Reasons For Romans:

The Reasons for Romans A. J. M. Wedderburn, 2004-10-27 A comprehensive and up to date introduction to Romans and a systematic survey of recent studies in the field

The Social Significance of Reconciliation in Paul's Theology Corneliu Constantineanu, 2010-04-08 This is an assessment of the social dimension to reconciliation as displayed in Paul's Letter to the Romans Traditional exegetical scholarship has treated Paul's presentation of reconciliation as referring to reconciliation between people and God and has primarily focused use of the word *katallage* traditionally translated as atonement Constantineanu challenges this view and argues that Paul's understanding of the concept is more complex employing rich symbolism to describe reconciliation with God and between human beings forming together an inseparable reality The discussion is placed within Paul's overall religious social and political contexts showing that an analysis of the social dimension of reconciliation in his thought is both plausible and necessary Constantineanu offers an analysis of two major sections of Romans chapters 5-8 and 12-15 Special emphasis is placed on Paul's use of the story of Jesus for community formation for the shaping of identity values and community practices It is thus demonstrated that for Paul God's reconciling initiative shown in the crucifixion is not only the pronouncement of God's reconciling the world but also the ground and model for reconciliation among human beings It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches

The Letters of Paul Charles B. Puskas, Mark Reasoner, 2013-12-19 Since Charles Puskas first published *The Letters of Paul* it has proven to be a reliable text and reference tool It is an exemplary guide to the basic issues surrounding the Pauline letters who really wrote each letter when it was written the letter's social context audience and literary characteristics and also includes discussion of the worlds of Paul the letter genre and the rhetorical arrangement of each letter Working with noted Pauline scholar Mark Reasoner on this new second edition with more than 40 percent new and revised material the authors have taken account of a host of diverse cultural historical sociorhetorical literary and contextual studies of recent years and critically reexamined several issues of authorship date historical situation literary form and rhetorical structure They have addressed new and pressing issues filled certain lacunae and generally updated the book for a new generation of readers

A Critical and Exegetical Commentary on the Epistle to the Romans William Sanday, Arthur Cayley Headlam, 1904

Robes, Romans, and Rituals in First Corinthians Aldar Nõmmik, 2024-12-04 This thesis offers a novel interpretation of 1 Cor 11:2-16 in light of the Roman ritual practice of *capite velato* a custom of covering the head with a garment during prayer sacrifice and divination It traces linguistic and conceptual links between ancient descriptions and depictions of *capite velato* and 1 Cor 11:2-16 and demonstrates that this ritual gesture must have been familiar to Paul and his Corinthian interlocutors With the aid of cognitive science of religion this thesis explores the possible reasons for and implications of Paul's instructions on this

Roman custom in First Corinthians It argues that 1 Cor 11 2 16 preserves a clash of values between Paul and his addressees in regards to the correct procedure and efficacy of prayer and accessing of divine knowledge some in Corinth had begun to argue that for the sake of uniformity all members of the Christ association including married women of all cultures should strip their heads of everything when in prayer or when seeking divine knowledge to match the appearance of Roman men whom Paul had asked not to pray with garments over the head In response to this Paul found a way to argue that praying with a garment over the head is only shameful for men but the same does not apply for women and so women can keep their head coverings and hair accessories on during prayer and prophecy While these instructions may have been intelligible to the original readers later interpreters of Paul who had no knowledge of the Sitz im Leben that prompted 1 Cor 11 2 16 misunderstood and misappropriated Paul s instructions in this passage mistakenly believing Paul to have been solely concerned with a faction of rebellious women in the Corinthian congregation These assumptions have dominated the readings of 1 Cor 11 2 16 but this thesis offers an alternative interpretation that builds on a more accurate understanding of ancient customs and ideals related to ritual head coverings Roman civilization Naphtali Lewis,1963 *Gospel Theology* John Kuyper Liberty,2021-05-07 The gospel of Jesus Christ is not one theory of the world s origin and purpose standing behind or alongside other competing viewpoints Neither is it one of many components of the Christian religion It is the central purpose heartbeat and jewel of the entire universe It is the power of God Almighty It is the set of glasses we must wear to rightly understand all of God s Word and all of God s world Whether we acknowledge it or not Jesus Christ is the Lord Savior and Treasure This gospel of Jesus Christ is God s grace for individuals and God s grace for all of creation John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation upward theology how we understand and relate to ourselves and other Christians inward theology and how we understand and relate to God s broader creation our communities our cultures and those who are not Christians outward theology This monumental resource written for all people includes chapter titles like The Good News of God s Word Gospel Worship Gospel Joy The Gospel and Money The Gospel Centered Home The Gospel and Work and Gospel Society Jesus Christ by his perfect life bloody cross resurrection in power and ascension into Kingship is reconciling all things to himself *The Roman History of Appian of Alexandria* Appianus (of Alexandria.),1899 **The Greco-Roman World of the New Testament Era** James S. Jeffers,2009-08-20 James S Jeffers provides an informative tour of the various facets of the Roman world class and status family and community work and leisure religion and organization city and country law and government death and taxes and the events of Roman history **Ancient Law : Its Connection with the Early History of Society, and Its Relation to Modern Ideas** Henry Sumner Maine,1874
