Reasoning And Choice Explorations In Political Psychology:

Reasoning and Choice Paul M. Sniderman, Richard A. Brody, Philip E. Tetlock, 1991 A major new theoretical explanation of how ordinary people decide what to favour and what to oppose politically *Studyguide for Reasoning and Choice* Cram101 Textbook Reviews, 2007-08 Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9780521407700 **The Idea of Political Marketing** Nicholas O. O'Shaughnessy, Stephan C.M. Henneberg, 2002-06-30 O

Shaughnessy Henneberg and their contributors examine how the theory and practice of marketing has been and can be applied to politics Particular attention was paid to the theory of political marketing with conceptual definitions developed to better facilitate communication between marketing professionals and political science researchers Political marketing is about the making and unmaking of governments in a democracy Despite its growing importance the marketing academic profession has shown very little interest in the political ramifications of their discipline while political scientists often come to political marketing with the view that it is cosmetic if not trivial O Shaughnessy Henneberg and their contributors examine how the theory and practice of marketing has been and can be applied to politics As they show elections are a persuasion task writ large most especially with the demise of inherited class loyalties Following elections governments can employ marketing techniques to build support for their actions while opposition parties can press the government and its supporters through similar marketing approaches Of particular interest to scholars researchers and policy makers involved with politics political communication and the making of public policy *Originalism in Theology and Law* Mark J. Boone, Mark D. Eckel, 2024-01-26 In the study of American law originalism is primarily a theory about the meaning of the Constitution that its meaning can only change when its words change Originalism also appears in biblical theology as a theory on the meaning of the Bible that its meaning is that intended by the original authors Originalism in Theology and Law Comparing Perspectives on the Bible and the Constitution offers a study of originalism in both the Bible and the Constitution While there are significant connections between originalism as a theory of biblical interpretation and as Constitutional interpretation there are also differences in the type of text as well as its purpose function origins or authority which may affect which nuanced version of originalism best fits a particular text or the best method of interpreting it **Personality and the Foundations of Political Behavior** Jeffery J. Mondak, 2010-05-31 The first study in more than 30 years to investigate the broad significance of personality traits for mass political behavior *The SAGE Handbook of Political Communication* Holli A Semetko, Margaret Scammell, 2012-07-15 This authoritative and comprehensive survey of political communication draws together a team of the world's leading scholars to provide a state of the art review that sets the agenda for future study It is divided into five sections Part One explores the macro level influences on political communication such as the media industry

new media technology and political systems Part Two takes a grassroots perspective of the influences of social networks real and online on political communication Part Three discusses methodological advances in political communication research Part Four focuses on power and how it is conceptualized in political communication Part Five provides an international regional and comparative understanding of political communication in its various contexts The SAGE Handbook of Political Communication is an essential benchmark publication for advanced students researchers and practitioners in the fields of politics media and communication sociology and research methods *The International Encyclopedia of Political Communication, 3 Volume Set* Gianpietro Mazzoleni, Kevin G.
