Real Power Of Parenthood:

Unconditional Love: The True Meaning of Parenthood Margaret Light, 2025-03-13 Unconditional Love The True Meaning of Parenthood explores the profound and transformative power of love in parenting This heartfelt guide delves into how unconditional love shapes the parent child relationship fostering emotional security self worth and resilience Through real life examples and expert insights it emphasises how love transcends conditions imperfections and challenges laying the foundation for a child s growth and well being From discipline and sacrifice to the enduring legacy of love this book offers parents the tools to nurture their children s potential providing them with a lifelong sense of support empathy and strength to navigate life s challenges

Power and Parenting K. Bonner, 1998-09-14 The power to act is two sided in that it refers to the parent s ability to initiate having children or responding to their actions and to the ability to suffer consequences irreversibility and unpredictability The book argues that the best way of responding to these essential limits is for the parent to develop the interrelation between wisdom ethicality and self mastery that is practical wisdom

The Motherhood Matrix: Decoding Your Parental Powers Gracelyn G. The Joy of Later Motherhood Bettina Gordon-Wayne, 2018-02-06 Did you ever Google pregnancy after 35 or getting pregnant at 40 for helpful advice and inspiration on your way to motherhood Did your excitement and hope turn into disbelief and shock when your search turned up millions of gut wrenching stories on the risks and dangers of later pregnancies and the staggering rise of age related

infertility in women The Joy of Later Motherhood is the much needed antidote to all the negative hype surrounding motherhood at advanced maternal age which is 35 Written by seasoned journalist Bettina Gordon Wayne herself a first time mom at 44 and the third generation of women in her family who did not get the memo that conceiving a baby after 40 is dangerous if not outright impossible The Joy of Later Motherhood is Positive honest deeply human and an inspiring guide to mature motherhood that will undoubtedly boost your fertility and your chances of getting pregnant Full of real life stories and helpful insights of more than 40 women over 40 and top natural fertility experts who all had natural pregnancies and healthy babies With love and candor these women tell of heartbreak like infertility diagnosis and miscarriage and triumph from healing diseases to finding their faith They share their stories in order to empower other women to approach the topic of later motherhood from a position of strength and courage and to show them what s possible and in fact natural If you are looking for a medical book focused on only the physical aspect of pregnancy this may not be the right one for you The Joy of Later Motherhood is written by experts of a different kind It s written from the perspective of the women who actually achieved what millions of women are striving for naturally conceiving a healthy baby after 35 and especially after 40 You ll learn how to prepare for pregnancy even if you choose in vitro fertilization or were diagnosed with unexplained infertility or were trying to get pregnant for years You ll get advice on how to get pregnant naturally and what natural family planning methods worked for other women But maybe most importantly you ll learn that trying to get pregnant is not just a physical matter but also a matter of the mind and maybe even your spiritual beliefs as these women attest to The Joy of Later Motherhood is for you if the following rings true You hear your biological clock ticking but you don t want to be in a panic about it like everyone else You are afraid that your body may fail you Or that your contradictory thoughts I would love to have a baby but I don t think I can give up my freedom may influence your fertility You feel alone and isolated because you ve already experienced more than your fair share of heartache You need different perspectives to help you go on You wonder if it is fair to a child to have older parents and whether he ll have to shoulder the burden of an ailing mother or father long before his peers Maybe you are worried or are upset Maybe you doubt that motherhood will ever happen for you We get it We ve been there With our stories we want to lovingly see you through this journey as much as we can We ve got you

Toni Morrison and Motherhood Andrea O'Reilly, 2012-02-01 Traces Morrison s theory of African American mothering as it is articulated in her novels essays speeches and interviews Mothering is a central issue for feminist theory and motherhood is also a persistent presence in the work of Toni Morrison Examining Morrison s novels essays speeches and interviews Andrea O'Reilly illustrates how Morrison builds upon black women s experiences of and perspectives on motherhood to develop a view of black motherhood that is in terms of both maternal identity and role radically different from motherhood as practiced and prescribed in the dominant culture Motherhood in Morrison s view is fundamentally and profoundly an act of resistance essential and integral to black women s fight against racism and sexism and their ability to achieve well being for themselves

and their culture The power of motherhood and the empowerment of mothering are what make possible the better world we seek for ourselves and for our children This argues O Reilly is Morrison s maternal theory a politics of the heart As an advocate of a politics of the heart O Reilly has an acute insight into discerning any threat to the preservation and continuation of traditional African American womanhood and values Above all Toni Morrison and Motherhood based on Andrea O Reilly s methodical research on Morrison s works as well as feminist critical resources proffers a useful basis for understanding Toni Morrison s works It certainly contributes to exploring in detail Morrison s rich and complex works notable from the perspectives of nurturing and sustaining African American maternal tradition African American Review O Reilly boldly reconfigures hegemonic western notions of motherhood while maintaining dialogues across cultural differences Journal of the Association for Research on Mothering Andrea O Reilly examines Morrison s complex presentations of and theories about motherhood with admirable rigor and a refusal to simplify and the result is one of the most penetrating and insightful studies of Morrison yet to appear a book that will prove invaluable to any scholar teacher or reader of Morrison South Atlantic Review it serves as a sort of annotated bibliography of nearly all the major theoretical work on motherhood and on Morrison as an author anyone conducting serious study of either Toni Morrison or motherhood not to mention the combination should read this book O Reilly s exhaustive research her facility with theories of Anglo American and Black feminism and her penetrating analyses of Morrison s works result in a highly useful scholarly read Literary Mama By tracing both the metaphor and literal practice of mothering in Morrison s literary world O Reilly conveys Morrison s vision of motherhood as an act of resistance American Literature Motherhood is critically important as a recurring theme in Toni Morrison s oeuvre and within black feminist and feminist scholarship An in depth analysis of this central concern is necessary in order to explore the complex disjunction between Morrison s interviews which praise black mothering and the fiction which presents mothers in various destructive and self destructive modes Kudos to Andrea O Reilly for illuminating Morrison s maternal standpoint and helping readers and critics understand this difficult terrain Toni Morrison and Motherhood is also valuable as a resource that addresses and synthesizes a huge body of secondary literature Nancy Gerber author of Portrait of the Mother Artist Class and Creativity in Contemporary American Fiction In addition to presenting a penetrating and original reading of Toni Morrison O Reilly integrates the evolving scholarship on motherhood in dominant and minority cultures in a review that is both a composite of commonalities and a clear representation of differences Elizabeth Bourque Johnson University of Minnesota Andrea O Reilly is Associate Professor in the School of Women s Studies at York University and President of the Association for Research on Mothering She is the author and editor of several books on mothering including with Sharon Abbey Mothers and Daughters Connection Empowerment and Transformation and Mothers and Sons Feminism Masculinity and the Struggle to Raise Our Sons

