of the welfare state the drive towards European integration and development of regionalism and multiculturalism Among the principal themes of the book are the place of war in shaping republican political culture the role of elites the administrative structure of the French state the definition of the principles of good citizenship and the question of territoriality French specialists from Britain Europe and United States come together to offer an original and timely evaluation of the French model of state building associational activity and civic integration Shedding new light on the specificities of modern French political culture this collection of essays will appeal to historians and political scientists interested in the transformation of French public institutions and society as well as comparativists seeking a deeper understanding of the French political system This volume is a tribute to the scholarship of the late Vincent Wright former Official Fellow Nuffield College Univeristy of Oxford

Witchcraft, Demonology, and Confession in Early Modern France Virginia Krause,2015-01-19 Situated at the crossroads of history and literary studies this book examines confession s place at the heart of French demonology Drawing on evidence from published treatises the writings of skeptics

such as Montaigne and the documents from a witchcraft trial Virginia Krause shows how demonologists erected their science of demons on the confessed experiences of would be witches

A History of Hygiene in Modern France Steven Zdatny, 2024-03-21 This book tells the story of an epochal change in the human condition that was part of what is often thought of as modernization a process that remade culture and society in France in the 19th and 20th centuries Hygiene Steven Zdatny convincingly contends was that change He reflects on how the development of hygiene changed the way people thought about and treated their bodies put an end to age old afflictions and brought comfort where discomfort had been the unavoidable companion of existence and helped produce a tripling of life expectancy The book considers how the evolution of hygiene produced a society where people washed often changed their clothes every day lived without lice and scabies and performed their natural functions indoors It reflects on developments in industrial plumbing public education government investment the invention of new products to keep bodies and homes clean and a parallel makeover in the expectations sensibilities and practices about what is proper and what is disgusting These developments the study reveals were not steady and did not happen everywhere at the same pace But in the fullness of time they produced a revolution in the human condition

Democracy in Modern France Nick Hewlett, 2005-12-08 With its unique blend of political history and political theory this book is a welcome addition to the series on Politics Culture and Society in the New Europe Nick Hewlett begins his fascinating study with a discussion of the various ways in which the concept of democracy has been interpreted He continues by tracing the effect of France's revolutionary tradition on the theory and practice of democracy since the Enlightenment looking in particular at both republican democracy and direct democracy Hewlett examines the implications for democracy of profound social and political conflict in France and offers an unusual critique of the institutions and structures of formal politics suggesting that their relationship with democracy is more tenuous than is often assumed The political philosophy of new liberals such as Luc Ferry and Marcel Gauchet is also discussed in detail Thought provoking original and closely argued this book explores some key aspects of politics in France whilst making a strong case for greater direct participation of ordinary people in politics Nick Hewlett is Professor of French Studies and Director of the Centre for European Research at Oxford Brookes University He is author of *Modern French Politics Conflict and Consensus* since 1945 1998 co author of *Contemporary France* with Jill Forbes and Francois Nectoux 1994 and 2001 and co editor of *Currents in Contemporary French intellectual Life* with Christopher Flood 2000 and *Unity and Diversity in the New Europe* with Barrie Axford and Daniela Berghahn 2000
