**Peipei Pang**

## **Public Historian Volume 17:**

Public History Faye Sayer, 2019-01-24 The 2nd edition of *Public History A Practical Guide* provides a fresh examination of history as practiced in its various worldly guises and contexts It analyses the many skills that historians require in the practice of public history and looks at how a range of actors including museums archives government agencies community history societies and the media digital media make history accessible to a wider audience in a variety of ways Faye Sayer's exciting new edition includes Brand new chapters on Restoration and Preservation and history and the working world Substantial additions covering the growing fields of digital history and history in politics More images figures and international case studies from the US Australia the UK Europe and Asia Personal Reflection sections from a range of industry experts from around the world Historiographical updates and significant revisions throughout the text Expanded online *Public History Toolkit* resource with a range of new features *Public History A Practical Guide* delivers a comprehensive outline of this increasingly prevalent area of the discipline offering a distinctly global approach that is both accessible and engaging in equal measure Finally it explores future methodological possibilities and can be used as a reference point for professional development planning in the sectors discussed This is the essential overview for any student wanting to know what history means beyond the classroom

*A Companion to Public History* David M. Dean, 2018-07-30 An authoritative overview of the developing field of public history reflecting theory and practice around the globe This unique reference guides readers through this relatively new field of historical inquiry exploring the varieties and forms of public history its relationship with popular history and the ways in which the field has evolved internationally over the past thirty years Comprised of thirty four essays written by a group of leading international scholars and public history practitioners the work not only introduces readers to the latest scholarly academic research but also to the practice and pedagogy of public history It pays equal attention to the emergence of public history as a distinct field of historical inquiry in North America the importance of popular history and history from below in Europe and European colonial settler states and forms of historical consciousness in non Western countries and peoples It also provides a timely guide to the state of the discipline and offers an innovative and unprecedented engagement with methodological and theoretical problems associated with public history Generously illustrated throughout *The Companion to Public History*'s chapters are written from a variety of perspectives by contributors from all continents and from a wide variety of backgrounds disciplines and experiences It is an excellent source for getting readers to think about history in the public realm and how present day concerns shape the ways in which we engage with and represent the past Cutting edge companion volume for a developing area of study Comprises 36 essays by leading authorities on all aspects of public history around the world Reflects different national regional interpretations of public history Offers some essays in teachable forms an interview a roundtable discussion a document analysis a photo essay Covers a full range of public history practice including museums archives memorial sites as well as historical fiction theatre

re enactment societies and digital gaming Discusses the continuing challenges presented by history within our broad collective memory including museum controversies repatriation issues textbook wars and commissions for Truth and Reconciliation The Companion is intended for senior undergraduate students and graduate students in the rapidly growing field of public history and will appeal to those teaching public history or who wish to introduce a public history dimension to their courses Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory

Yearbook of Transnational History Thomas Adam, 2018-05-31 The Yearbook of Transnational History is dedicated to disseminating pioneering research in the field of transnational history This inaugural volume provides readers with articles on topics such as soccer travel music and social policy These articles highlight the movement of ideas people policies and practices across various cultures and societies and explore the relations and connections and spaces created by these movements These articles make clear that historical phenomena from travel to music cannot be contained and explained within just one national setting The volume offers further a number of theoretical and methodological articles that provide insights into the concept of transnational history and the approach of intercultural transfer studies Last but not least the volume also includes a number of review articles These review articles provide an examination of books central to teaching transnational history as well as a historiographical exploration of the impact of transnational history on the field of sports history

**East Asian International Relations in History** Kyu-hyun Jo, 2024-08-28 This book provides a sweeping overview of East Asian international relations in history from the nineteenth century onwards with a focus on Korea and its relationship with East Asia and the USA In contrast with many books which concentrate exclusively on the twentieth century this book offers a long term perspective on modernity and modernization in East Asia It addresses the tributary system the Meiji Restoration Japanese imperialism in East Asia and the Cold War in East Asia It also incorporates the First and Second Indochina Wars from Vietnam's perspective and expands the geographical scope of East Asia beyond the traditional framework of Korea Japan and China The book begins with the tributary system as a starting point of East Asian modernity in contrast to the old view that the tributary system was not a modern system It rejects the idea that Japan was modernizing

while Korea remained stagnant and shows why Japanese colonialism continues to be controversial and problematic Through the book s emphasis on Vietnam s perspective of the Indochina Wars it places much value on nationalism anti imperialism and decolonization as forces of modernity and modernization Relevant to scholars and students in history international relations and East Asian studies more broadly the book brings with it a novel fresh and innovative approach to East Asian history

**Violence and Public Memory** Martin Blatt,2023-06-23 Violence and Public Memory assesses the relationship between these two subjects by examining their interconnections in varied case studies across the United States South America Europe the Middle East and Africa Those responsible for the violence discussed in this volume are varied and the political ideologies and structures range from apartheid to fascism to homophobia to military dictatorships but also democracy Racism and state terrorism have played central roles in many of the case studies examined in this book and multiple chapters also engage with the recent rise of the Black Lives Matter movement The sites and history represented in this volume address a range of issues including mass displacement genocide political repression forced disappearances massacres and slavery Across the world there are preserved historic sites memorials and museums that mark places of significant violence and human rights abuse which organizations and activists have specifically worked to preserve and provide a place to face history and its continuing legacy today and chapters across this volume directly engage with the questions and issues that surround these sometimes controversial sites Including photographs of many of the sites and events covered across the volume this is an important book for readers interested in the complex and often difficult history of the relationship between violence and the way it is publicly remembered

*A History of British National Audit* David Dewar,Warwick Funnell,2017 This book provides a detailed history of the struggle by Parliament and the British public to make the Executive accountable for the use of public funds from early historical developments through to modern principles and practice