Loving the Little Years: Motherhood in the Trenches Rachel Jankovic, 2010-11-26 I didn t write this book because mothering little ones is easy for me I wrote it because it isn t I know that

this is a hard job because I am right here in the middle of it I know you need encouragement because I do too In this book Rachel Jankovic mother of seven offers practical advice on how to persevere in the high but demanding call of motherhood This is not a tender reminiscence from someone who had children so long ago that she only remembers the sweet parts This is a small collection of thoughts on mothering young children for when you are motivated for when you are discouraged for the times when discipline seems fruitless and for when you are just plain old tired The opportunities for growth abound here but you have to be willing You have to open your heart to the tumble As you deal with your children deal with yourself always and first This is what it looks like and feels like to walk as a mother with God Abortion and the Politics of Motherhood Kristin Luker,1985-08-04 In this important study of the abortion controversy in the United States Kristin Luker examines the issues people and beliefs on both sides of the abortion conflict She draws data from twenty years of public documents and newspaper accounts as well as over two hundred interviews with both pro life and pro choice activists She argues that moral positions on abortion are intimately tied to views on sexual behavior the care of children family life technology and the importance of the individual The Mission of Motherhood Sally Clarkson,2009-01-21 Discover how understanding God s purpose and design can empower you to be the mother you long to be No calling is greater nobler or more fulfilling than that motherhood Every day as we nurture our children mothers influence eternal destiny as no one else can Tragically today s culture minimizes the vital importance of a mother s role In The Mission of Motherhood Sally Clarkson helps you rediscover the joy and fulfillment to be found in the strategic role to which God in all his wisdom has called you for a purpose far greater than you can ever imagine **Ordinary Insanity** Sarah Menkedick,2020-04-07 A groundbreaking expos and diagnosis of the silent epidemic of fear afflicting new mothers and a candid feminist deep dive into the culture science history and psychology of contemporary motherhood Anxiety among mothers is a growing but largely unrecognized crisis In the transition to mother hood and the years that follow countless women suffer from overwhelming feelings of fear grief and obsession that do not fit neatly within the outmoded category of postpartum depression These women soon discover that there is precious little support or time for their care even as expectations about what mothers should do and be continue to rise Many struggle to distinguish normal worry from crippling madness in a culture in which their anxiety is often ignored normalized or most dangerously seen as taboo Drawing on extensive research numerous interviews and the raw particulars of her own experience with anxiety writer and mother Sarah Menkedick gives us a comprehensive examination of the biology psychology history and societal conditions surrounding the crushing and life limiting fear that has become the norm for so many Woven into the stories of women s lives is an examination of the factors such as the changing structure of the maternal brain the ethically problematic ways risk is construed during pregnancy and the marginalization of motherhood as an identity that explore how motherhood came to be an experience so dominated by anxiety and how mothers might reclaim it Writing with profound empathy visceral honesty and deep understanding Menkedick makes clear how critically we need to expand

our awareness of compassion for and care for women's lives *Motherhood and Patriarchal Masculinities in Sixteenth-Century Italian Comedy* Yael Manes, 2016-04-15 Exploring individual and collective formation of gender identities this book contributes to current scholarly discourses by examining plays in the genre of erudite comedy *commedia erudita* which was extremely popular among sixteenth century Italians from the elite classes Author Yael Manes investigates five erudite comedies Ludovico Ariosto's *I suppositi* 1509 Niccol Machiavelli's *La Mandragola* 1518 and *Clizia* 1525 Antonio Landi's *Il comodo* 1539 and Giovan Maria Cecchi's *La stiva* 1546 to consider how erudite comedies functioned as ideological battlefields where the gender system of patriarchy was examined negotiated and critiqued These plays reflect the patriarchal order of their elite social milieu but they also offer a unique critical vantage point on the paradoxical formation of patriarchal masculinity On the one hand patriarchal ideology rejects the mother and forbids her as an object of desire on the other hand patriarchal male identity revolves around representations of motherhood Ultimately the comedies reflect the desire of the Italian Renaissance male elite for women who will provide children to their husbands but not actively assume the role of a mother In sum Manes reveals a wide cultural understanding that motherhood as an activity that women undertake not simply a relational position they occupy challenges patriarchy because it bestows women with agency power and authority Manes here recovers the complexity of Renaissance Italian discourse on gender and identity formation by approaching erudite comedies not only as mirrors of their audiences but also as vehicles for contemporary audiences ideological psychological and emotional expressions
