Grades K 3 Illustrated Good Year Books 288 pages What Your Second Grader Needs to Know E.D. Hirsch, Jr.,2009-07-29
From the Introduction What kind of knowledge and skills can your child be expected to learn in second grade at school How
can you help your child at home These are questions that we try to answer in this book It presents the sort of knowledge and
skills in literature reading and writing history and geography visual arts music mathematics and science that should be at the
core of a challenging second grade education Because children and localities differ greatly across this big diverse country so
do second grade classrooms But all communities including classrooms require some common ground for communication and
learning In this book we present the specific shared knowledge that hundreds of parents and teachers across the nation have
agreed upon for American second graders This core is not a comprehensive prescription for everything that every second
grader needs to know Such a complete prescription would be rigid and undesirable But the book does offer a solid common
ground that will enable young students to become active successful learners in their classroom community and later in the
larger communities we live in town state nation and world BONUS This edition includes an excerpt from What Your Third
Grader Needs to Know **The Publishers Weekly** ,1983 **Literature for Children** David L. Russell,1997 This succinct
yet comprehensive introduction to children s literature focuses on genres and concepts rather than on particular authors This
