Modern Grievance Procedure In The United States:

The Modern Grievance Procedure in the United States David Lewin, Richard Peterson, 1988-09-27 Deals with the filing processing and settlement of grievances and with the post settlement behaviour of the parties

The Effects of U.S. Trade Protection and Promotion Policies Robert C. Feenstra, 2008-04-15 Economists disagree on whether recent U S trade policies are harmful or helpful but they all agree that there is a new trend toward focusing on results oriented policies in specific markets and with particular trading partners These twelve essays by leading international economists explore crucial issues in U S trade policy today Topics examined include the markets for automobile and automobile parts in the United States and Japan the U S response to unfair trading practices such as dumping and the effects of industry and country specific policies Examples include high technology and agricultural industries and off shore assembly in U S border cities The volume concludes that some policies can act to both protect imports and promote exports that the threat of protectionist policies can often have effects that are as pronounced as their implementation and that regulatory policy has as great an impact on trade and investment patterns as does trade policy itself It will be of crucial interest to international trade economists policy specialists and political scientists
