

Modern Japanese

Michael Molasky, Steve Rabson

Modern Japanese:

Historical Dictionary of Modern Japanese Literature and Theater Scott J. Miller, 2009-07-01 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation. Accompanying the political changes that Western trade ushered in were widespread social and cultural changes. Newspapers, novels, poems, and plays from the Western world were soon adapted and translated into Japanese. The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age. Historical Dictionary of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature, narrative, poetry, and drama in modern Japan. This book offers a chronology, introduction, bibliography, and over 400 cross-referenced dictionary entries on authors, literary and historical developments, trends, genres, and concepts that played a central role in the evolution of modern Japanese literature. Southern Exposure Michael Molasky, Steve Rabson, 2000-08-01 Southern Exposure is the first anthology of Okinawan literature to appear in English translation, and it appears at a propitious time. Although Okinawa Prefecture comprises only one percent of Japan's population, its writers have been winning a disproportionate number of literary awards in recent years, including the prestigious Akutagawa Prize for fiction, which was awarded to Matayoshi Eiki in 1996 and to Medoruma Shun in 1997. Both Matayoshi and Medoruma are represented in this anthology, which includes a wide range of fiction as well as a sampling of poetry from the 1920s to the present day. Modern Okinawa has been forged by a history of conquest and occupation by mainland Japan and the United States. Its sense of dual subjugation and the propensity of its writers to confront their own complicity with Japanese militarism imbues Okinawa's literary tradition with insightful perspectives on a wide range of issues. But this tradition is as deeply rooted in the region's lush semitropical landscape as in the forces of history. As this anthology demonstrates, Okinawan writers often suffuse their works with a lyricism and humor that disarms readers while bringing them face to face with the region's richly ambiguous legacy. *Modern Japanese Art and the Meiji State* Dōshin Satō, 2011 This is an insightful and intelligent rethinking of Japanese art history, its Western influences. This broad-ranging and profoundly influential analysis describes how Western art institutions and vocabulary were transplanted to Japan in the late nineteenth century. In the 1870-80s, artists and government administrators in Japan encountered the Western system of the arts for the first time. Under pressure to exhibit and sell its artistic products abroad, Japan's new Meiji government came face to face with the need to create European-style art schools and museums and even to establish Japanese words for art, painting, artist, and sculpture. *Modern Japanese Art* is a full re-conceptualization of the field of Japanese art history, exposing the politics through which the words, categories, and values that structure our understanding of the field came to be, while revealing the historicity of Western and non-Western art history. **Routledge Handbook of Modern Japanese Literature** Rachael Hutchinson, Leith Douglas Morton, 2025-08-29 This 2nd edition of the Routledge Handbook of Modern

Japanese Literature provides a comprehensive survey of the field of modern Japanese literature and gives readers an overview of how we study Japanese literature today Including sections on space and time gender and sexuality politics war memory national and colonial identities and the production and dissemination of literature the Handbook examines the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory It also features updated and brand new chapters addressing the works of internationally renowned writers such as Futabatei Shimei and Murakami Haruki and defines the way writers produce literature in modern Japan as well as how those works have been read and understood by different readers in different time periods Written by an international team of experts the Handbook examines modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated and as such it will be a vital resource for students and scholars of Japanese Literature literature in translation and modern and contemporary literature

Representing the Other in Modern Japanese Literature Rachael Hutchinson, Mark Williams, 2006-09-27 *Representing the Other in Modern Japanese Literature* looks at the ways in which authors writing in Japanese in the twentieth century constructed a division between the Self and the Other in their work Drawing on methodology from Foucault and Lacan the clearly presented essays seek to show how Japanese writers have responded to the central question of what it means to be Japanese and of how best to define their identity Taking geographical racial and ethnic identity as a starting point to explore Japan's vision of non-Japan representations of the Other are examined in terms of the experiences of Japanese authors abroad and in the imaginary lands envisioned by authors in Japan Using a diverse cross section of writers and texts as case studies this edited volume brings together contributions from a number of leading international experts in the field and is written at an accessible level making it essential reading for those working in Japanese studies colonialism identity studies and nationalism

Guide to Modern Japanese Woodblock Prints Helen Merritt, Nanako Yamada, 1995-01-01 An impressive volume with a valuable amount of information not otherwise available in one source Choice Companion volume to Merritt's *Modern Japanese Woodblock Prints* This volume is a reference work that is both comprehensive and rigorously chronological

Historical Dictionary of Modern Japanese Literature and Theater J. Scott Miller, 2021-06-05 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age *Historical Dictionary of Modern Japanese Literature and Theater* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross-referenced entries authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature

Routledge Handbook of Modern Japanese

History Sven Saaler, Christopher W. A. Szpilman, 2017-10-16 The Routledge Handbook of Modern Japanese History is a concise overview of modern Japanese history from the middle of the nineteenth century until the end of the twentieth century. Written by a group of international historians, each an authority in his or her field, the book covers modern Japanese history in an accessible yet comprehensive manner. The subjects featured in the book range from the development of the political system and matters of international relations to social and economic history and gender issues to post-war discussions about modern Japan's historical trajectory and its wartime past. Divided into thematic parts, the sections include Nation, empire and borders; Ideologies and the political system; Economy and society; Historical legacies and memory. Each chapter outlines important historiographical debates and controversies, summarizes the latest developments in the field, and identifies research topics that have not yet received sufficient scholarly attention. As such, the book will be useful to students and scholars of Japanese history, Asian history, and Asian Studies.

The A to Z of Modern Japanese Literature and Theater

Scott J. Miller, 2010-04-01 With the Meiji Restoration in 1868, Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation. Accompanying the political changes that Western trade ushered in were widespread social and cultural changes. Newspapers, novels, poems, and plays from the Western world were soon adapted and translated into Japanese. The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age. The A to Z of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature, narrative, poetry, and drama in modern Japan. This book offers a chronology, introduction, bibliography, and over 400 cross-referenced dictionary entries on authors, literary and historical developments, trends, genres, and concepts that played a central role in the evolution of modern Japanese literature.
