Ainlay,2024-04-01 Peter Berger 1929 2017 was one of the pre eminent sociologists of the twentieth century His highly creative and controversial writing made a distinct impact not only in sociology but in such disciplines as political science public policy history religious studies and theology Originally published in 1986 Making Sense of Modern Times shows how Peter Berger struggled with the classical legacy of the sociological enterprise a legacy abandoned by contemporary sociology Berger made a self conscious effort to recover this vision Each of the four sections of the book Social Theory Modernization Religion The Method and Vocation of Sociology contains essays which examine Berger s efforts in the light of these broader issues and assess the degree to which Berger succeeds or fails in his efforts The book

includes a contribution from Berger himself responding to the preceding essays as well as presenting his own appraisal of the future of interpretive sociology

The Tangled Complexity of the EU Constitutional Process Giuseppe Martinico, 2013

Despite or perhaps because of the rejection of the EU Constitutional Treaty eventually leading to the adoption of the Lisbon Treaty the debates concerning the European Union's constitutional framework continue This book builds on the discourse in European Union constitutionalism in order to offer a novel analysis of the EU's constitutional developments The book considers the constitutional trends of the process of EU integration before applying a transdisciplinary concept of complexity developed in the work of Edgar Morin to the EU In doing this Giuseppe Martinico sets out a unique account of EU constitutionalism which argues that the EU legal order is a complex entity which shares some features with complex natural systems The book then goes on to explore the methodological implications of such constitutional complexity for the study of EU law
