

A man with a mustache, wearing a grey sweatshirt, blue jeans, and black sneakers, is sitting in a wooden rocking chair. He is looking upwards and to the right with a slight smile, and his right hand is raised in a gesture. The background is a plain wall with a door handle and a small sign that says "DOOR CLOSED NORMALLY".

My Brother Mike:

Have You Seen My Brother? Margie Cretella, 2024-03-11 Imagine these words black ice a car a truck a tree and Northeast Ohio These words can only add up to a tragic car crash And they did The nightmare happened on November 13 2013 and left me on a journey searching for my brother and God It seemed like a game that I didn't want to partake in but I had no choice This game led me to several hospitals where I spent my time asking the hospital staff if they knew where my brother was They always led me to a room of an almost lifeless man lying in a bed and often looking at me like he was wondering who I was Where exactly was my brother the loud boisterous man that I once knew for fifty eight years He was the man that you would hear before you would even see him I wanted that brother back and wanted him back immediately I spent ten years searching for my brother and God It left me exhausted mad bitter and at times lonely How would I go about finding them I would have been happy if I could just find one of them but who would be more important to me my brother or God I couldn't imagine God turning his back on my brother Father Steve a devout Catholic priest because I could only envision God taking care of him every step of the way Would I be fortunate enough to find out that maybe God and my brother were hanging out the whole time searching for me Maybe I was the one who was lost If you like stories about faith family love and willpower then this book is for you **A House in China** Curtis Lim, 2012-11-28 China 1938 A young boy of thirteen watches as enemy planes bomb his township As war approaches the boy and his brother cross the Pacific to join their father working in America Separated from their mother they exchange letters with her from the other side of the world Then one day her letters stop coming Thirty five years later Yot Lim takes his family back to his village to find out what became of her They visit the small brick house where he was born And there on the wall hangs a photograph of his mother that he's never seen before and it becomes everything to him **A House in China** is the story of one man's hopes dreams and memories as he returns to the land of his past to search for the answers to all his questions **Diary of My Pilgrimage of Faith** Tecla T. Tawonezvi, 2010-04 teachings from the Bible Some of the stories are pretty hilarious and others are sad and sorrowful Her life story will have you laughing then crying and then pausing for a moment to contemplate what it means to have faith The amazing story of her mother's faith to still find her two kidnapped sons is beyond anybody's compelling imagination These stories in Tecla's life makes you re-examine your own beliefs and then seek a clearer path in your travels as well as filled with a desire to live by faith You will certainly learn how to grow into your own absolute potential simply by following God's directions You will also discover that life's greatest accomplishment is doing the will of God by tapping into your faith _____ I've had the distinct pleasure of copy editing this book and offering suggestions on its form I found the task both inspirational and heart-rending Tecla's story like that of her mother as briefly summarized in the first chapter dedicated to that strong and faith-filled woman will certainly lift the spirits of any reader currently walking through the Fires of adversity and life challenges It also motivates us to reflect on the comparatively mild obstacles we may

encounter in our daily lives to find the courage to rise above them in partnership with God and our Faith and to move forward along our own Highway of Holiness Steve Trinward Editor **Southview to Gettysvue** Bill Schmidt, 2023-01-18
