Real Teens:

Teens Talk About Anxiety and Depression Jennifer Landau, 2017-12-15 In real teens voices this engaging book offers comfort and advice for young people dealing with their own mental health issues or those of a loved one. A compilation of true stories by young adults facing the challenges of anxiety and depression, the book features compelling first person accounts of panic attacks, suicidal depression, and self harm among other topics. Each contributor brings a unique perspective to the discussion of mental illness, and the relatable tone helps readers connect with an issue of great relevance to their own lives.

Teens Talk About Drugs and Alcohol Jennifer Landau, 2017-12-15 Drug and alcohol abuse can have a devastating effect on friendships and families. In this compelling book, young adults offer true life tales that detail the price of addiction. Many of these first person accounts highlight the fallout from a loved one's substance abuse issues, such as estrangement, neglect, and abuse. One writer can no longer see his beloved grandfather because of his alcoholism, while another feels betrayed by a friend who is addicted to drugs. As they struggle with feelings of anger and grief, these brave teens offer a way forward for others working to overcome these difficult life circumstances.

Parenting Your Out-of-Control Teenager Scott P. Sells, 2007-04-01 Every teenager rebels against authority at some point: talks back, breaks curfew, or disobeys. But literally millions of teens take their rebellion to a point where it disrupts their families and endangers their own futures, or even their lives. If one of these teens is yours, you've probably lived through years of conflicting advice and patch solutions that don't last. Finally, this breakthrough guide from a master therapist will show you the seven steps to positive, permanent change for you and your teenager: 1. Learn the real reasons for teen misbehavior. 2. Make an ironclad contract to stop that behavior. 3. Troubleshoot future problems. 4. End button pushing. 5. Stop the seven aces from disrespect to threats of violence. 6. Mobilize outside help. 7. Reclaim lost love within the family. Clear, compassionate, and packed with real life solutions to real life problems, *Parenting Your Out of Control Teenager* gives parents the tools they need to turn their families' lives around for good.

"I'm, Like, SO Fat!" Dianne Neumark-Sztainer, 2011-12-08 It's hard to decide which is more frightening: the food teenagers enjoy, or the things they say about their bodies. Whether it's your son's passion for chips and soda, or your daughter's announcement that she feels fat, kids' attitude about how they look and what they should eat often seem devoid of common sense. In a world where television and school cafeterias push super-sized sandwiches while magazines feature pencil-thin models, many teens feel pressured to starve themselves, and others eat way too much. Blending her experience as the mother of four with results from a survey of nearly 5,000 teens, Dr. Diane Neumark-Sztainer shows you how to respond constructively to fat talk, counteract negative media messages, and give your kids the straight story about nutrition and calories, the dangers of dieting, and eating right when they're away from home. Full of examples illustrating the challenges teens face today, this upbeat and insightful book is packed with great ideas that will help kids everywhere feel better about their looks and make healthier choices about eating and exercise.