**Teaching Public History Creatively in Alabama** Sharony Green,2024-04-30 This book chronicles a University of Alabama historian s efforts to engage public history over the course of a decade highlighting personal and educational experiences inside and outside of the classroom Each chapter reveals how Sharony Green her students and collaborators used various public places and spaces in Alabama including the University of Alabama and Tuscaloosa where she teaches as labs to learn more about our shared past Inspired by her familiar beginnings in a historic community in Miami Florida the author a descendant of people from the American South and the Bahamas unveils her encounters with the built environment old documents and objects motion pictures music and all kinds of historical actors The book shares a variety of projects including exhibits and displays images videos songs and poetry that serve as manifestations of her encounters with the places around her and her students Together these stories uncover an unexpected journey into public history offering new ways to think about the field and humanities more generally Teaching Public History Creatively in Alabama is an enlightening resource to both intentional and unintentional practitioners of public history including scholars students and

general readers interested in connecting with the past      Studies in Economic and Social History Michael Oliver, 2017-11-01  
This title was first published in 2002 There are few students of European economic history who will not have come across the writings of Derek H Aldcroft His contributions to the field of economic and social history are vast and distinguish him as one of the most prolific economic historians of the 20th century This volume honours Derek s contribution to the literature of economic and social history and its contents reflect his wide ranging interests particularly on issues relating to transport history and the growth and structural change in economies From transport in the Industrial Revolution to late 20th century international financial architecture the essays in this book contributed by leading economic historians are a tribute to a remarkable scholar      **Catalogue of Books in Stirling's Public Library, Glasgow** ,1833      Selected References Concerning the USDA Forest Service ,1995      **The American Indian Mind in a Linear World** Donald L. Fixico, 2013-07-04 First published in 2003 Routledge is an imprint of Taylor Francis an informa company      *A Place to Remember* Bruce Scates, 2009-11-04 This book charts the Shrine s history from the first fatalities of the Gallipoli landing to the present day      *New Directions in Policy History* Julian E. Zelizer, 2010-11-01      **Financial Market History: Reflections on the Past for Investors Today** David Chambers, Elroy Dimson, Since the 2008 financial crisis a resurgence of interest in economic and financial history has occurred among investment professionals This book discusses some of the lessons drawn from the past that may help practitioners when thinking about their portfolios The book s editors David Chambers and Elroy Dimson are the academic leaders of the Newton Centre for Endowment Asset Management at the University of Cambridge in the United Kingdom      **The Economics of the Gas Supply Industry** Malcolm Abbott, 2016-05-12 In recent years natural gas has become a major source of energy with trade across borders increasing through both pipelines and as Liquefied Natural Gas LNG Owing to this global development this book traces the development of the gas supply industry from localised to national industries and national industries to a major global industry It looks at the basic economics and origins of the industry as well as the role of the government in its development and relation to international markets The book highlights certain economic characteristics such as the industry s vertical and horizontal structure the composition of consumer demand and the role of government in safety planning and investment With the understanding of the industry s long term development the book helps to illustrate the relationship between natural gas producers and importers of LNG This book would be of interest to scholars majoring in resource economics and energy economics as well as to international practitioners in the natural gas market      **Recordkeeping in International Organizations** Jens Boel, Eng Sengsavang, 2020-12-29 Recordkeeping in International Organizations offers an important treatment of international organizations from a recordkeeping perspective while also illustrating how recordkeeping can play a vital role in our efforts to improve global social conditions Demonstrating that organizations have both a responsibility and an incentive to effectively manage their records in order to make informed decisions remain accountable to stakeholders and

preserve institutional history the book offers practical insights and critical reflections on the effective management protection and archiving of records Through policy advice surveys mind mapping case studies and strategic reflections the book provides guidance in the areas of archives records and information management for the future Among the topics addressed are educational requirements for recordkeeping professionals communication policies data protection and privacy cloud computing classification and declassification policies artificial intelligence risk management enterprise architecture and the concepts of extraterritoriality and inviolability of archives The book also offers perspectives on how digital recordkeeping can support the UN s 2030 Agenda for Sustainable Development and the accompanying Sustainable Development Goals SDGs Recordkeeping in International Organizations will be essential reading for records and archives professionals information technology legal security management and leadership staff including chief information officers The book should also be of interest to students and scholars engaged in the study of records archives and information management information technology information security and law Chapters 7 and 9 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Attribution NonCommercial ShareAlike CC BY NC SA 4.0 license

**Heritage Conservation in the United States** John H. Sprinkle, Jr., 2023-05-25 Heritage Conservation in the United States begins to trace the growth of the American historic preservation movement over the last 50 years viewed from the context of the civil rights and environmental movements The first generation of the New Preservation 1966-1991 was characterized by the establishment of the bureaucratic structures that continue to shape the practice of heritage conservation in the United States The National Register of Historic Places began with less than a thousand historic properties and grew to over 50,000 listings Official recognition programs expanded causing sites that would never have been considered as either significant or physically representative in 1966 now being regularly considered as part of a historic preservation planning process The book uses the story of how sites associated with African American history came to be officially recognized and valued and how that process challenged the conventions and criteria that governed American preservation practice This book is designed for the historic preservation community and students engaged in the study of historic preservation

Uplifting the Women and the Race Karen Johnson, 2013-02-01 First published in 2000 This study explores the lives educational philosophies and social activism of Anna Julia Cooper and Nannie Helen Burroughs They were among the most outstanding late 19th and early 20th century Black women educators The study identifies and analyzes themes that illuminate Cooper and Burroughs unique angle of vision of self community and society as it relates to their distinctive educational philosophies and contributions to American education
