Reality 101 Facts That Can Change Your Life:

Reality 101 Lloyd H. Whitling, 2002-02 Reality 101 takes you on a young man's trip into adulthood while he struggles to incorporate his fundamentalist indoctrination into an understanding of science's discoveries and teaching. His failure to get things to add up, his insistence that they must, and discoveries made while learning about computers take him to a fascinating view of reality and the human way of understanding it. Reality 101 is meant to be an introduction and companion to his self-published *WHITLING'S DAEMONOLOGY* available at <http://lloydwhitling.com> **101 Relationship Myths** Tim Ray, 2012-05-01 Challenging many common delusions about love, this straight talking humorous guide takes a closer look at the insanity of modern day relationships. The handbook uses simple mythbusting techniques for increasing self awareness and avoiding misguided ideas. Chapters include Stay Far Away from Women in Their 30s, Your Partner Isn't a Mind Reader, Can a Relationship Only Work if You Compromise, Does Strong Sexual Attraction Mean You're a Good Match, and Is It Better to Be in a Relationship Than to Be Single. Guaranteed to provide greater clarity and contentment between any two people, this reference provides provocative and much needed social commentary in a humorous fashion. **101 Mantras for Living with Really Happier Experiences in Life** Ratan Budhani, 2018-09-24 These are some of the excerpts from the book. Why are we born? This question poses a great challenge for many of us. The best answer to this would be: The poor long for riches, the rich long for heaven, but the wise long for a peaceful mind. In order to perform optimally, you need to nurture your body. You wouldn't fill your car with sludge, leave it in the garage for five years, and then expect it to win a race. Every day you are impacting the world, and every day you are creating your life through your thoughts. Think whatever you like, big or small, rich or poor, fair or unfair, and those thoughts will strive to become the things and events of your life. It's an immutable law. Every human action is either driven by fear or by greed. Beyond the shadow of a doubt, both are negative vibrations. One of the best ways you can MAKE yourself happier in all your attempts is begin to come from a positive vibration, and that's love. Your expectations can literally influence your real life experiences. So be aware and consciously choose to create positive expectation with everything you do. Do what you love, and enjoyment will follow. Do what you love, and you will feel more fulfilled. Do what you love, and the money will seem less relevant. Do what you love, and you'll never work a day in your life. Alongside love, what you do, and you come out a shining star. Enjoy the process and be willing to accept what comes your way. No matter how successful you are, if you have not stopped to enjoy yourself along the way, your success is half full. Secret of happiness is not found in receiving more, but in developing the capacity to enjoy more. Mistakes come from acting in ignorance or in innocence, or through carelessness, or acting hastily, or acting in fear, or acting in worry, or acting in doubt, or acting under anxiety. **Reality 101** Lloyd Harrison Whitling, 2002-02-28 Reality 101 takes you on a young man's trip into adulthood while he struggles to incorporate his fundamentalist indoctrination into an understanding of science's discoveries and teaching.
