Finch, 1995 This book synthesizes existing information on the ecology diversity human uses and research needs of the Middle Rio Grande Basin of New Mexico Divided into nine chapters the volume begins with reviews of the environmental history and human cultures in the Basin followed by an analysis of the influences and problems of climate and water Later chapters focus on ecological processes environmental changes management problems and current conditions in Basin ecosystems identified as being especially susceptible to damage pinyon juniper woodlands grasslands and shrublands and the riparian bosque of the Rio Grande Research needs associated with land management problems are identified for each of these ecosystem types Many interrelated factors identified here have contributed to deteriorating environmental conditions in the Basin Concluding chapters on the belowground ecology of specific Basin ecosystems and on declining populations of native fish species highlight topics in need of further attention Each chapter seeks to identify studies that can supply information to mitigate environmental problems rehabilitate ecosystems and sustain them in light of human values and needs **Gila Cliff**

Dwellings National Monument Peter Russell, 1992 *The Age of the Borderlands* Andrew C. Isenberg, 2025-04-14 In *The Age of the Borderlands* acclaimed historian Andrew C Isenberg offers a new history of manifest destiny that breaks from triumphalist narratives of US territorial expansion Isenberg takes readers to the contested borders of Spanish Florida Missouri New Mexico California Texas and Minnesota at critical moments in the early to mid nineteenth century demonstrating that the architects of American expansion faced significant challenges from the diverse groups of people inhabiting each region In other words while the manifest destiny paradigm begins with an assumption of US strength the government and the agents it dispatched to settle and control the frontier had only a weak presence Tracing the interconnected histories of Indians slaves antislavery reformers missionaries federal agents and physicians Isenberg shows that the United States was repeatedly forced to accommodate the presence of other colonial empires and powerful Indigenous societies Anti expansionists in the borderlands welcomed the precarity of the government s power the land on which they dwelled was a grand laboratory where they could experiment with their alternative visions for American society Examining the borderlands offers an understanding not just about frontier spaces but about the nature of the early American

state ambitiously expansionist but challenged by its native and imperial competitors

The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's first memoir from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present

Shadows at Dawn Karl Jacoby, 2009-11-24 A masterful reconstruction of one of the worst Indian massacres in American history In April 1871 a group of Americans Mexicans and Tohono O'odham Indians surrounded an Apache village at dawn and murdered nearly 150 men women and children in their sleep In the past century the attack which came to be known as the Camp Grant Massacre has largely faded from memory Now drawing on oral histories contemporary newspaper reports and the participants' own accounts prize-winning author Karl Jacoby brings this perplexing incident and tumultuous era to life to paint a sweeping panorama of the American Southwest a world far more complex diverse and morally ambiguous than the traditional portrayals of the Old West

Surviving Conquest Timothy Braatz, 2003-01-01 *Surviving Conquest* is a history of

the Yavapai Indians who have lived for centuries in central Arizona Although primarily concerned with survival in a desert environment early Yavapais were also involved in a complex network of alliances rivalries and trade In the sixteenth and seventeenth centuries European missionaries and colonizers moved into the region bringing diseases livestock and a desire for Indian labor Beginning in 1863 U S settlers and soldiers invaded Yavapai lands established farms towns and forts and initiated murderous campaigns against Yavapai families Historian Timothy Braatz shows how Yavapais responded in a variety of ways to the violations that disrupted their hunting and gathering economies and threatened their survival In the 1860s some stole from American settlements and some turned to wage work Yavapais also asked U S officials to establish reservations where they could live safe from attack in their homelands Despite the Yavapais successful efforts to become sedentary farmers in 1875 U S officials relocated them across Arizona to the San Carlos Apache Reservation For the next twenty five years they remained in exile but were determined to return home They joined the commercial Arizona economy repeatedly requested permission to leave San Carlos and repeatedly denied left anyway a few families at a time By 1901 nearly all had returned to Yavapai lands and through persistence and savvy lobbying eventually received three federally recognized reservations Drawing on in depth archival research and accounts recorded in the early twentieth century by a Yavapai named Mike Burns Braatz tells the story of the Yavapais and their changing world
